

Chairman's Pen

My dear fellow exporters,

I am glad to inform you that the Council successfully organised the India Show at Innovations, Technologies, Machines (ITM), Poznan, Poland, from June 03 – 06, 2014. India was the Partner Country at the India Show and 108 member-exporters participated at this show. The show generated business enquiries and will help in improving bilateral trade between our countries.

I would like to thank all the participants for taking part in the show and seek their continuous support for future activities of the Council.

Yours sincerely,
