Chairman's Pen

My dear fellow exporters,

*EEPC India in collaboration with Ministry of Commerce & Industry, Government of India, is conducting a survey on **“Negotiations on Regional Comprehensive Economic Partnership (RCEP) Agreement: Assessing India’s Interest”**.*

The Regional Comprehensive Economic Partnership (RCEP) is being negotiated by the ten economies of ASEAN (Singapore, Thailand, Indonesia, Malaysia, Brunei, Philippines, Vietnam, Myanmar, Cambodia & Laos) and six major economies of the Asia Pacific - Australia, China, India, Japan, South Korea and New Zealand. This is the largest trade deal that India has so far undertaken to negotiate. In total, the grouping of 16 nations includes more than 3 billion people and has a combined GDP of about US\$ 17 trillion accounting for about 40 percent of world trade.

It is important to ensure that the Government has adequate inputs on the specific issues to be addressed under the RCEP framework in order to maximize the opportunities for Indian business community. Council, therefore, would like to request you to participate in this survey by responding to the questionnaire which has already sent to its member and the same is also available on the Council’s website.

Members are requested to kindly send their views/suggestions by e-mail to sgupta@eepcindia.net; eepcho@eepcindia.net latest by August 30, 2014.

Yours sincerely,

A handwritten signature in black ink that reads "Anupam Shah". The signature is written in a cursive, slightly slanted style.

(ANUPAM SHAH)

Tender Information

China

(EEPC Ref. No. DB-1479)

Project : Anhui Chao Lake Environmental Rehabilitation Project
Loan No. : 2941-PRC
Loan from ADB

Trade Enquiries

We have received an intimation from the Department of Commerce, Ministry of Commerce & Industry, Government of India who have forwarded a list of products which can be exported to Syria from India. The engineering items in this list are as follows :

- Building Machinery
- Agricultural Machinery and Tools
- Electricity Generators and Saving Electricity
- Fertilizers Plant
- Steel Plant
- Tyre Plant, Sugar Plant.
- Industrial Machinery
- Power Machines
- Power Plant
- Medicine Plant
- Cement Plant

Members may like to explore this above business opportunities in Syria since these items are urgently required in Syria. In case there are further clarifications, interested members may contact to -
