Dear Member,

Sub : Enquiry from Chilean Company

EEPC India has received a query from the Embassy of India, Chile regarding a well-known Chilean company who are looking for Indian companies with following professional profile :

- At least 20 years of proven experience in engineering design and development of civil works associated with hydroelectric power plants. Experience should be in developing preliminary analysis studies (profile level), conceptual design, basic design and detail design (construction design). Experience and references is are must.
- 2009 sales over US 10 million in engineering services.
- ISO 9001:2008 certified
- Interested in establishing a partnership with a Chilean engineering firm that has a longstanding and proven track record.

Our members, who meet this criteria are urgently requested to provide the contact details which we can pass to Embassy of India, Chile to (sgupta@eepcindia.net; eepc@eepcindia.org) at the earliest.

With kind regards,

Yours sincerely,

(R. MAITRA)
EXECUTIVE DIRECTOR
