Chairman's Pen

My dear fellow exporters,

Friends, the time for the announcement of Union Budget for the fiscal 2007-08 is approaching fast. In our pre-budget proposal, submitted to the Ministry of Commerce, we have suggested that Service Tax on commission payments to Foreign Agents by Indian exporters should be done away with as this provision has placed the Indian exporters at an economic disadvantage and has added to the cost of exports.

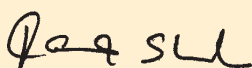

We have also said that Service Tax on Inland Haulage & Terminal Handling Charges at overseas destinations should be waived as it contravenes Government's stand that taxes and duties are not to be exported and Service Tax should be withdrawn on all post production export related services.

We have again taken up the issue of Fringe Benefit Tax (FBT) by asking for exemption on attending overseas fairs, exhibitions and business delegation and keeping Travel and Hotel cost of foreign delegates visiting India out of the purview of the FBT net.

In the pre-budget proposals we have represented that State level taxes and duties on inputs for export production such as C.S.T., electricity duty, entry tax, octroi, mandi tax, chungli etc. should be refunded as these add to the cost, making Indian goods uncompetitive in the Global market.

In the run-up to the announcement of annual supplement to the Foreign Trade Policy 2007-08, we have written to Shri Kamal Nath, Minister of Commerce & Industry for continuing the DEPB Scheme after 31st March, 2007. We have suggested that the DEPB Scheme should continue till an alternative Scheme is put in place as the DEPB Scheme is being utilized by vast sections of exporters. We have also said that even if an alternative Scheme is envisaged and implemented, then too the DEPB Scheme must continue concurrently for a period of six months to impart predictability and enabling the exporters to engage in long-term contracts. We have reiterated that the alternative Scheme must include all Customs Duties and all types of taxes and duties in lieu of the DEPB Scheme.

Yours sincerely,

(RAKESH SHAH)

INDIA ENGINEERING CENTER (IEC) at Johannesburg, South Africa

Strategically located on the major world trade routes, South Africa has always been a business attraction for countries in the world over. A highly advanced infrastructure has virtually made South Africa the gateway to the entire sub-Saharan Africa. It is often compared to the Europe for its economic activities. Business opportunities between India and South Africa are immense and over the last few years, there has been enormous leap in the bilateral trade.

Keeping in view the business scenario, Council is launching an “**India Engineering Center**” (IEC) – a multi-purpose outlet of Indian engineering exporters under MAI Scheme of the Ministry of Commerce, Government of India. The Centre will be located at the THEBE House, 166 Jan Smuts Avenue, Rosebank, Johannesburg, South Africa. India Engineering Center will have the following facilities to benefit its members :

- Showroom Facility for Display of Products
- Warehousing Facility for Storing the Goods
- Distribution Center
- Marketing Support – Participation in Trade Fairs and Advertisements.

Showroom Facility

Showroom of IEC will be an exhibition of goods of participating companies all the year round. This will facilitate the Indian companies to invite their buyers in and around South Africa to the Showroom to look and satisfy themselves on the various aspects connected with quality and specifications of the goods. The Showroom is located at the premier location in Johannesburg with the space of 500 sq. mtrs. The participating company will be provided one standard display window containing the following :

- Area of 1 mtr. x 1 mtr.
- Fascia of the company
- One podium for display of products
- One catalogue holder (A4 size)

Depending on the product, instead of podium, pegboard or other type of platform will be made available. However, at the time of registration, participants will have to declare a list of products to be displayed in the window. Changes of product in the window is permissible within this declared list. Any extra cost on booth customisation will have to be borne by the participants.

The participating companies may use this facility as their own office in Johannesburg and may mention the address in their marketing communications, which will make their organization presence felt in the African markets.

The participating company in the Showroom will give an undertaking to EEPC to abide by the Showroom norms.

Thrust Product Sectors

After an in-depth market research, the following have been identified as Thrust Product Sectors for “India Engineering Center” :

- Primary Iron & Steel Products
- Auto Parts
- Electric Transformers
- Industrial Machinery
- Scientific and Surgical Instruments
- Hand Tools
- S. S. Utensils
- S. S. Wire and Wire Products
- Electric Motors
- Builders Hardware
- Home Electric Appliances
- Bearings
- Industrial Fasteners
- I. C. Engines & Parts
- Wire Ropes
- Pipes and Pipe Fittings
- Agricultural Implements and Machinery
- Pumps

Companies in the other engineering products having potential in South Africa may also send their application for participation. However, the Screening Committee will take final decision in this regard.

Warehousing

The Warehouse will be located at Durban. The warehousing rates will be circulated shortly to avail the benefits.

Marketing Support

The Council will organize regular visits of South African buyers, from the matching sectors of IEC participants, to the Showroom for convincing them about sourcing their requirements from Indian companies. The Council will also organize Buyer-Seller Meets of participants with their African counterparts. Representatives of participating Indian companies will be free to join the BSM. These activities will further enhance the marketability of the products of participants of IEC.

Participation in Trade Fairs

The Council will identify Trade Fairs in South Africa and other African countries for the product groups of IEC participants. Council will organize an Information Booth in these Fairs to popularize "India Engineering Center" as source of supply and also furnish details on competence of participating companies.

The companies desirous of participating in these Trade Fairs in a separate booth will be provided with display space at subsidized rates (40% of booth cost). Kindly note that prior approval needs to be taken in this regard. Some of the following prominent exhibitions may be considered for further participation :

- FACIM – Trade Fair and Agricultural Exhibition (UFI) – Mozambique
- International Health Week for Medical and Surgical Equipment – Algeria
- MACTECH – Cairo, Egypt
- ITF – Lagos, Nigeria
- ITCE – Cairo, Egypt
- Tunis International Fair – Tunisia
- SIB International Exhibition for Building – Morocco
- Auto + International Exhibition for Car Equipment – Tunisia
- International Trade Fair (UFI) – Sudan
- Salon de' Auto/Salon de la Maintenance – Algeria
- Cairo International Fair – Egypt etc.

Please contact EEPC Territorial Office, New Delhi for further details.

Publicity through Print Media

In order to popularize India Engineering Center, Council will use the channel of print media, i.e. important newspapers, product specific magazines, mass mailing campaign etc.

Participants of IEC will also be entitled to release their customized advertisements, which Council will arrange at a subsidized rate

(25% benefit will be offered). The Council will communicate the exact amount payable to the interested companies depending on the size and location of the advertisement. Some of the prominent newspapers like Business Day, Business Report (The Star), The Weekender, Swoten (Business Supply), Die Beeld (Business), Citizen, Financial Mail, Guardian, Rapport etc., Trade Magazines like Trade Africa, Africa Connexion, Business in Africa, Trade pan-African Business, Engineering and Manufacturing Publications etc. Please contact EEPC Territorial Office, New Delhi for further details.

Visa for South Africa

Council will suitably recommend to the Embassy of South Africa in India for issuance of Visa to the representative of participating companies of India Engineering Center.

Charges & General Terms & Conditions

Companies participating in IEC will be required to pay the following charges :

Registration Charges* **Rs. 30,000/-**

Rent **per month** for a Standard Display Window

Of 1 mtr. x 1 mtr. **Rs. 10,000/- per month**
(Rs. 1.20 Lacs per annum)

* **Conditions of Deposit** : If participant continues for more than 24 months 100% of registration charges will be refunded, if participation is withdrawn within 12 to 24 months, 50% of registration charges will be refunded and if participation is less than 12 months, the registration money will be non-refundable.

For participating in India Engineering Center (IEC), Johannesburg : **Please pay Registration Charges of Rs. 30,000/- by Cheque/DD** in favour of "**Engineering Export Promotion Council**".

Interested member-exporters are requested to submit the **Application Form** (as per enclosed format) duly filled in.

A. P. (DIR Series) Circular No. 30

Dated 5th February, 2007

Exim Bank's Line of Credit (LOC) of USD 10 million to Eastern and Southern African Trade and Development Bank (PTA Bank)

Export-Import Bank of India (Exim Bank) has concluded an agreement dated October 9, 2006 with Eastern and Southern African Trade and Development Bank (PTA Bank), Kenya, making available a Line of Credit (LOC) for USD 10 million (USD Ten million only). The credit is available for financing export of eligible goods and services from India to any PTA bank member countries (viz., Burundi, Comoros, Djibouti, Egypt, Eritrea, Ethiopia, Kenya, Malawi, Mauritius, Rwanda, Seychelles, Somalia, Sudan, Tanzania, Uganda, Zambia and Zimbabwe). The goods and services under the Agreement are those which are eligible for export under the Foreign Trade Policy of the Government of India and whose purchase may be agreed to be financed by the Exim Bank under this agreement.

2. The credit agreement is effective from December 28, 2006 and under the LOC, the terminal date for opening Letters of Credit will be December 27, 2009 (36 months from the effective date of Credit Agreement) and terminal date for disbursements will be June 27, 2010 (42 months from the effective date).

3. Shipments under the credit will have to be declared on GR/SDF Forms as per instructions issued by Reserve Bank from time to time.

4. While no agency commission shall be payable in respect of exports financed under the above line of credit, Reserve Bank may consider, on merit, requests for payment of commission up to a maximum extent of 5 per cent of the f.o.b./c&f/c.i.f. value in respect of goods exported and which require after sales service. In such cases, commission will have to be paid in PTA bank member countries only, by deduction from the invoice of relevant shipment and the reimbursable amount by the Exim Bank to the negotiating bank will be 90 per cent of the f.o.b./c & f/c.i.f. value minus the commission paid. Approval for the payment of commission should be obtained before the relevant shipment is effected. In other cases, (i.e. exports not involving after sales service), if required, the exporter may use his own resources or utilise balances of his EEFC account for payment of commission in free foreign exchange. Authorised Dealer Category - I (AD Category - I) banks may allow such remittance after realisation of full payment of contract value subject to compliance of prevailing instructions on payment of agency commission.

5. AD Category - I banks may bring the contents of this Circular to the notice of their exporter constituents and advise them to obtain full details of the Line of Credit from Exim Bank's office at Centre One, Floor 21, World Trade Centre Complex, Cuffe Parade, Mumbai 400 005.

6. The directions contained in this Circular have been issued under sections 10(4) and 11(1) of the Foreign Exchange Management Act (FEMA), 1999 (42 of 1999) and is without prejudice to permissions/approvals, if any, required under any other law.
