

Chairman's Pen

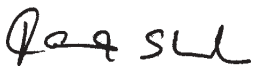

My dear fellow exporters,

Fever of Hannover is over with unprecedented success. It is now time to look forward to other promotional events. During the year 2006-07, your Council has planned for two INDEEs namely in Dubai and China, one Engineering Meet in India, India Pavilions in Interphex-Singapore, Automechanika-Frankfurt, International Home & Houseware Show-Frankfurt and BSMs in Pakistan and Mexico and Trade Delegations to CIS and African countries, besides Seminars in India on Focus countries. The Engineering Meet is scheduled during February/March, 2007 and will be organized in a big way where foreign buyers and delegates from various focus and non-focus countries will be invited to participate and have one-to-one interaction with Indian entrepreneurs. Council has been all along organizing exhibitions in various overseas countries and this Engineering Meet has been conceived as a follow up of all these exhibitions and to give a better feel and understanding of Indian engineering sector to overseas delegates. I look forward to your active support and participation in the Meet as well as in other events of the Council.

Friends, your Council is organizing the Award Function of Eastern Region on May 20, 2006 at Kolkata where meritorious exporters of the Eastern Region will be awarded for their export performance for the year 2003-04. I congratulate all the award winners for their commendable performance.

Yours sincerely,

(RAKESH SHAH)
