

Buyer-Seller Meet in Ho Chi Minh City, Vietnam

(6-7 January, 2005)

EEPC is pleased to announce that a Buyer-Seller Meet will be held in Ho Chi Minh City, Vietnam on 6-7 January, 2005 under the Focus ASEAN + 2 Programme of the Government of India. High Commission of India (HCI) in Ho Chi Minh City and the Vietnam Chamber of Commerce & Industries (VCCI) have agreed to be the co-organisers of the event.

Indian Engineering Goods are increasingly being accepted in Vietnam is the observation of VCCI, which has prompted the Council to encash the proactive business attitude in Vietnam. Consequently, Indian investments in Vietnam have also gradually increased and valued at over US\$ 125 Million in 2003.

Socialist Republic of Vietnam

GDP	: \$ 203.7 billion (2003 est.)

Vietnam is a densely populated country which has achieved significant progress, after the ravages of war. To promote economic, commercial and technological cooperations between Vietnam and the rest of the world, the Vietnamese authorities have reaffirmed their commitment to economic liberalization and have moved to implement the structural reforms needed to modernize, thereby opening the economy for mutual benefit.

EEPC has also identified Vietnam as a market having excellent opportunities for promoting engineering goods in a big way. Engineering exports have registered a 136% growth in 2002-03 over 2001-02.

Vietnam Chamber of Commerce and Industries (VCCI)

VCCI, a national non-governmental body representing business enterprises in Vietnam, is the co-organiser, and will assist in matchmaking and providing guidance for business.

Publicity of the event will be disseminated through VCCI bulletin. Besides, the news will be put on DIEN DAN DOANH NGHIEP (Vietnam Business Forum) - the newspaper of VCCI.
