**Chairman's Pen**

*My dear fellow exporters,*

*You are aware that there has been a persistent demand from the members that timely, adequate and cost-effective credit is not available but is required for increasing the exports. This issue has been examined by the Government and it has been accepted that in order to make our exports globally competitive, the exporters should be given export credit at the competitive rates. The export promotion is the highest national priority in view of the persistent current account deficit and pressure on Indian Rupee. In view of this, the following measures are suggested by the Department of Financial Services, Ministry of Finance which is in conformity with the RBI Circular on Export Credit. In this regard, the Department of Financial Services, Ministry of Finance, Government of India has issued a circular F. No. 20/15/2012-BO-II dated July 02, 2012, which has already been circulated to you for your information and perusal.*

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Aman Chadha'. The signature is fluid and cursive.
