

Chairman's Pen

My dear fellow exporters,

EEPC India will be hosting its 26th INDEE at Parc des Expositions de l'Office des Changes (OCEC) Route d'El Jadida, Casablanca, Morocco from 13th to 15th December, 2012. Nearly 100 companies will be participating at this exhibition. This is the 26th INDEE that the Council is hosting and is a reflection of our commitment to diversify exports into different markets of the world so that engineering exports can pick up.

Yours sincerely,
