Uzbekistan

Tender for delivery of High-Voltage Intermediate Power Cable

The Department for construction and investment programmes of Tashkent city administration announced a tender on delivery and mounting of high-voltage cable of intermediate power supply. Single-conductor copper cable 6-10 kilovolt with conductor cut of 3000 sq. mm with core screen cut of 25 sq. mm. Test voltage is 36 kilovolt per 10 minutes, in the amount of 58,000 m, with component mounting parts.

Customer is Tashkent International Airport.

Financing will be made at the account of the customer's own funds.

Supply and work completion deadline will be determined in the signed agreement.

The enterprises should comply with the following criteria :

- Have floating funds in the amount no less than 20% of the cost of the tender object or the guarantee of the bank on provision of the abovementioned funds;
- Have production base, human resources and specialists necessary to complete the work (service);
- Have work experience on objects similar to tender object; and
- Have legal capacity and authority to sign the contract.

All supplied materials should be certified (licensed).

For further information, please contact :

Mr. Daya Nand, First Secretary (Com.) & HOC
