M/s. Allied Products Group, Aurora, IL, USA, Tel. : 1-630-907-1575, E-mail : jaygregg@earthlink.net (Attn. : Mr. Jay Gregg) are interested to import the following products :

1. ANSI B73.1 Pumps
 - Totally interchangeable with Goulds 3196 or Durco MK III pumps. Quality and performance should be equal to or surpass the original equipment.
 - 3196 Models with Close Coupled configuration.
 - Low flow-High head pumps (Durco is probably most prominent in the USA)
 - Materials from cast iron to Hastelloy B/C, including high silicon iron.
 - Investment cast impellers.
2. Pumps and parts that interchange with Goulds 3175 pumps. These are pumps for pulp and paper industry. These pumps often are fitted with CD4M parts.
3. Positive displacement pumps
 - Internal gear (Viking)
 - External gear (Roper)
4. Other centrifugal pumps of interest
 - Horizontal split case
 - Vertical turbine
 - Boiler feed pumps
 - Self-priming
 - General service pumps - end suction with enclosed impellers - cast iron or bronze impellers
5. Other products of interest
 - Mechanical Seals - cartridge seals – single and double
 - Couplings - flexible (should be inch dimensions to accommodate ANSI pumps and 3175 pumps. For the other pumps metric dimensions would be fine)
 - Motors.
