Chairman's Pen

My dear fellow exporters,

In the Union Budget, Hon'ble Finance Minister Shri Arun Jaitley announced the extension of the 24x7 facility for exports. A new Foreign Trade Policy for 2014-19, likely to be unveiled over the next few weeks, is expected to focus on exports of high-tech electronic goods, branded items, project exports and services exports besides the traditional basket.

A 21 percent rise in engineering goods exports in June to US\$ 5.4 billion has come on the back of the fast improvement in the US economy. Engineering exporters are getting good orders from the US putting strain on our domestic manufacturing infrastructure. Engineering, Gems & Jewellery and Textiles are some of the key exports sectors in the country. But problems like power out-ages and shortage of raw materials and skilled labour are coming in the way of further growth.

Yours sincerely,

A handwritten signature in black ink that reads "Anupam Shah". The signature is written in a cursive, slightly slanted style.
