

EEPC India invites Participation for India Pavilion at Subcon 2013, Birmingham, UK (4 - 6 June, 2013)

The Subcon Show is the UK's only international show dedicated to subcontract engineering services. It covers everything from machining, electronic assemblies, plastic moulding and metal fabrications through to rapid prototyping, design & build and full manufacturing services that supply finished products and assemblies from scratch.

Subcon is the UK's dedicated contract and subcontract manufacturing exhibition, providing a platform for engineers and manufacturers to compare suppliers and develop new partnerships. Bringing together the best of contract and subcontract manufacturers, leading-edge manufacturing technology and thought leaders and innovators in engineering excellence this is a must-attend event for the whole industry.

Subcon 2013 can be your best opportunity to make new contacts, spend time talking to prospective customers, demonstrate capabilities and products, win the confidence of new customers, generate enquiries and forge new partnerships and retain your existing customers.

EEPC INDIA is organizing an India Pavilion at Subcon 2013 which would provide an excellent opportunity for business relationships with customers from all over the world.
