

India Pavilion at Automechanika 2010, Frankfurt, Germany (September 14 - 19, 2010)

Automechanika is the International Leading Trade Fair for the Automotive Industry. This fair is the international meeting point for the automobile industry, automotive parts, components and systems, electronics, supply and maintenance equipment. This fair offers you a unique spectrum of products from the fields of automotive parts, car washing, workshop and filling-station equipment, IT products and services, accessories and tuning. The fair is accompanied by a wide variety of high-grade special shows, lectures and workshops. This is the show where the global automotive industry seeks information about the latest technology and concepts for success in the competitive environment of the future. Around 50 percent of trade visitors and 80 percent of exhibitors at the last event came from outside Germany.

EEPC India is organizing an India Pavilion at **Automechanika 2010**, scheduled to be held during 14 - 19 September, 2010 at Frankfurt, Germany. This will provide an excellent opportunity to learn about the latest development on ideas and technologies of the industry, to meet new products and trends, OEM/ODM providers and international brands, to establish your network with key-decision makers, technical experts and to develop new contacts and business relationships with customers from all over the world.
