

Council's Activities

EPC INDIA INVITES PARTICIPATION FOR INDIA PAVILION AT WIN (WORLD OF INDUSTRY) METALWORKING 2013, ISTANBUL, TURKEY (6 – 9 June 2013)

Hall No. 10, Tüyap Fair Convention and Congress Center, Istanbul, Turkey

The Turkish economy has shown remarkable performance with its steady growth over the last eight years. A sound macroeconomic strategy in combination with prudent fiscal policies and major structural reforms in effect since 2002 has integrated the Turkish economy into the globalized world, while transforming the country into one of the major recipients of FDI in its region.

While many economies have been unable to recover from the recent global financial recession, the Turkish economy expanded by 9.2 percent in 2010, 8.5 percent in 2011, and 3% in 2012, thus standing out as the fastest growing economy in Europe, and one of the fastest growing economies in the world. Moreover, according to the OECD, Turkey is expected to be the fastest growing economy of the OECD members during 2011-2017, with an annual average growth rate of 6.7 percent.

World of Industry Metalworking exhibition is a must attend show to discover a complete range of products and services, from machine tools to precision tools, automation components and customized systems; and to learn, network and sign deals at this in-depth showcase for the latest products and trends in Metal Working, Welding and Surface Treatment. This is the largest of its kind exhibition in the entire Eurasian region. WIN 2012 attracted 119,000 professionals from all over the world.

Focus Products

Metalcutting

- Turning machines and automatic lathes
- Drilling machines
- Boring machines
- Milling machines
- Machining centers
- Flexible manufacturing cells and systems
- Grinding machines
- Tool grinding machines
- Gear cutting machines
- Sawing machines, saw blades, parting-off grinders
- Honing, lapping, polishing machines
- Deburring machines
- Surface finishing machines
- EDM machines, metal-removing machine tools

Metalforming

- Sheet metal working machines
- Presses
- Forging machines
- Rolling machines
- Bar, section and tube working machines
- Wire forming machines
- Metal forming (massiv) machines
- Metal spinning and flow forming machines
- Material treatment
- Raw material

Precision tools, tool and mould making

- Abrasive tools
- Tooling systems & devices
- Tool preseters & balancing
- Jig & fixture, engraving machines
- Injection moulding machines, extruders
- Injection & compression moulds, hotrunner system
- Injection moulding tools for thermoplastics
- Blow moulding moulds

Measurements and testing, quality assurance

- Displacement and distance measurement
- Angle and inclination measurement
- Surface measurement, profile and shape measurement
- Three-dimensional measuring machines
- Coordinate and multicoordinate measuring machines
- Measuring robots
- Laser measuring equipment, optical measuring and testing instruments
- Hardness testing machines
- Testing machines for tensile, compression, bending
- Impact testing machines
- Surface testing machines
- Quality assurance software
- Quality information and control systems
- Acquisition of measured data
- Diagnostic systems and test data evaluation
- Automation of test sequences

**Parts, components, accessories and services**

- Industrial electronics, controllers and drives
- Material handling and material flow, assembly, handling
- Storage and transport automation
- Hardware
- Software for industrial applications
- Machine elements, mechanical, hydraulic and pneumatic components
- Lubrication and cooling, disposal
- Service providers, associations, publishers, engineering offices

Details of the Show

Venue: Hall No. 10
Tüyap Fair Convention and Congress Center
Istanbul, Turkey

Date : 6 – 9 June 2013 (4 days)

Display Booth

The in-built booth of minimum 9 sq. mtr. shall contain –

- Augmented stand
- Fascia
- Carpet
- One Round/ square glass top table (700 x700 mm / 700 Dia)
- One lockable counter
- Four chairs
- Four spot lights
- One waste basket

For additional furniture and other requirements, prior intimation has to be made to the EEPC India against payment.

Larger booths in multiple of 3 sq. mtr. are also available.

Participation Charges

Rs. 11,000/- per sq. mtr. (minimum 9 sq. mtr.) for one-side open built-up booths. 10% extra payable for two sides open booth (subject to availability).

Due to limited availability of corner booths, allocation will be done on first-come, first-served basis subject to receiving full payment.

Mode of Payment and cancellation

Full payment should be made along with Application Form, duly filled in latest by **15th May, 2013**. The payment should be made by way of Demand Draft drawn in favour of "EEPC India".

Alternatively, payment can be made through **RTGS/ NEFT, as per details given below:**

Name of Bank	: Punjab National Bank
Branch	: International Business Banking, Kolkata
Address of Bank	: 31, J L Nehru Road, Kolkata – 700 016
Account No.	: 2186000103433450 (Promotional)
Account Name	: EEPC India
NEFT Code	: PUNB0218600

Booking of space will be considered only after receiving 100% payment. 50% cancellation charges applicable if reservation is cancelled before 20th May, 2013. Any cancellation after this date would result in 100% forfeiture.

Acceptance of application and allocation of space will be at the sole discretion of EEPC India.
