

## Council's Activities

### EEPC India Invites Participation for India Pavilion in BIET 2013, Dhaka, Bangladesh (10 – 13 April, 2013)

**BIET 2013** (Bangladesh International Industrial Engineering Tradeshow and Symposium) is the 4th International Tradeshow & Symposium for the engineering and industrial industry. The show is jointly organized by ASK Trade & Exhibitions Pvt Ltd, India and Bangladesh Engineering Industry Owners' Association (BEIOA), which is an apex body of Engineering Industry and Entrepreneurs of Bangladesh. The 3rd edition of the exhibition organized in the year 2012 had over 8,600 business visitors. BIET 2013 has a concurrent show "SOLAR POWER Bangladesh", the 3rd International Solar Products & Technology Trade Show which is an important component under the renewable energy sector of the country. BIET 2013 aims to act as a catalyst in exposure of emerging technologies, adaptation of innovative concepts and technical expertise. It will serve as a bridge between the consumers of technology and creators of machinery in helping both to understand each other's needs to upgrade and modernize.

Engineering sector especially light engineering plays a crucial role in the growth of Bangladesh economy. Light engineering sector comprising mainly of SMEs acts as a feeder to key national industries and plays a vital role in the socio-economic development of the country. The Small and Medium Enterprises in Bangladesh contribute up to 25% of national gross domestic product about 40% of gross manufacturing output; 80% of industrial jobs and around 25% of the total labour force of the country.

EEPC India is organizing an **India Pavilion at BIET 2013** scheduled to be held during 10 - 13 April, 2013 at Dhaka, Bangladesh. This will be an excellent platform to update on products, technologies and trends in the relevant industry and sectors. It will, also, provide an excellent networking opportunity – interaction with key decision makers, developing business relations with manufacturers, customers, intermediaries.
