

## Chairman's Pen

*My dear fellow exporters,*

*I will be meeting with the Hon'ble Finance Minister on January 16, 2013 to discuss the Pre-budget suggestions. Given the paucity of time during such meetings, I would be raising only a couple of important issue like TDS on Foreign Agent's Commission, 20% Export Duty on Galvanized Steel etc. for redresal by the Government.*

Yours sincerely,
