EEPC India Invites Participation for India Pavilion at Automechanika Middle East 2012 Dubai, UAE (22-24 May, 2012)

Automechanika Middle East is renowned as the international meeting place for the automotive aftermarket industry in the wider Middle East region and Africa. While this leading trade exhibition for automotive components, accessories, garage and garage equipment, refuelling and car washing celebrates 10 years in operation as the premier trade exhibition in its field - the event continues to bring world leading suppliers, manufacturers and service providers in touch with one of the most promising markets in the world.

Dubai is a strategic location between Europe and the Far East with excellent trade connections. From here, the lucrative Middle East, Sub-Continental and African markets can be easily reached with their combined population of more than 1 billion people. Considering import/re-export ratio, Dubai is the third most important re-export centre in the world after Hong Kong and Singapore.

In the 2011 edition over 17,000 trade visitors from 130 countries came to Dubai to see, examine and experience products or services showcased by over 1,100 exhibiting companies.

EEPC INDIA is organizing an India Pavilion at Automechanika Middle East 2012, Dubai, UAE which would provide an excellent opportunity for establishing business relationships with customers from all over the world.
