Sub : Primary Classification of Firms into Panel

Members are aware that at the time of applying for membership with the Council, they, giving reasons therefor, indicated the Panel in which they wanted to be primarily registered. Accordingly, the firms were classified in the Panel in which they have primary interest, provided they fulfil the Criteria for Classification of Member Firms/Companies into Panel.

As per Article 3(f) of the Memorandum and Articles of Association, once members are enrolled under various Panels, no change will be permitted except after an interval of two years. Application for such changes shall be made to the Council, giving reasons therefor, within two months of the beginning of the year. The Working Committee or any other Committee or Sub-Committee to which power therefor are delegated by the Working Committee shall decide such requests for change of membership of Panels.

We find that many members have diversified item of their production/export in which they were earlier interested. So, it is necessary that as per their present item of export, their primary classification should be changed to the appropriate Panel.

A copy of the list of existing Panel constituted/reconstituted by the Working Committee of the Council together with the Criteria for Classification of Members into a Panel are attached herewith. Members are requested to kindly let us know immediately their option specifying the name of Panel for their primary classification. Their option must reach this Office positively by **31st May, 2007** for consideration of the Panel Sub-Committee. They should also send a statement showing item-wise export performance during current plus three previous years duly certified by a Chartered Accountant.

Request for change of Panel received after the stipulated period as mentioned above will be considered only for the purpose of sending Panel circulars, papers pertaining to export matters etc. for the current financial year. For the election purpose, the request for shifting to other Panel will be effective for the next financial year.
