

Chairman's Pen

My dear fellow exporters,

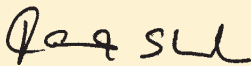

Friends, like all good things come to an end, it's the time to bid adieu to our weekly magazine Info Bulletin. The magazine which has kept all of us informed for decades is going for a makeover soon. With a change in technology, shrinking distances, fast delivery and markets going global, a change in the character of the Bulletin has become necessary.

However, we are just discontinuing the print version of the Bulletin. The electronic form of Info will continue as before and will be available on the Council's website. For this, I would request all member exporters to log on to EEPC website on a regular basis to get latest information about EEPC events, trade enquiries and other information. Members will also keep on receiving the Bulletin through e-mail and will be informed about trade enquiries regularly.

A new monthly and colourful version of the Info magazine will be introduced soon. This will be more comprehensive publication, packed with attractive features and market information.

I hope that the new electronic version and the monthly magazine will continue to provide you useful information for times to come. So, please log on to www.eepcindia.org for your latest version of weekly Info.

Yours sincerely,

(RAKESH SHAH)
