EEPC India Invites Participation for India Pavilion at EMO Hannover 2011, Germany (19 - 24 September 2011)

EMO Hannover is the world's premier trade fair for metalworking technology - meeting point for the entire international sector - global forum of can-do technical competence. With the principal focus on cutting and forming machine tools, manufacturing systems, precision tools, automated materials flows, computer technology, industrial electronics and accessories, it will once again be the platform where the whole metalworking world meets. The specialist and decision-making competence of the visitors to EMO Hannover is unparalleled, a tendency that is promoted by the unmatched innovative potential of productivity and efficiency that they have come to expect. EMO Hannover 2011 is the venue for top-level competence among providers and users.

EMO Hannover 2011 will organize by the VDW (The German Machine Tool Builders' Association) with the cooperation of its long-standing partners Deutsche Messe AG, Hannover.

The trade fair EMO is organized under the patronage and at the initiative of the European Committee for Cooperation of the Machine Tool Industries (CECIMO). EMO takes place every other year, twice consecutively in Hannover, once in Milan, e.g. Hannover - Hannover - Milan - Hannover - Hannover - Milan.

During the previous edition in 2007, 1,66,500 visitors from 82 countries came to Hannover, Germany to buy machines, place orders and find out about the latest developments in the world of metalworking. There were 2,120 exhibitors from 42 different countries. Decision-makers in production technology use EMO Hannover as a point of orientation.

EEPC India is organizing an India Pavilion at EMO Hannover 2011 which would provide an excellent platform for the Indian metalworking industry to showcase its capability and make inroads in to this huge market through this most prestigious show.

EEPC India invites applications from its members to participate in this most important and largest international exhibition for metalworking industries.
