Home Pages Hosting/Hyperlinking Services on Council's Website

As you are aware, Council is having its own website www.eepc.gov.in (EEPCNet) on Internet URL. The visitors to our site are not only accessing general pages but also the home pages of member-exporters hosted on EEPCNet. We would like to further inform you that now we have redesigned our website and the same is available in Spanish and Portuguese languages also so that communication with Latin American buyers will be more easy which will assist in increasing the information level about Indian products and Indian companies.

Following are the benefits in availing Home Pages Hosting/Hyperlinking Services

1. Your company will have an opportunity to be listed on India's only website exclusively on Engineering Sector.
2. EEPC, being a Government Sponsored Organisation and India's first ISO-9001 Council, overseas buyers, while surfing Internet, will have more confidence in doing business interactions with Council's members who have hosted their home pages/hyperlinking on Council's website.
3. Your company may get on-line business enquiries of overseas buyers generated through Council's website.
4. Council has also designed its website in Spanish and Portuguese languages so that maximum number of importing community from Latin America region can do business interactions with Indian exporting community. Soon, the website will be in other popular languages also.

Apart from hosting of home pages of exporters, the website also carries various useful information like Public Notices, Circulars & Notifications issued by DGFT, Customs and Central Excise.
