

Exhibitions and Trade Fairs**India**

BIZ-BRIDGE-Resurgent East
International Manufacturing/Engineering Exhibition & Conference
(A B2B Show for Steel, Automobile, Wagon, Power, Chemical, Petrochemical)

Date : 19 - 22 November, 2008

Venue : Science City, Kolkata

The exhibition will endeavour to maximise opportunities through product displays and advertising, industry related information, focused business presentations and discussions, networking between industry and suppliers, new developments and technological innovations, live demonstrations, interactions between users and manufacturers, and buyer-seller meets for business leads.

Organiser : Confederation of Indian Industry (CII), Eastern Region
