**Chairman's Pen**

*My dear fellow exporters,*

*The Council has received complaints from some of our members that they are unable to receive Drawback through RTGS/NEFT if the name of their company have some special character like brackets ( ). We have taken up the matter with the concerned Department of the Ministry of Finance.*

*EEPC India has now been informed that this problem has been reported in case of State Bank of India only and has nothing to do with the Customs EDI Systems. The Customs has taken up the matter with the State Bank of India who have stated that they would make appropriate changes in their process for transferring money through RTGS/NEFT so that such errors do not re-occur.*

*Further, the Department has also informed us that ICEGATE has now launched an enquiry where-by the exporters can check Shipping Bill wise Drawback amounts sanctioned to them during 30 day period at any Customs location in the country by entering their **IEC number as user-name and PAN No. as password**. You can use **this facility on <http://www.icegate.gov.in>**.*

*This is for your information.*

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Aman Chadha'. The signature is stylized and cursive.

**(AMAN CHADHA)**

## Council's Activities

### **EEPC India Invites Participation for India Pavilion in BIET 2013, Dhaka, Bangladesh (10 – 13 April, 2013)**

**BIET 2013** (Bangladesh International Industrial Engineering Tradeshow and Symposium) is the 4th International Tradeshow & Symposium for the engineering and industrial industry. The show is jointly organized by ASK Trade & Exhibitions Pvt Ltd, India and Bangladesh Engineering Industry Owners' Association (BEIOA), which is an apex body of Engineering Industry and Entrepreneurs of Bangladesh. The 3rd edition of the exhibition organized in the year 2012 had over 8,600 business visitors. BIET 2013 has a concurrent show "SOLAR POWER Bangladesh", the 3rd International Solar Products & Technology Trade Show which is an important component under the renewable energy sector of the country. BIET 2013 aims to act as a catalyst in exposure of emerging technologies, adaptation of innovative concepts and technical expertise. It will serve as a bridge between the consumers of technology and creators of machinery in helping both to understand each other's needs to upgrade and modernize.

Engineering sector especially light engineering plays a crucial role in the growth of Bangladesh economy. Light engineering sector comprising mainly of SMEs acts as a feeder to key national industries and plays a vital role in the socio-economic development of the country. The Small and Medium Enterprises in Bangladesh contribute up to 25% of national gross domestic product about 40% of gross manufacturing output; 80% of industrial jobs and around 25% of the total labour force of the country.

EEPC India is organizing an **India Pavilion at BIET 2013** scheduled to be held during 10 - 13 April, 2013 at Dhaka, Bangladesh. This will be an excellent platform to update on products, technologies and trends in the relevant industry and sectors. It will, also, provide an excellent networking opportunity – interaction with key decision makers, developing business relations with manufacturers, customers, intermediaries.

## EEPC India Invites Participation for India Pavilion at WETEX 2013, Dubai, UAE (15 – 17 April, 2013)

The 15th Water, Energy, Technology and Environment Exhibition (**WETEX**) 2013 supports the objective of sustainable development, and is focusing on various sectors and segments of green technology with a wide variety of displays, seminars and technologies with insights from international experts from around the world.

**WETEX** will also feature a range of green initiatives, which DEWA and other organizations are committed to, at SmarTech. In support of the UAE strategy for green development, which focuses on the promotion and development of green technologies, SmarTech offers a great opportunity to demonstrate Dubai's commitment to reducing waste and protecting the environment from pollution.

EEPC INDIA is organizing an **India Pavilion at WETEX 2013**. This will provide an excellent opportunity to the Indian exporters to know about the green tech market of Middle east, and forge strong links with the potential buyers of the region.
