

India Pavilion at Automechanika 2008, Frankfurt, Germany (September 16 - 21, 2008)

Automechanika is the International Leading Trade Fair for the Automotive Industry. This fair is the international meeting point for the automobile industry, automotive parts, components and systems, electronics, supply and maintenance equipment. This is the show where the global automotive industry seeks information about the latest technology and concepts for success in the competitive environment of the future. Automechanika's international significance - all in almost 80% of exhibitors and 40% of visitors originate from other countries - provides interesting opportunities for the global industry. Nowadays, Automechanika is increasingly becoming a platform for original equipment fitters in the automobile industry, distinguished by innovations and new functions, systems and new technologies.

Engineering Export Promotion Council (EEPC) is organizing an India Pavilion at Automechanika 2008, Frankfurt which would provide an excellent opportunity for establishing business relationships with customers from all over the world.
