

Chairman's Pen

My dear fellow exporters,

As you are aware the DEPB Scheme has been extended till September 30, 2011 and this is largely due to the efforts of the entire exporting community including EEPC India. This does not fulfill our demand that the DEPB Scheme be extended till GST comes into place but gives the exporting community a breathing space.

In the meanwhile Government is trying to expand Duty Drawback Scheme where we are trying to ensure that all DEPB rates will be included in the Drawback rates.

Yours sincerely,
