

Chairman's Pen

My dear fellow exporters,

The Council is now fully geared up with organizing the fourth edition of the India Engineering Sourcing Show (IESS) 2014 as lead agency appointed by the Government of India which will be held at the Bombay Exhibition Centre, Mumbai between 16-18 December, 2014. The show will be inaugurated by the Hon'ble Union Minister of State for Commerce, Smt. Nirmala Sitharaman. This year Poland is the "Partner Country" and Gujarat is the "Partner State". IESS IV will definitely promote the "Brand India" image within India, it will be our utmost endeavour to highlight India as a "Technology Hub" for the manufacturing industry – from SMEs to large-scale organizations.

It is our hoped that at the end of the IESS IV 2014, the participants will feel that they have been provided a great opportunity in developing new business contacts, exploring new markets and in evaluating new technologies. I welcome you to visit this flagship event of the Council.

Yours sincerely,

Anupam Shah
