The screenshot shows a news article on the Economic Times website. The main headline is "Engineering goods exports in FY19 may cross \$76.2 billion". The article is dated March 15, 2019, at 08:55 PM IST. The author is identified as Mithun K. Das, Senior Vice-Chairman, EEPIC India. The article discusses the performance of engineering goods exports in FY19, noting that they are expected to cross the FY18 levels. It mentions that the International Engineering Sourcing Show (IES) is being organized by EEPIC India from March 14-16, featuring leading global and domestic engineering companies. The article also highlights the participation of Malaysia and India in the technology-driven automotive industry, and mentions that the exhibition space has been sold out and 400 domestic and overseas exhibitors will showcase their products at the event. There are also small images and sub-headlines related to the article, such as "Cut down on cash flow" and "Admission Open for IES, Tech & M&E, Tech & Tech (USA, Tech & Tech)".
