

## Council's Activities

### **EEPC India Invites Participation for India Pavilion at JIMEX 2013, Amman, Jordan (3 - 6 June 2013)**

JIMEX 2013 is the 10th International Machinery & Electro-mechanical Exhibition held in Amman, Jordan. The Exhibition is organised by Golden Gate for Organization of Exhibitions and Conferences Services and Jordan Engineers Association. The exhibition will be focusing on Machinery, Electricity Automation, HVAC & Water Technology, Energy, Renewable Energy and Industrial Supplies.

Amman is also the gateway to nearby markets like Syria, Iraq, Palestine and others because of Jordan's strategic location, open relationships with neighboring countries and business friendly laws for foreign investors. Jordan is very attractive for foreign investments. JIMEX already a benchmark and the only event for machinery and electricity under one roof in Jordan meets not only the needs of the Jordanian and Middle East markets, but increasingly also shows to have a strong regional and international appeal. JIMEX 2013 will be very special due to the fact that this event is organized under the slogan: "10 Years of Growing – 10 Years of Success...." More than 500 trademarks are attending in this event direct or indirect through more than 200 exhibitors participating that will occupy 30,000 square meters, the total space of the fairgrounds of AIMS Venue (including 11000 covered Halls, 3000 outside show and 16000 Sq for cars parking).

According to the auditing reports of the last three editions of JIMEX, thousands of trade visitors are attending this event. JIMEX is the event of professionals and trade visitors. The attendants profile is covering the trade visitors, experts, engineers and businessmen from the infrastructure sectors, industries, electrical utilities, water authorities, contracting and consultancy firms, official organizations and institutes. The record of the countries of JIMEX visitors also exhibitors is including Jordan, Palestine, Iraq, Egypt, Saudi Arabia, Turkey, Gulf Countries, Europe, China and India. JIMEX 2013 will have around 7000 professional and trade visitors.

In order to reach full potential for economic and social development, the Jordanian government has focused on developing the Industrial sector, it provides the majority of new jobs and produces much of the creativity and innovation that fuels economic progress. The main industrial sectors of Jordan – Manufacturing and Mining contribute about 18% and 2% respectively of GDP.

This shows that there is a great potential to tap the growing market. Indian engineering exports to Jordan stood at US\$ 73.14 million in 2011-12, an increase of 63.18 % compared to US\$ 44.82 million engineering exports from India to Jordan in 2010-11.

#### **Exhibiting Sectors**

##### **Machinery**

- Industrial Machines
- Production Lines
- Wood Working Machines
- Construction Heavy Machines
- Compressors, Fans & Blowers
- Nitrogen Compressors
- Turning Machines (Lathes)
- Drilling, Boring, Milling and Grinding Machines
- Sawing and Cutting Machines
- Screwing and Threading Machines
- Packaging Machines
- Welding and Gas Cutting Machines
- Cutting and Forming Tools
- Plain Bearings and Anti-friction Bearings
- Hydraulic and Pneumatic Systems
- Conveyor Belts & Transportation Machines
- Cranes Forklifts and Lifting Machines
- Storage Systems
- Lifts & Escalators
- Stores & Metal Construction Systems
- Tools and Industrial Supplies

## Electricity

### Automation and Installation

- High, Medium & Low Voltage Switchgear
- Transformers, Generators & Motors
- Distribution & Control-gear
- Installation Technique and Equipment
- Protection Equipment and Systems
- Control, Motion, Drive and Automation
- Programmable Logical Controllers (PLC)
- Instrumentation & Metering
- UPS Systems
- Computers & Software for Machines and Industries
- Variable Speed Drives
- Power, Communication and Control Cables
- Lighting
- Automation for Storage and Transportation
- Fire Alarm Systems
- Electrical & Mechanical Training Equipment
- Track Light Systems

### Energy and Renewable Energy

- Solar Technologies (PV, Solar Heating & Cooling)
- Wind generation and Smart Grid
- Energy Production Utilizing Renewable and Future Primary Energy Sources
- Rehabilitation of Power Generation Units
- Energy Saving Management
- Energy Efficient HVAC & R
- Mechanical Energy Saving
- Isolation Material

### HVAC & Water Technology

- Air-conditioning Systems
- Boilers and Radiators
- Solar Heaters
- Pumps, Fans
- Chillers and Central Air-conditioning
- Industrial Refrigeration
- Refrigeration Room

### Water & Gas Technologies

- Water Treatment Systems
- Valves and Flow Meters
- Control Systems for Pumps
- (BMS) Building Management Systems
- Gas Technology and applications
- Filters, Fans and Instrumentation

### Security and Safety Systems

- Cameras and Monitoring Systems
- Safety Equipment and Systems
- Fire Fighting Systems
- Engineering Software and Books
- Training and Lab Equipment

## Venue

Halls of Amman International Motors Show Center (AIMS)  
Near Ministry of Foreign Affairs  
Amman, Jordan

## Date of Event

3 – 6 June, 2013 (four days)

Opening hours: Monday, 3<sup>rd</sup> June, 2013 to Thursday, 6th June 2013 from 16.00 to 22.00 hours.

## Participation Charges

- One side open booth – INR **14,000** per sq. mtr. (Built-up booth of 9 SQM.)
- 10% extra for 2 sides open booth (subject to availability)

### Mode of Payment

Full payment is to be made by

- ❖ Demand Draft/at par Cheque favouring "EEPC INDIA" along with the duly filled-up Application Form  
OR

- ❖ Through RTGS/ NEFT, as given herein below:

Name of Bank : Punjab National Bank  
Branch : International Business Banking, Kolkata  
Address of Bank : 31, J L Nehru Road, Kolkata – 700 016  
Account No. : 2186000103433450 (Promotional)  
Account Name : EEPC India  
NEFT Code : PUNB0218600

### Date of Payment

Full payment is to be made along with the Application Form latest by **Monday, 7th May 2013**.

### Cancellation of Participation

Request for cancellation of participation will be accepted if EEPC India receives the same in writing on or before **Monday, 7th May 2013** EEPC India shall not entertain any cancellation afterwards. Any cancellation after the due date shall result in forfeiture of the amount already paid on this account.

### Display Booth

Each 9 sq. mtr. booth will consist of :

- Carpeted floor
- One round table
- One counter
- Three chairs
- Three spot lights
- One plug sockets
- One wastepaper basket
- Fascia

### Selection Criteria

Selection of participants will be done after receiving full payment strictly on **first-come, first-served** basis.

### MDA Entitlements

All eligible participants will be entitled to MDA grant under Focus WANA Area Programme of Ministry of Commerce & Industry, Government of India as per the MDA Guidelines effective from April 01, 2006.

Assistance would be permissible on travel expenses by Air in Economy Excursion Class fare and/or charges of built up furnished stall subject to an upper ceiling of **Rs. 1,50,000/-** (Rupees One Lakh Fifty Thousand only).

Further, eligibility for MDA grant is subject to exporting companies having FOB value of exports up to Rs. 15 crores in the preceding year, having complete 12 months membership with EEPC India with regular filing of returns and fulfilling other conditions, details of which can be obtained from respective Regional Offices of EEPC India.

### Submission of Application

Interested firms may please send the Application Form, duly filled in and signed, along with full payment latest by **Monday, 7th May 2013** to the respective Regional Offices or to:
