ENGINEERING EXPORT BULLETIN

WEEKLY NEWSLETTER VOL. 9 ISSUE NO. 39 SEPTEMBER 24, 2007

Highlights

INDEE - St. Petersburg, 2008, Russia

EEPC is organising an Indian Engineering Exhibition (INDEE) in St. Petersburg, Russia from 11th to 14th March, 2008. Members are requested to register their participation within **15th November, 2007**.

Manufacturing Indonesia 2007, Jakarta, Indonesia

EEPC is inviting participation for Manufacturing Indonesia 2007 (18th International Manufacturing Engineering Fair), Jakarta, Indonesia to be held on 5-8 December, 2007. Members are requested to enlist their participation within **30th September, 2007**.

Multi-Product Engineering Delegation to Algeria and Morocco

EEPC is inviting participation for Multi-Product Engineering Delegation to Algeria and Morocco to be held on 18-23 November, 2007. Members are requested to register their participation within **30th September, 2007**.

Govt. Circulars/ Notifications

Circular No. 28/2007-Cus. dated 14th August, 2007 – Clearance of imported metal scrap-procedure.
Notification No. 102/2007-Customs dated 14th September, 2007 – Exemption granted to Additional Customs Duty on imported goods.

Export Awareness Seminar on FOCUS CIS Market held in Faridabad on 20th September, 2007.

Chairman's Pen

My dear fellow exporters,

After nearly five months since it was announced by the Commerce Minister, Shri Kamal Nath, the Central Board of Excise & Customs (CBEC) issued Notification No. 40/2007-Service Tax dated September 17, 2007, providing refund of service tax paid by exporters on four taxable services : (i) Port Services provided for export (ii) Other port Services provide for export (iii) Services of transport of goods by road from ICD to port of export provided by Goods Transport Agency; and (iv) Services of transport of export goods in containers by rail from ICD to port of export. Clearly, this Notification is highly inadequate and a half hearted attempt to simply keep a progressive policy commitment of by the Hon'ble Commerce Minister on April 19, 2007.

A whole range of services including whether input credit can be claimed on service tax paid on transportation of export goods from the factory gate to the port of shipments, need to be addressed and exempted for exporters to ensure competitiveness of Indian engineering goods. This is more so when the Rupee has, once again, begun its northward march and has breeched the Rs. 40 mark last week, thereby jeopardizing the competitiveness of our exports considerably.

The Council would like to assure the members that it has taken up the issue of Rupee appreciation with the Government outlining a series of suggestions to stabilize the situation. This apart, we will be discussing the issue of full convertibility of the capital account with senior experts to understand whether we should recommend full convertibility of the Rupee to make our exports more cost competitive. I do realize that in the given circumstances, the situation for the small and medium sector members are the worst, given the fact that the Government tends to respond so inadequately to the pressing problems of exporting community. Nonetheless, the Council is keeping the Ministry of Commerce & Industry updated on the problems being faced and has already forwarded suggestions on a range of issues, including the need to maintain competitive freight rates and the need for a raw material policy for competitive supply of raw materials for the SME sector.

Yours sincerely,

(RAKESH SHAH)

ENGINEERING EXPORT PROMOTION COUNCIL

Invites Participation in

**INDEE - St. Petersburg, 2008
(Indian Engineering Exhibition)**

March 11 - 14, 2008

**In association with
Petersburg Technical Fair**

At

**Lenexpo Fair Grounds in Gavan
St. Petersburg
Russia**

Preamble

EEPC India endeavours to foster exports of India's state-of-the-art Engineering Industry into the global market.

Accordingly, EEPC is pleased to announce one of its major events – INDEE, St. Petersburg – to be held in Russia at Lenexpo Fair Grounds in Gavan, St. Petersburg, Russia during 11-14 March, 2008. This is a major step forward to enter into the Russian market.

Council is organizing this **INDEE** in association with **Petersburg Technical Fair**, organized by M/s. RESTEC Exhibition Company, established in 1990 and is one of Russia's top five exhibition companies. RESTEC holds over 100 events including about 20 Russian collective expositions at the international exhibitions in Germany, France, UK, Italy, Finland, Sweden and other countries on the annual basis. RESTEC's exhibition activity in Russia have been awarded by Russian Federal Ministries.

Petersburg Technical Fair is international specialised exhibitions held simultaneously under one roof – Metallurgy, Casting, Tools, Metalworking technology, Compressors, Pumps, Valves and Bearings.

Over 300 companies from 16 worldwide countries participated in Petersburg Technical Fair during March 2007. More than **10,500 visitors** from **150 Russian Cities** and **12 Countries** visited this mega event.

Council has booked **2500 sq. mtrs.** of space in **Hall No. 8A** of Lenexpo Fair Grounds at St. Petersburg.

India has been declared "Partner Country" at this Exhibition.

About Russia

Russia ended 2006 with its 8th straight year of growth averaging 6.7% annually since the financial crises of 1998. Although high oil prices and a relatively cheap Rouble initially drove this growth, since 2003-04 consumer demand and, more recently, investment have played a significant role. A number of important reforms in the areas of tax, banking, labour and land codes have raised investor confidence which led to surge in FDI to 14.6 billion US\$ in 2005.

India and Russia :

Russia and India enjoy long standing historic relations. Immediately prior to the collapse of the Soviet Union, India was the largest trade partner. However, after its disintegration, total trade between India and Russia dropped drastically. Since 2001-02 there has been no growth in India's overall export to Russia. However, there has been a surge in import from Russia to India. Since 2003-04, India's trade balance with Russia is negative and on the rise.

In the engineering sector a growth is observed in export from India to Russia – 68% in 2005-06 over 2004-05. The major areas of growth are :

- Manufactures of Metals;
- Transport Equipments;
- Items of Iron and Steel.
- Machinery and Instruments;
- Machine Tools;

In view of the present economic boom in Russia, imports to Russia are increasing significantly. In order to increase India's share in Russia's global imports, it is being planned to organize an exclusive Indian Engineering Exhibition (INDEE) in St. Petersburg.

Product Sector

INDEE - St. Petersburg will be focusing mainly on the following industry sectors :

- Electric Home Appliances & Parts
- Automobile & Components
- Primary Iron & Steel
- Bicycle & Parts
- Industrial Machinery
- Electrical Power Equipments
- Food Processing Machinery
- Textile & Jute Mill Machinery
- Pumps & Compressors
- Cranes
- Lifts & Winches
- Castings
- Forgings
- Fasteners
- Machine Tools
- Cutting Tools
- Heating & Cooling Equipments
- Utensils & Kitchen Wares
- Tractors & Agricultural Equipments
- Primary Aluminium & Aluminium Products
- Ferro Alloys
- Construction Machinery
- Commercial Vehicles
- Wires & Cables
- Knitting Machinery
- Pharmaceutical Machinery
- Transmission Line Towers & Parts
- Railway Track Materials
- Steel Pipes & Tubes
- Dry & Storage Batteries
- Hand Tools
- I.C. Engines & Parts
- Mica & Mica Products
- Scientific & Surgical Instruments
- Sewing Machines
- Defence Equipments and Supplies

Date of Exhibition

Date : March 11-14, 2008

Venue of the Exhibition

Lenexpo Fair Grounds in Gavan
St. Petersburg
Russia

Display Booth

Built up booth of minimum 9 sq. mtrs. are available which includes :

1 Round Table, 3 Chairs, 1 Waste Paper Basket, 3 Spot Lights, Fascia, One 10 Amp. Electrical Socket, Carpet.

Larger booth in multiple of 3 sq. mtrs. are also available.

Participation Charge

One side open booth : Rs. 19,000/- per sq. mtr.

Two side open booth : Rs. 20,900/- per sq. mtr.

Early bird discount of Rs. 10,000/- will be provided to the companies who will confirm their bookings up to 31st October, 2007.

Due to limited availability of 2 side open booths, allocation will be done on first-come-first-served basis subject to receiving full payment.

Payment & Cancellation

Full payment should be made along with **Application Form**, duly filled in latest by **15th November, 2007**. The payment should be made by way of **Demand Draft** drawn in favour of "**Engineering Export Promotion Council**" payable at **New Delhi**.

Reservation requests will be considered only after receiving 100% payment. 50% cancellation charge applicable if reservation is cancelled before 15th December, 2007. Any cancellation after this date would result in 100% forfeiture. Acceptance of application and allocation of space will be at the sole discretion of the Council.

Shipment of Exhibits

In order to facilitate shipment of exhibits, Council will appoint a Shipping Agent.

Selection Criteria

Final selection of the participants will be done by a Committee based on the criteria such as Accreditation to the International Standards (like ISO, QS, etc.) foreign collaboration, annual export, and exports to Russia.

Travel and Hotel Accommodation

Council will assist participants in locating suitable air lines and hotels at St. Petersburg, Russia at negotiated rates through accredited Travel Agents. However, participants are free to stay and travel through their own agencies.

Visa

Council will issue a recommendation letter for the representatives of the company participating in INDEE for the grant of visa to visit St. Petersburg for the show. EEPC will not give any guarantee for the grant of visa to any participant, as this is the sole discretion of the Russian High Commission in India.

MDA Grant

All eligible participants will be entitled to MDA grant under Focus CIS Programme of the Ministry of Commerce, Government of India as per the MDA Guidelines effective from April 01, 2006.

Assistance would be permissible on travel expenses by Air in Economy Excursion Class fare and/or charges of built up furnished stall subject to an upper ceiling of Rs. 1,50,000/- (Rupees One Lakh Fifty Thousand only).

Further, eligibility for MDA grant is subject to exporting companies having FOB value of exports up to Rs. 15 crores in the preceding year, having completed 12 month membership with EEPC with regular filing of returns and fulfilling other conditions, details of which can be obtained from respective Regional Offices of EEPC.

Submission of Application

Interested firms may please send their **Application** (as per enclosed format) duly filled in and signed, along with payment latest by **15th November, 2007** to :-

EEPC Invites Participation for Manufacturing Indonesia 2007 Jakarta International Expo Kemayoran (5 - 8 December, 2007)

Major opportunities in Manufacturing Indonesia 2007 series (18th International Manufacturing Engineering Fair)

Manufacturing Indonesia, the only established truly international event for South East Asia's biggest industrial market has traditionally been a sold out event at the Jakarta International Expo Kemayoran. Keeping in view the overwhelming response from the exhibitors from 35 countries since, 2004 the organizers have had to provide an additional temporary hall to accommodate exhibitor demand. Keeping in mind the demand for the space in the exhibition, authorities have build a new large exhibition hall, for the 2007 event, which will allow the event to grow both in size and stature.

Major opportunities in Indonesia's Manufacturing Industries

The importance of the manufacturing sector is reflected in the 30.5% growth in the import of the Capital Goods and supporting industrial equipment worth over US\$58 billion in 2005. Indonesia's manufacturing industries have grown by 28% since the end of the Asian financial crises in 2000 with a 5.6% growth predicted for 2006 and 8.3% by 2009. The manufacturing Indonesia Series of international exhibitions has been developed and refined since it's inception in 1987 and now the exhibitions reflects the major opportunities in Indonesia's industrial development.

Just in time

With GDP growth targets of 6.2% for 2006 and 7.2% by 2009 and the manufacturing sector responsible for 40% of the GDP the organizers of Manufacturing Indonesia say that the participants of exhibition will get maximum exposure & opportunities.

Impressive Growth

Manufacturing Indonesia has increased in size every year since the Asian financial crises of late 90's. The exhibition has grown by 40% in the last three years alone.

More Visitors

Held alongside Indonesia's premier packaging, printing, plastics & rubber exhibitions. Manufacturing Indonesia 2007 exhibitors will benefit from approximately **5,500** extra visitors who traditionally re-register to also visit Manufacturing Indonesia besides **26000** industrial professional and decision makers who attended in 2006.

Focus Products

Main focus of the Council would be on the following items :

Metal : Machine tools and equipment; forming machines; hand-operated tools; manual non-mechanized tools; metal surface finish equipment; welding machines and additional materials; machines and equipment for fine mechanics and optics; and machines for other metalworking products.

Materials and components for mechanical engineering : Metallurgical semi-products, forgings, pressings, castings, and work pieces; connecting materials, fittings, and products of wire; steel and tube structures; apparatuses, vessels and tanks; seals and bearings; gears, clutches, brakes, and lubricating technology.

Machinery and accessories for the packing and printing, material handling, vehicle manufacturing and automotive technology, automation technology & environmental technology, plastics, rubber technology & chemical industry; machines and equipment for plastics and rubber processing; semi-products, intermediates, lubricants, oils, coating compositions, cements, and adhesives; chemicals for industrial products.

Venue

Jakarta International Expo Kemayoran, Jakarta, Indonesia

Date

5 – 8 December, 2007

Participation Charges

Built-up booths minimum 9 sq. mtrs. : Rs. 14,500/- per sq. mtr.

Display Booth

Participation charge includes following services :

- 1 unit of system reception desk
- 1 unit of waste paper basket
- 1 unit of 2 Amp single phase power point
- 2 units of folding chairs
- 4 units of 100 watts spotlight
- 1 unit podium (wooden construction with spray paint finish [size : 600 mm (D) x 150 mm (H)])

Mode of Payment

Full payment is to be made by Demand Draft/at par Cheque favouring “Engineering Export Promotion Council” along with the filled-up Application Form.

Date of Payment

Full payment is to be made along with the Application Form **latest by 30th September, 2007.**

Selection Criteria & Early Bird Incentive

Since limited space is available, selection of participation will be done strictly on *first-come-first served* basis. Only four corner booths available which will be strictly on first-come-first served basis.

MDA Entitlement

All eligible participants will be entitled to MDA grant under Focus ASEAN Programme, as per the MDA Guidelines effective from April 01, 2006. Assistance would be permissible on travel expenses by Air in Economy Excursion Class fare and/or charges of built up furnished stall subject to an upper ceiling of Rs. 1,50,000/-. The eligibility for MDA grant is subject to FOB value of exports up to Rs. 15 crores in the preceding year, and having complete 12 months membership with EEPC with regular filing of returns and fulfilling other conditions, details of which can be obtained from respective Regional Offices of EEPC. Interested firms may please send the **Application Form**, duly filled in and signed, along with full Payment **latest by 30th September, 2007** to the respective Regional Offices or to :

EEPC Invites Participation at Multi-Product Engineering Delegation to Algeria and Morocco (18 - 23 November, 2007)

The Council is pleased to announce the fielding of a Multi-Product Engineering Delegation to Algeria and Morocco during 18th to 23rd November, 2007.

Algeria

Algeria is running substantial trade surpluses and building up record foreign exchange reserves. Real GDP has risen due to higher oil output and increased Government spending.

India's Engineering Export to Algeria is increasing in a decent proportion during last 3 years. Our exports during 2005-06 was US\$174.16 million against US\$151.63, showing an increase of 14.86% over the performance during 2004-05, whereas our exports during 2006-07 was US\$246.96 million registering a growth of 41.80% over the performance during 2005-06. Although India's engineering exports to Algeria have shown a continuous growth during last 3 years, its share in the overall imports of engineering goods into Algeria remains 1.5% approximately. It shows that there is much more potential for increasing export of engineering goods from India to Algeria.

Morocco

Morocco is a fairly stable economy with continuous growth over the past half-a-century. It is considered liberal economy governed by the laws of supply and demand. The economic system of the country presents several facets. It is characterized by a large opening towards the outside.

Bilateral trade between India and Morocco was to the tune of US\$583.88 million during 2005-06 showing an increase of 23.02% over previous year and the figures for 2006-07(April-December) touched US\$500.00 million. As far as India's engineering export to Morocco is concerned, it is showing an increase of 36.47% during 2005-06 over the performance in previous year and 23.00 % increase during 2006-07 over the performance during 2005-06. In spite of continuous growth in India's engineering export to Morocco, our share remains less than one percent i.e. 0.63% of total engineering imports into Morocco. Hence, there is good scope for enhancing India's engineering export to Morocco.

List of Potential Products

1. Complete Vehicles (Cars, Trucks, Buses etc.)
2. Automobile Components and Accessories
3. Pipes, Tubes and Hollow Profiles of Iron and Steel & Fittings thereof
4. Flat Rolled Products of Iron & Steel
5. Hot Rolled Bars and Rods of Steel
6. Stranded Wire, Ropes and Cables
7. Table/Kitchenware and other domestic articles of Iron & Steel
8. Electrical Machinery & Equipment including Transformers, Static Converters etc.
9. Other Industrial Machinery having individual functions
10. Pumps and Accessories
11. IC Engine and Parts
12. Refrigerators, Freezers and other Refrigerating & Freezing Equipment
13. Medical and Surgical Instruments
14. Laboratory Equipment
15. Bearings
16. Hand Tools
17. Industrial Fasteners
18. Tractors
19. Machinery (particularly agricultural, food processing and printing)
20. Dish Washing Machines, Grinding Machines and Machines for filling, closing, sealing, labeling boxes, bags/containers etc.

Date and Duration

Algeria : 18th to 20th November, 2007
Morocco : 21st to 23rd November, 2007

Hotel Accommodation/Travel Expenses

All participants will be booked in the same hotel for convenience. Hotel charges, air ticketing and visa fees etc. will be borne by the individual participant. The Council will suitably recommend for obtaining desired visas.

Registration and Participation Charges

Rs. 30,000/- per participant will be charged to partially cover the expenses on providing following facilities to the participants :

- Airport transfer
- Local transport for joint meeting and BSM
- Venue expenses, working lunch expenses on the day of BSM
- Preparing database for marketing purpose
- Mobilization of buyers in Algeria and Morocco
- Printing of delegates profile booklet for distribution among the Buyers, Chamber of Commerce, Trade Associations, and Embassies etc.

Other individual expenses like hotel charges, food expenses (other than the one lunch provided by the Council at each centre on the day of BSM), transport expenses for individual meetings/factory visit (if arranged by delegates) will be borne by the delegates.

MDA Entitlement

Participants will be eligible to & fro air passage in economy excursion class up to Rs. 70000/- only as per revised MDA Guidelines. Only one person per company will be entitled.

Selection Criteria

In view of limitations on number of participants (12 only) selection of participants will be done strictly on first-come-first served basis.

Cancellation of Participation

Any request for cancellation after confirmation will not be entertained and will amount to forfeiture of the payment made to the Council on account of participation charges.

Interested member firms are requested to send the Registration Form duly filled in along with the Demand Draft for Rs.30,000/- in favour of "Engineering Export Promotion Council" payable at New Delhi **latest by 30th September, 2007**. An early confirmation for participation by members will facilitate us in fixing up most appropriate one-to-one business meetings with their counterparts for a fruitful result in the above markets.

Hence please send the Registration Form, duly filled in along with participation fees latest by **30th September, 2007** to :

A. A. Kazmi
Deputy Director
Engineering Export Promotion Council

Overseas Market Information

Saudi Arabia

Export Business Opportunities

The Council has received a communication from Shri Rajeev Shahare, Minister/Dy. Chief of Mission, Embassy of India, Riyadh, stating that Saudi Arabia has embarked upon an ambitious plan to expand its various sectors through numerous big scale projects including the mega economic cities at Rabigh, Hail, Jizan, and Tabuk, besides the Knowledge Economic City at Madinah and King Abdullah Financial District at Riyadh. Given the economic boom which Saudi Arabia is experiencing fuelled by ever increasing oil prices, the Kingdom registered budget surplus of US\$68 billion in 2006 and is expected that the same will be US\$92 billion this year. With ample financial resources at its disposal, and given the predisposition of King Abdullah towards developmental activities, the Kingdom has grand business opportunities to offer.

In this connection, a list of mega projects in various sectors which are being undertaken in the Kingdom and are in various stages of development, as received from Mr. Shahare, is given below :-

Mega Projects in Saudi Arabia

Sl. No.	Sector	Location	Production Capacity	Estimated Cost (US\$ Billion)	Scheduled Completion	Awarding Agency
1.	Oil & Gas	Expansion	KhursaniyahShaybah, Khurais, Manifa, Shaybah-II	20	2007-09	ARAMCO
2.	Oil & Gas	Gas Initiative	South Ghawar, Red Sea and Shaybah in Empty Quarters	11	2010	ARAMCO

Circular No. 28/2007-Cus.

Dated 14th August, 2007

Clearance of imported metal scrap-procedure regarding.

I am directed to invite your attention to the Board's Circular No. 56/2004-Cus dated 18th October, 2004, as amended on the above mentioned subject. As per the changes in the Handbook of Procedure (Vol. I) *vide* DGFT Public Notice No. 19 (RE-2007)/2004-2009 dated the 16th July, 2007, the Board hereby makes following amendment in the Circular No. 56/2004-Cus, as amended dated 18.10.2004.

In para 5(ii), the entry number 12 i.e. 'ICD, Tughlakabad, New Delhi' in the list of 18 customs stations, shall be substituted by the following :

"12. ICD Loni, Ghaziabad"

2. It may also be noted that the Public Notice No. 19 (RE-2007)/2004-2009 dated the 16th July, 2007 provides that the new System of import from registered sources will come into effect from 1.4.2008 and imports will be allowed on the basis of Pre-shipment Inspection regime, till the new system comes into effect. Further, transitional arrangements as per para 1.4, 1.5 of Foreign Trade Police will apply to the changes made in the said Public Notice No. 19 of 16.07.2007. Accordingly the Commissioner of Customs, ICD Tughlakabad may allow clearance of goods where irrevocable letter of Credit is established before the date of above change.

3. The above information may be brought to the notice of the Trade immediately through appropriate Public Notice.

4. Receipt of this Circular may kindly be acknowledged.

Central Board of Excise & Customs
New Delhi

Circular No. 32/2007-Cus.

Dated 10th September, 2007

Classification of Digital Still Image Video Camera - Admissibility of Notification benefits - reg.

It has come to the notice of the Board that divergent practices are being followed by field formations regarding classification of 'Digital Still Image Video Camera' and consequent import duty exemption benefits. The doubt raised in the field formations was whether 'digital camera with still image as well as moving image capability' would be eligible for exemption benefit under the entry as 'Digital Still Image Video camera'.

2. Prior to 1.1.2007, tariff Item 8525 40 00 of the Customs Tariff Act (CTA) 1975, covered "still image video cameras and other video camera recorders; digital cameras". According to Harmonized System (HS) Explanatory Notes (Third edition, 2002), the apparatus of sub-heading 8525.40 consisted of a combination of video camera and a video recording or reproducing apparatus; these apparatus record the images taken by the camera. All types of digital cameras perform these functions. With effect from 1.1.2007, based on HS 2007 changes, all digital cameras have been grouped under tariff item 8525 80 20 of the Customs Tariff Act, 1975 as 'digital cameras'. However, 'Video Camera Recorders' are separately classifiable under Tariff Item 8525 80 30.

3. Import duty exemption was extended to 'Digital Still Image Video camera' falling under sub-heading 8525.40, vide entry at Serial Number 314 of Notification No.21/2002-Customs dated 1.3.2002. This exemption is presently covered under Serial Number 13 of Notification No. 25/2005-Customs dated 1.3.2005. Since the notification entry at Sl. No. 314 of Notification No.21/2002-Cus. dated 1.3.2002 used the words 'video' as well as 'still image', there was a doubt in the field formations whether this entry covers such digital cameras which are capable of both still image photography as well as video film shooting.

4. This issue was deliberated at the Conference of Chief Commissioners' on Tariff and Allied Matters in 2006, wherein it was decided that only those digital cameras that record still images on Video format are covered under the description of the exemption entry i.e. 'digital still image video cameras'. However, to ensure uniformity, it was decided that the Board would issue a circular in this regard. The minutes of this Conference were circulated to the field formations.

5. The WCO has clearly outlined the features of the Digital Video camera. Such cameras have been described as Digital cameras that capture light images, convert them to digital electronic signals and then record such digital image data on internal or removable media (built-in memory or diskettes). These images can be reproduced by connecting the camera to a video monitor (or TV), an ADP machine, or by inserting the media in the ADP machine. This type of digital cameras can produce both video signals (e.g., NTSC, PAL, SECAM or other similar video format) and computer readable image data like MPEG.

6. The term 'Video' relates to recording, reproducing or broadcasting of visual images. It is a technology of electronically capturing, recording, processing, storing, transmitting, and reconstructing a sequence of still images representing scenes in motion. The term "Still image video" camera covers the types of camera that take still images and stores them as single frame of video. These single video frames, when reproduced at a specified frame rate achieve an illusion of a moving image. The minimum frame rate is about fifteen frames per second. The term 'digital still image video camera' covers only digital

cameras that have the capability of taking still images. This would also include digital cameras that take moving images for limited period of time although they are primarily still image cameras. Such cameras fall under tariff item 8525 80 20. However, digital cameras that can take both still images and moving images like Camcorder or video recorder falling under Tariff item 8525 80 30 shall not be covered under the said entry. Digital still image video cameras can also be differentiated from the still cameras of heading 9006 i.e. photographic film cameras. Cameras of this type are also not eligible for the benefit of these notifications.

7. It is accordingly clarified that the benefit of entry at Sl. No. 314 of notification No. 21/2002-Cus. as well as Sl. No. 13 of Notification No. 25/2005-Customs dated 1.3.2005 would be available to 'digital cameras' with still image recording as its principal function. This would also include those digital cameras that have the capability of recording moving images for a limited period of time.

8. Field formations may finalise the pending assessments, if any, accordingly.

Department of Revenue
Central Board of Excise & Customs
New Delhi**

Notification No. 102/2007-Customs

Dated 14th September, 2007

G.S.R.(E).- In exercise of the powers conferred by Sub-Section (1) of Section 25 of the Customs Act, 1962 (52 of 1962), the Central Government, on being satisfied that it is necessary in the public interest so to do, hereby exempts the goods falling within the First Schedule to the Customs Tariff Act, 1975 (51 of 1975), when imported into India for subsequent sale, from the whole of the additional duty of customs leviable thereon under Sub-Section (5) of Section 3 of the said Customs Tariff Act (hereinafter referred to as the said additional duty).

2. The exemption contained in this notification shall be given effect if the following conditions are fulfilled :

- (a) the importer of the said goods shall pay all duties, including the said additional duty of customs leviable thereon, as applicable, at the time of importation of the goods;
- (b) the importer, while issuing the invoice for sale of the said goods, shall specifically indicate in the invoice that in respect of the goods covered therein, no credit of the additional duty of customs levied under sub-section (5) of section 3 of the Customs Tariff Act, 1975 shall be admissible;
- (c) the importer shall file a claim for refund of the said additional duty of customs paid on the imported goods with the jurisdictional customs officer;
- (d) the importer shall pay on sale of the said goods, appropriate sales tax or value added tax, as the case may be;
- (e) the importer shall, inter alia, provide copies of the following documents alongwith the refund claim:
 - (i) document evidencing payment of the said additional duty;
 - (ii) invoices of sale of the imported goods in respect of which refund of the said additional duty is claimed;
 - (iii) documents evidencing payment of appropriate sales tax or value added tax, as the case may be, by the importer, on sale of such imported goods.

3. The jurisdictional customs officer shall sanction the refund on satisfying himself that the conditions referred to in para 2 above, are fulfilled.

Indian and Nigerian Exim Banks Ink Pact in ACCRA

Export-Import Bank of India (Exim Bank) has extended a Line of Credit (LOC) of US\$5 million to the Nigerian Export Import Bank (Neximbank). The LOC Agreement to this effect was signed in Accra, Ghana, on Friday, September 14, 2007, by Mr. T.C. Venkat Subramanian, Chairman & Managing Director, on behalf of Exim Bank and Mr. A. Baba Yusuf Ahmed, Managing Director & Chief Executive Officer, on behalf of the Neximbank. GNEXID is an initiative launched by Exim Bank of India, under the auspices of UNCTAD, for Exim Banks and Development Finance Institutions, across the continents, for engaging in reciprocal activities towards promotion of trade and investment.

The LOC of US\$5 million has been extended to the Neximbank for financing export of capital and engineering goods, industrial manufactures, consumer durables, commodities and services from India to Nigeria. Under the LOC to Neximbank, importers based in Nigeria will make advance payment of 10% of contract value and Exim Bank will provide credit for 90% of contract value to Neximbank. Exim Bank will reimburse Indian exporters upfront upon the shipment of goods and provision of services. Credit period is up to 5 years.

Neximbank was established by the Federal Government of Nigeria, through a decree of 1991, as an Export Credit Agency (ECA), held equally by the Federal Government of Nigeria and the Central Bank of Nigeria. Neximbank has its Head Office in Abuja (State Capital). Nigeria, which is a major oil producing country in Africa, is one of the growing economies in the African region. The main items of exports from India to Nigeria are non-basmati rice, manufactures of metals, machinery and instruments, drugs & pharmaceuticals, paper & wood products, petroleum products. Exim Bank's LOC to Neximbank will help strengthen India's trade relations with Nigeria, further.

Exim Bank has in place 78 Lines of Credit, covering over 80 countries in Africa, Asia, Latin America, Europe and the CIS, with credit commitments amounting to US\$2.5 bn, available for utilization for financing exports from India. Exim Bank's LOCs afford a risk-free, non-recourse export financing option to Indian exporters.

Important Notice

To All Members

Monthly Export Returns

The format for submitting the Monthly Export Returns to the Council is furnished below. Member firms are requested to submit their Export Returns regularly every month to the Council as per this format.

1. Name of the Exporter :
2. Category of Exporter : SSI/SIA/Merchant/Export House
3. Nature of Export : Direct/Indirect
4. Reporting Month :
5. IE Code No. :
6. PAN No. :
7. State Code No. :
8. **A. Export Performance** :

ITC HS Code No.	Item/Service	Country of Export	Export during the month		Cumulative export during the year from 1st April to end of the reporting month	
			Qty. (M/T)/ Unit	FOB Rs. in Lakhs/ US\$ '000	Qty. (M/T)/ Unit	FOB Rs. in Lakhs/ US\$ '000

B. Deemed Exports :

ITC HS Code No.	Item/Service	Name of Indian Project	Export during the month		Cumulative export during the year from 1st April to end of the reporting month	
			Qty. (M/T)/ Unit	FOB Rs. in Lakhs/ US\$ '000	Qty. (M/T)/ Unit	FOB Rs. in Lakhs/ US\$ '000

C. Export Contracting Position :

ITC HS Code No.	Item/Service	Country of Export	New order secured during the month		Outstanding export orders position as on end of the reporting month	
			Qty. (M/T)/ Unit	FOB Rs. in Lakhs/ US\$ '000	Qty. (M/T)/ Unit	FOB Rs. in Lakhs/ US\$ '000

Note : Export Returns (Including Nil Returns) of the reporting month are to be submitted positively by the **10th of the next month** to Head Office, Engineering Export Promotion Council, Vanijya Bhavan (1st Floor), International Trade Facilitation Centre, 1/1 Wood Street, Kolkata 700 016 with a copy to respective Regional Office of the Council where the member-firm has been enrolled.

STATE CODES

All the exporters are required to indicate the state of origin of their export product in their shipping bills. For this purpose the following codes are to be utilised :

Code No.	Name of the State	Code No.	Name of the State	Code No.	Name of the State	Code No.	Name of the State
01	Assam	16	Orissa	39	Chandigarh	70	Madhya Pradesh
02	Meghalaya	17	Sikkim	44	Jammu & Kashmir	71	Chattisgarh
03	Mizoram	18	Tripura	46	Himachal Pradesh	80	Andhra Pradesh
06	Bihar	19	Andaman & Nicobar	50	Rajasthan	84	Karnataka
07	Jharkhand	20	Uttar Pradesh	54	Gujarat	89	Lakshadweep
09	Arunachal Pradesh	21	Uttaranchal	60	Maharashtra	90	Tamil Nadu
