Chairman's Pen

My dear fellow exporters,

I feel happy to inform you that the third edition of the India Engineering Sourcing Show (IESS) was successfully held during January 22 – 24, 2014 at Mumbai. IESS'2014 was part of the India Show series organized by Ministry of Commerce & Industry, Government of India to showcase the strength and capabilities of Indian engineering sector before the global audience. COMESA was the Partner Region in IESS'2014.

The Hon'ble Minister of State for Commerce & Industry, Dr. E. M. Sudarsana Natchiappan inaugurated India Engineering Sourcing Show 2014. IESS had made its debut in 2012 in Mumbai. IESS 2014 was essentially a partnership event focused on collaborative opportunities in 'technology hub' value chain for the manufacturing industry, from SMEs to large scale organizations. IESS 2014 provided a unique opportunity for all companies intending to do business in India and open doors for global cooperation.

Yours sincerely,
