**Chairman's Pen**

*My dear fellow exporters,*

*The new government at the Centre has completed one year in office. On behalf of EEPC India we would like to commend the performance of the government for astutely addressing most impending economic concerns, and for being successful in enhancing India's economic stature in the international arena. GDP growth has improved, inflation is considerably lower, fiscal and current account deficit are under control and we are seeing an influx of foreign investment into the country. Make-in-India is a landmark initiative by the government to make the country a manufacturing hub.*

*We are hopeful that the government will now focus more on creating a conducive business environment by lowering tax rates, interest rates and implementing the GST timely. In the coming days the government should also focus on improving the policy framework to bring back the confidence of the exporting community in the turbulent global economic environment.*

*Yours sincerely,*

**(ANUPAM SHAH)**
