

Council's Activities**EEPC India Invites Participation for India Pavilion at SISTEP 2009**
International Fairgrounds, Casablanca, Morocco
(30th September – 3rd October, 2009)**Why SISTEP 2009**

SISTEP is a major exhibition for subcontracting, procurement and partnership, bringing together suppliers, purchasers and service providers. It is organized by the Federation of Metallurgical, Mechanical, Electrical & Electronic Manufacturers Association (FIMME) of Morocco and National Stock Exchange of Subcontracting & Partnership (BNSTP) of Morocco.

Morocco provides a get-way to the North African and European Union Markets due to geographical proximity and free trade agreements with the EU, the U.S., the Maghreb countries, Saudi Arabia, the UAE, West African Economic and Monetary Union (UEMOA), Turkey, Egypt and Jordan.

Major opportunities in Morocco

Morocco with an economy which is considered relatively liberal, has sought in recent years to create an environment more favourable to the development of industrial activities, mainly in subcontracting. It has clocked steady yearly growth in the region of 4%-5% from 2000 to 2007 and estimated GDP for 2007 is US\$ 75.12 billion. Morocco's industrial sector, accounting for around 25% of GDP, has diversified its technical capacities and increased its know-how significantly, presenting an offer today of subcontracting and particularly an attractive market of capital goods and industrial supplies, with emergence of industrial clusters in advanced and demanding sectors such as automotive, aerospace, electronics, mechatronics as well as in more traditional sectors such as mechanical engineering, metallurgy, plastics which have experienced a remarkable expansion.

Just in time

Morocco is well positioned as a value creator, with its openness to international partnership and proximity to Euro-Mediterranean countries, it offers very attractive opportunities to develop new markets for industrial subcontracting. India's export of engineering goods to Morocco is US\$ 71 million in 2008-09 (April-January) which is an impressive growth of 65% compared to exports during the same period in the previous year. India's total export to North Africa (Algeria, Libya, Egypt, Morocco, Tunisia) during 2008-09 (April-January) was US\$ 800.2 million. Real business opportunities will be waiting for you in this 8th edition of SISTEP.

EEPC INDIA is organizing an India Pavilion in SISTEP 2009. Participating in the above exhibition will enable Indian companies to further widen their reach in the highly lucrative EU, Middle East and African markets and would provide an excellent opportunity for establishing business relationships with customers from all over the world.

Products in Focus**Metal:**

- ✓ Machine tools and equipment
- ✓ Welding machines and additional materials
- ✓ Metal processing (machining, cutting, special machines, forging, foundry, boiler making, sheet metal, semi-finished products, etc.)
- ✓ Metal surface treatment & finish equipment
- ✓ Machines and equipment for fine mechanics and optics

**Materials and components for mechanical engineering:**

- ✓ Metallurgical semi-products, forgings pressings, castings, and work pieces
- ✓ Industrial fasteners
- ✓ Vessels and tanks
- ✓ Auto components
- ✓ Connecting materials fittings
- ✓ Steel and tube structures
- ✓ Seals and bearings
- ✓ Lubricating technology

Machinery and accessories for:

- ✓ Packing and printing
- ✓ Vehicle manufacturing and automotive technology
- ✓ Environmental technology
- ✓ Auto components
- ✓ Chemical industry
- ✓ Cements
- ✓ Material handling
- ✓ Automation technology
- ✓ Plastics & rubber processing
- ✓ Lubricating technology
- ✓ Lubricants, oils, coating compositions
- ✓ Adhesives & chemicals for industrial products.

Venue

Casablanca International Fairgrounds, 11, rue Boukrâa, 20000, Casablanca, Morocco

Date of event

30th September – 3rd October, 2009 (4 days)
