

EEPC India invites Participation for India Pavilion at MTA Malaysia 2010, Kuala Lumpur, Malaysia (05 – 09 May, 2010)

MTA Malaysia 2010 (The 7th Malaysia International Precision Engineering, Machine Tools and Metalworking Exhibition & Conference) is highly regarded and backed by firm endorsements from relevant government and trade associations of Malaysia. MTA Malaysia 2010 is a platform where many exhibitors can achieve their objectives of penetrating the Malaysian market, establish the right contacts and forge new business partnerships.

In 2009 there were more than 900 exhibitors from 30 countries and regions. The fair was visited by 17,371 trade visitors and buyers.

Malaysia emerges as one of the most potential countries in the South East Asian Region immediately after Singapore and Indonesia. India exported 1685.84 million US\$ worth of engineering products to Malaysia in 2008-09 which is a growth of around 125% over the previous year. The recent trend in the export growth of engineering products and services to Malaysia could be a focal point to capitalize on the opportunities existing over there. Malaysia boasts one of South East Asia's most vibrant economies, the fruit of decades of industrial growth and political stability. Malaysia's economic prospects remain healthy, although it faces fierce competition from its neighbours, and from China and India.

Malaysia is among the world's top 20 trading nations with a strong, open economy and a Government committed to international competitiveness in terms of trade and investment. As part of Malaysia's commitment to WTO and unilateral liberalization measures, it has reduced or abolished important duties on almost 5,000 items. To facilitate trade, more than 60% of tariff lines are subject to zero duty.

Malaysia is also a part of the ASEAN trade block. The bilateral agreement between India and the ASEAN countries, which is being negotiated at the moment, will provide newer opportunities to the Indian business community. Under AFTA's Common Effective Preferential Tariffs (CEPT), ASEAN member countries have agreed to progressively reduce import duties, ranging from zero to 5%, on all products. As an original member, Malaysia fully implements CEPT.

EEPC INDIA is organizing an India Pavilion at **MTA Malaysia 2010** scheduled to be held from 05 - 09 May, 2010 at Putra World Trade Centre, Kuala Lumpur, Malaysia. The fair will provide a unique opportunity to the exporters of machinery items particularly metalworking machinery items to align with the best in the world and showcase their capabilities. It will help to

- Generate new sales leads;
- Reach marketing and design professionals;
- Meet product manufacturers and potential customers;
- Communicate with key decision makers.

Focus Products

- Bending Machines
- Blowers & Dryers
- Boring Machines
- Broaching & Shaping Machines
- Cleaning Devices & Clean Air Systems
- Cutting Tools & Tooling Systems
- Honing
- Lapping
- Hot Runners
- Jewellery Making Machines
- Laser Cutting & Laser Systems
- Machining Centres
- Manufacturing Systems
- Materials - Graphite
- Polishing & Surface Finishing Machines
- Punching & Stamping Machines
- Press Brakers & Shears
- Preprocessing Machines
- Presses - Hot & Cold
- Special Purpose Machines
- Surface Finishing Machines Thread Producing & Roll Forming Machines
- Ultrasonic Welding Machines
- Die Casting Machines
- Drilling & Tapping Machines
- EDM's Electric Action Machines
- Gear Cutting
- Forming & Finishing Machines
- Grinding Machines
- Steel
- Plastic, Milling Machines & Lathes
- Mould Bases
- Mould Polishing Machines
- Mould Tooling Design
- Moulds & Mould Standards
- Other Auxiliary Equipment
- Plastics Moulding Machines
- Power Presses
- Rebuilding & Retrofitting Services
- Recycling Machines
- Software - Mould Design & Rapid Tooling
- Software & Design
- Tools & Dies
- Transfer Systems
- Turing Machines
- Work holding Devices

Venue

Putra World Trade Centre, Kuala Lumpur, Malaysia

Date of event

May 05 - 09, 2010 (5 days)

Participation Charges

One side open booth : US\$ 355 per sq. mtr. or Indian Rs. 17,000/- per sq. mtr.
(Built up booth) + Rs. 1,751/- per sq. mtr. as Service Tax.
20% extra for two sides open booth (subject to availability).

If participants make payments in US Dollar, then Service Tax is not applicable.

Mode of Payment

Full payment is to be made by

- ❖ Demand Draft/at par Cheque favouring “EEPC INDIA” along with the duly filled-up Application Form
OR
