*My dear fellow exporters,*

*I participated in the Board of Trade Meeting held on August 27, 2013 and subsequently met the Hon'ble Commerce, Industry and Textile Minister, Shri Anand Sharma and the Commerce Secretary, Shri S. R. Rao in Mumbai. I had detailed discussion on the current economic situation, the Rupee depreciation and have sought various policy promotion measures from the Government particularly the need for Technology Upgradation Fund Scheme for the engineering sector.*

*Yours sincerely,*
