My dear fellow exporters,

You are aware that EEPC India will be organizing "India Show" at Turkey from February 3 – 6, 2011 at Tuyap Fair Convention and Congress Center, Istanbul, Turkey coinciding with World of Industry Fair (WIN Part 1). 169 member companies will be showcasing their products to Turkey. Turkey is the Gateway of Euro-Asia.

This exposure to Turkey and surrounding countries will hopefully provide the Indian engineering sector a better understanding of the emerging opportunities and diversify their exports. I hope that India Show at Turkey will a great success.

Yours sincerely,
