

AN APPEAL FROM CHAIRMAN

As you are aware, the recent Tsunami had devastated the coastal areas not only in India but other countries as well and taken away thousands of valuable human lives.

I would appeal to the exporting community to stand by those distressed and hapless people who have lost everything due to this devastation and please generously offer financial help to the Prime Minister's Relief Fund.

The Cheque should be addressed to 'Prime Minister's National Relief Fund'.

I look forward to your wholehearted support and cooperation for this noble cause.

(RAKESH SHAH)
Chairman
