0.80 ID x 2.10 OD	16,000 kgs	Cut to length (as per specification)

Material : As per specification

Quote should be in US\$ on C.I.F. Toronto basis.

(Specifications can be obtained from any of the EEPC offices in India)

**Egypt**

(Source : Embassy of India, Cairo)

'CAIRO THREE A' is a well established private sector business group in Egypt. The company wants to source a plant (new or used) from India for crushing and processing of Soya beans. Their broad requirements are as under :

- Daily capacity 1000-2000 tons
- Manual or semi-automatic - should be labour intensive (They do not need a very sophisticated or highly automatic plant.).
- The plant should have sieving, cleaning and crushing functions with the end product being Soya meal and crude oil (refinement of crude oil not required).
- Technical support for erection, operation and maintenance of plant.

Interested member-exporters may send an initial communication giving brief company's background and broad technical specifications of the plant to –

Mr. Vishnu Prakash, Minister  
Embassy of India
