

EEPC India Invites Participation for India Pavilion at Automechanika Middle East, 2010, Dubai, UAE (25 - 27 May, 2010)

Automechanika Middle East is the event for the rapidly developing automotive aftermarket in the wider Middle East and Africa. The event covers the full range of parts for motor vehicles, as well as components for the drive, chassis, body, electrics and electronic groups, equipment for vehicle service and repair, bodywork repair and painting, tyres, batteries and performance systems. Automechanika Middle East continues to confirm the participation of market leaders from the automotive sport, workshop equipment, tyres & batteries, parts & systems, repair & maintenance and accessories & tuning Industries worldwide.

Dubai is a strategic location between Europe and the Far East with excellent trade connections. From here, the lucrative Middle East, Sub-Continental and African markets can be easily reached with their combined population of more than 1 billion people. Considering import/re-export ratio, Dubai is the third most important re-export centre in the world after Hong Kong and Singapore. The Spare Parts market in the Gulf States is valued at over US\$12.6 billion per year. Auto parts are consistently listed as one of the top ten re-exported commodities from Dubai.

The Gulf Countries have been trade partners of India for centuries. The discovery of Oil opened a new era of Industrialization of this region. The GULF markets are growing markets for Indian engineering goods. Export of engineering items to this region during the 2008-09 stood at US\$. 6.16 billion compared with US\$ 5.73 billion during previous financial year, registering an overall growth of 7.5 per cent. UAE holds special significance for us. UAE is India's top trading partner in the whole of West Asia and North African region, representing nearly 75% of India's exports to the Gulf Cooperation Council (GCC) countries. Indian exports to the UAE account for approximately 6% of its global exports.

EEPC INDIA is organizing an India Pavilion at **Automechanika Middle East 2010**, Dubai, UAE which would provide an excellent opportunity for establishing business relationships with customers from all over the world.

Focus Products

Parts & Systems

Powertrain (engine, gearbox, exhaust), chassis (axles, steering, brakes, wheels, dampers), bodywork (sheet metal parts, mounted parts, windows, bumpers), roof systems (folding roofs, convertible roofs, panoramic roofs), interior (cockpits, instruments, airbags, trims, seats, heating, airconditioning, electrical adjusters), infotainment (radios, aerials, navigation systems, telematics, mobile phones), electrics/electronics/sensor systems (electrical system, battery, headlights, cables, wiring harnesses, control modules, bus systems, driver assistance systems), standard parts (fastening elements, thread and securing elements, sealing rings, filters, roller bearings), regenerated parts (reconditioned, overhauled parts).

Accessories & Tuning

Accessories and special equipment for motor vehicles in general, tuning, performance systems (motorsport), design enhancement, optical tuning, car trailers and small commercial vehicle trailers, parts for trailers, tyres and wheel rims.

Repair & Maintenance

Workshop equipment and tools (lifting gear, testing and measuring equipment, tyre fitting, work clothing), body repairs (equipment and material), painting and anti-corrosion protection (systems, equipment coatings, anti-corrosion protection, media), towing service, accident assistance, mobile services (equipment, material/consumables), waste disposal and recycling (systems, equipment, services, environmental protection consultancy), dealership equipment (shop-fitting/shop systems, sales equipment, office and warehouse equipment, trade literature, forms).

IT & Management

Dealership planning and construction (corporate consultants certifications, environmental protection advice), dealership finance (finance deals, insurance, franchise concepts), dealer management systems (business organisation, it, data management, customer loyalty programmes), workshop management (training, technical monitoring and certification), dealership marketing (exterior advertising, publicity materials), internet (service providers, vehicle exchange marts).

Service Station & Car Wash

Filling stations (filling station systems, filling station accounting systems, security surveillance, convenience, shop-inshop systems), care (washing equipment, equipment for vehicle care, cleaning products), oil and lubricants (systems, equipment, lubricants, media and consumables).

Tyres & Batteries

Venue

Dubai International Convention & Exhibition Centre, Dubai, UAE

Date of event

25-27 May, 2010 (3 days)

Participation Charges

One side open booth : US\$ 330 per sq. mtr. or Indian Rs. 16,000/- per sq. mtr.
(Built up booth) + Rs. 1,648/- per sq. mtr. as Service Tax.

Two sides open booth : US\$ 350 per sq. mtr. or Indian Rs. 17,000/- per sq. mtr.
(Built up booth) + Rs. 1,751/- per sq. mtr as Service Tax.
(subject to availability)

If participants make payments in US Dollar, then Service Tax is not applicable.
