# ABOUT EEPC INDIA

EEPC India has been the Face of Indian Engineering exports over a span of 70 years when India grew from a meagre USD10 million engineering export nation in 1950s to USD 105.85 billion (April 2024 - February 2025) and is regarded as the model EPC in India by the Union Ministry of Commerce and Industry. EEPC India is the premier trade and investment promotion organisation in India. It is sponsored by the Ministry of Commerce and Industry, Government of India and caters to the Indian engineering sector. It has many firsts to credit. The First Indian EPC to have a website, to be ISO certified, to have an in house Technology Centre and also to e-catalogue the product profiles. As an advisory body it actively contributes in the policies of Government of India and acts as the prime conduit between the Indian Engineering fraternity and the Government. Set up in 1955, EEPC India now has a membership base of around 9,500 predominantly drawing 60% from MSME segment. EEPC India has been participating in and organising promotional activities including buyer-seller meets (BSM) and managing India Pavilion in various overseas exhibitions to demonstrate the capabilities of Indian engineering industry. INDEE (Indian Engineering Exhibition), and domestic counterpart IESS (International Engineering Sourcing Show) are two flagship events of EEPC India.

# EEPC INDIA JUBILEES - FOR 25, 50 AND 60 YEARS!

## *Diamond 2015*

EEPC India celebrated its Diamond Jubilee on 3 September 2015 at Vigyan Bhavan, New Delhi (right). The celebrations were inaugurated by President of India, Shri Pranab Mukherjee. Speaking on the occasion, the President called upon EEPC India to focus on product quality, markets and product diversification. He commended EEPC India promoting new and emerging sectors such as Defence, Medical Devices and Renewable Energy and for its stress on Skill Development.

Among the dignitaries present on the occasion were Mr Ravi Shankar Prasad, Minister of Communications & IT, Ms Nirmala Sitharaman, Minister of State for Commerce & Industry, Ms Rita Teatia, Union Commerce Secretary,

Mr Anupam Shah, Chairman, EEPC India, and Mr Bhaskar Sarkar, Executive Director and Secretary, EEPC India, former Chairman of EEPC India, diplomats, senior Government officials, etc.

## *Golden 2005*

The Golden Jubilee of the Council was celebrated on 23 January 2005 in New Delhi and addressed by the then President of India, Dr A P J Abdul Kalam.

## *Silver 1981*

On 17 August 1981, the Council celebrated its Silver Jubilee at Vigyan Bhavan, New Delhi. The President of India, Mr Neelam Sanjiva Reddy inaugurated the function by releasing a commemorative brochure and a special issue of the Council's overseas journal Indian Engineering Exporter.

**Above, India's President, Neelam Sanjiva Reddy, and Commerce and Industry Minister, Mr Pranab Mukherjee with EEPC India officials at the 25th anniversary celebrations in 1980. Right: Past Chairmen and an Executive Director of EEPC India at the Golden Jubilee celebrations in 2005 with India's President, Dr A P J Abdul Kalam and the Commerce and Industry Minister Mr Kamal Nath**

# WHAT EEPC INDIA CAN DO FOR YOU

- EEPC India serves as a facilitator of two-way trade between Indian and foreign companies
  - Acts as a link between Indian exporters and the foreign buyer
  - Identifies suitable suppliers in India
  - Arranges visits of overseas buyers, exploratory missions, and teams to India
  - Provides suppliers' profiles
  - Helps collaboration efforts for third country exports
  - Creates awareness among overseas buyers on India's technical competence and supply capabilities
  - Helps to resolve trade disputes and remove operational constraints
  - Educates the foreign buyer on Indian business policies
- 

# INDEE is NOW 47!

India's largest overseas Engineering exhibition branded as INDEE, showcases India's rapid progress in the engineering sector. It has organized 44 INDEES in 29 countries for the past 47 years. The countries were Singapore, Indonesia, Thailand, Kenya, Nigeria, Sri Lanka, Egypt, Venezuela, UK, Australia, Ethiopia, Brazil, Kazakhstan, Indonesia, Mexico, South Africa, Russia, Malaysia, Colombia, Morocco, Vietnam, Myanmar, Kenya, Peru, Iran, Bangladesh, Philippines, Tanzania and Jordan.

EEPC India had chosen Kenya, India's maritime neighbour, as the destination for the 44th INDEE which was held over 11-13 October, 2023, at KICC (The Kenyatta International Convention Centre), Nairobi. This was the fourth INDEE in Kenya. The first three editions were held in 1998, 2015 and 2016.

80 Indian Exhibitors displayed twelve product groups including Electrical Machinery & Equipment, Auto Components and Parts, Heating, Ventilation, Air Conditioning & Refrigeration (HVAC-R), Agricultural Machinery & Equipments, Pumps & Valves, Wires & Cables, Food processing machinery and Parts, Hand tools & Power tools, Welding, Cutting and Forming, Construction Machinery and Equipment, Articles of Iron & Steel, CNC Machines, Plastic and Packaging Machinery.

INDEE Kenya was collocated with Manufacturing Expo 2023 organised by Expogroup. Expogroup also helped the joint publicity and branding of INDEE with Manufacturing Expo 2023. The exhibitions saw a footfall of over 10,000 visitors over the three day period.

EEPC India organised the show in association with Department of Commerce, Ministry of Commerce and Industry, Government of India; Indian High Commission in Kenya and Expo group. The local Trade bodies including, KAM (Kenya Association of Manufacturers), KEPSA (Kenya Private Sector Alliance), KNCCI (Kenya National Chamber of Commerce and Industry (KNCCI) Kenya Investment Authority have also played their part in mobilising structured local participation.

## *A Journey of Innovation and Collaboration*

# **IESS - EEPC INDIA'S INTERNATIONAL SOURCING SHOW**

EEPC India Annual event – International Engineering Sourcing Show – the global display of India's capability. Metal Based Engineering turned 12 on 27th November 2024 . The show was held till 29th November at Chennai Trade Centre, Chennai, India.

Aimed at reducing dependence on traditional markets, developing internal markets within India, forging partnerships and joint ventures, strengthening commercial relations and accelerating trade between India and its trading partners and providing platform for foreign organisations to look at India for Sustainable Sourcing, IESS has evolved as the exposition of indigenous engineering skills to the world.

This year EEPC India had chosen #SmartSustainableEngineering as the theme, reflecting the current convergence of two critical trends in the manufacturing industry of Smart Manufacturing and Sustainable Manufacturing. Starting from the Inauguration and the other branding collaterals, all had the manifestation of the theme.

IESS with the support from Department of Commerce, Ministry of Commerce, Logo Support from Ministry of Heavy Industries; Karnataka- for the second time , Madhya Pradesh and Uttarakhand -each for the first time – as Partner States; , Odisha- for the first time , Haryana, Gujarat & UP – each for the 2nd time and West Bengal – for the fourth time as Focus States; Tata Steel as the Steel Forum Partner for the third time; L & T Sufin as the B2B E- Commerce Partner for the second time; The event -SUBCON 2024, Birmingham,UK as Subcontracting Partner- for the second time, Golden Gate Exhibitions and its event JIMEX in Jordan, Ministry of Industry and Trade of Czech Republic and its Event – MSV Brno; Russian event INNOPROM and Subcontracting and Partnership Exchange, Cameroon (SPX- CMR) with International Pavilion has become one of the most revered engineering shows in engineering community.

*Mr. Vimal Anand, Joint Secretary, Department of Commerce, Ministry of Commerce and Industry; Dr. Atul Anand (IAS), Principal Secretary, Department of MSME, Government of Tamil Nadu; Mr. Pankaj Chadha, Chairman, EEPC India; Aakash Shah, Vice Chairman, EEPC India; Mr. P. K. Shah, Former Chairman, EEPC India; Mr. Anupam Shah, Former Chairman, EEPC India and Chairman, Committee on Technology Centre; Mr. T. S. Bhasin, Former Chairman, EEPC India; Mr. Mahesh Desai, Former Chairman, EEPC India and Mr Adhip Mitra, Executive Director & Secretary, EEPC India were seen*

## B2B MATCHMAKING

On request, EEPC India introduces overseas buyers to the most appropriate companies in India. Business meetings are also organized in the major cities in India on request. EEPC India also sends delegations of Indian engineering companies abroad to explore global markets with the help of Indian diplomatic missions and local chambers of commerce.

EEPC India's Buyer-Seller Meets abroad help Indian exporters to closely interact with their counterparts. Meets held in recent months were in Peru and Honduras in South America .

**EEPC India was awarded DL Shah Quality Award in the "Silver Category" for Creating Technological Value for our members.**

## GLOBAL APPRECIATION

EEPC India's efforts to promote two-way trade in the engineering sector have always been recognized and appreciated by numerous governments and business leaders globally. On several occasions, local governments

have wholeheartedly supported EEPC India's international expos and expressed their willingness to partner with India for trade and business.

# EEPC INDIA'S DIGITAL INTERFACES

## SOCIAL MEDIA

EEPC India has an active presence on Facebook, Twitter, Instagram, LinkedIn, Pinterest, YouTube and Koo.

## E-CATALOGUES

The E-Catalogue is an exclusive directory of Indian engineering brands that have adopted the latest globally-accepted manufacturing standards and practices. EEPC India has e-catalogues on Pumps and Valves, Medical Devices, Electrical Machinery, Equipment and Components, Textile Machinery and Accessories, Machine Tools, Construction & Earthmoving Machinery & Parts, Agricultural Machinery & Parts, and Hand Tools

## WEBSITE

The official website of the council is responsive and compatible to most of devices such as desktops, laptops, tabs and mobiles. Information is updated regularly.

# EXPORT AWARDS

EEPC India Awards are the oldest engineering awards in India and is keenly awaited by Indian engineering companies, big and small.

Inauguration of EEPC India 54th National Awards ceremony. The Chief Guest, Mr Jitin Prasada, Hon'ble Minister of State for Commerce & Industry and Electronics & Information Technology, Government of India, lighting the inauguration lamp. EEPC India seniour officials- Mr Pankaj Chadha, Chairman (2nd from right); Mr Pradeep Kumar Aggarwal, Regional Chairman (NR) (far right) and Mr Adhip Mitra, Executive Director and Secretary (to the right of Hon'ble Minister) are present.

Mr Pankaj Chadha, Chairman, EEPC India felicitating with a flower bouquet to The Chief Guest, Mr Jitin Prasada, Hon'ble Minister of State for Commerce & Industry and Electronics & Information Technology, Government of India.

Mr Jitin Prasada, Hon'ble Minister of State for Commerce and Industry & Electronics and Information Technology, Government of India (on the podium) speaking at the event.

EEPC India launched a new award scheme, Green Awards in March 2024 at IESS XI. The objective is to acknowledge the entrepreneurs who have demonstrated an exceptional commitment to environmental stewardship through their operations, thus embracing sustainable manufacturing.

The maiden version of Green Awards was held on November 27, 2024 in Chennai at IESS XII.

Gold Award in Small Enterprise Category:  
**KOSTWEIN INDIA COMPANY PVT. LTD.**

Silver Award in Small Enterprise Category:  
**BASANT AUTOTECH LLP**

EEPC India Quality Awards was introduced on December 10, 2019 coinciding with the 50th edition of National Awards. So far till 2025 four editions have been held. The award scheme acknowledges companies who have made significant contribution to promoting quality manufacturing.

1st edition Quality Awards December 10, 2019

2nd edition Quality Awards March 16, 2023

3rd edition Quality Awards March 4, 2024

4th edition Quality Awards Feb 18, 2025

## EEPC INDIA'S PUBLICATIONS

EEPC India's Publicity Department regularly brings out publications, specially studies on various sub-sectors of the engineering industry. EEPC India's strong editorial team oversees the quality of the publications in terms of the depth of study and its usefulness in the Indian context. EEPC India publishes its journal, Indian Engineering Exports, every month. EEPC India also brings out product

specific catalogues highlighting leading manufacturers of various products.

EEPC India also teams up with globally-renowned management consultancy firms to prepare and publish strategy documents for the Indian engineering sector.

# STRATEGY PAPER RELEASES

*Mr Kamal Nath, Commerce Minister, releasing a Strategy Paper in New Delhi, 2007*

*Mr Anand Sharma, Commerce Minister, releasing a Strategy Paper in New Delhi, 2010*

*Mr Rajeev Kher, Commerce Secretary, releasing a Strategy Paper on Engineering Exports Growth, New Delhi, 2014*

*EEPC India - Delloitte Strategy Paper for Growth of Engineering Exports released by Dr Anup Wadhawan, Commerce Secretary on March 14, 2019*

*EEPC India Export Strategy Paper released by Hon'ble Minister of Commerce and Industry, Government of India Mr Piyush Goyal on August 29, 2023*

(Left) The inauguration of the Technology Centre in Bengaluru by Ms Rita Teatota, Commerce Secretary, Department of Commerce, Government of India in June 2017. (Right) The opening of the Technology Centre in Kolkata, in August 2019 by Dr Anup Wadhawan, Union Commerce Secretary, Government of India

## EEPC INDIA TECHNOLOGY CENTRES

The EEPC India Technology Centres provide the engineering industry with some of the most cutting-edge design technology and close interaction with institutional design facilities.

The centres provide hardware and software to engineering companies, especially for the small-scale sector; hold training for design engineers on design, simulation and testing software; Support MSMEs in their technology

upgradation initiatives; Create a Knowledge Interaction Grid; Provide designing and testing facilities; Provide training on high-end software; Provide product design solutions to industry through national institutions, such

as, NID, etc.; Collaborate with R&D institutions for industry outreach; Connect with industrial clusters in Kolkata, Chennai, Mumbai, Ahmedabad, Ludhiana, Bengaluru, Hyderabad and Delhi NCR.

# EEPC INDIA EXPANDS

Apart from 10 offices in eight cities, EEPC India has opened 15 Chapters with two more to be opened bolster engineering exports.

EEPC India as lead agency at large trade fairs where India was the partner country (anti-clockwise from above): Mr T S Bhasin, Chairman, EEPC India speaking at the inauguration of the India Pavilion at MSV 2017, Brno, the Czech Republic; the Prime Minister of India, Mr Manmohan Singh, the German Chancellor, Ms Angela Merkel and Mr Rakesh Shah, Chairman of EEPC India at Hannover Messe 2006; Mr Anupam Shah, Chairman of EEPC India, Mr Rajiv Kher, Union Commerce Secretary, Mr Ravi Capoor, Joint Secretary, Department of Commerce and Industry, Government of India, and Mr Bhaskar Sarkar, Executive Director and Secretary of EEPC India, at Hannover Messe 2015

## TRADE FAIRS WITH INDIA AS 'PARTNER COUNTRY'

Another very successful initiative has been EEPC India's 'India Pavilions' at large Trade Fairs where India is the 'Partner Country'. This has been an effective way of

displaying high-quality and advanced technology and EEPC India makes full use of these exhibitions to promote Indian engineering goods.

# EEPC INDIA AT BHARAT MOBILITY GLOBAL EXPO

EEPC India played a pivotal role as the Coordinating Agency for Bharat Mobility Global Expo 2024 and 2025 by facilitating industry collaboration and ensuring seamless participation from key stakeholders across the global mobility ecosystem.

Hosted by Industry associations and supported by Ministry of Commerce & Industry, Government of India, Bharat Mobility Global Expos in 2024 and in 2025 emerged as one-of-its kind confluence covering the entire mobility ecosystem.

# EEPC INDIA CHAIRMEN WITH HEADS OF STATE DOWN THE YEARS

1980

Mr G.D. Shah, Chairman, EEPC India with Mr Neelam Sanjiva Reddy, President of India

2005

Mr Rakesh Shah, Chairman, EEPC India with Dr A.P.J. Abdul Kalam, President of India

2010

Mr Aman Chadha, Chairman, EEPC India with Mr Juan Manuel Santos, President of Colombia

2015

Mr Anupam Shah, Chairman, EEPC India, shaking hands with President of United Republic of Tanzania, Mr Jakaya Kikwete in presence of President of India, Mr Pranab Mukherjee.

2017

Mr T.S. Bhasin, Chairman, EEPC India, with Mr Bohuslav Sobotka, Prime Minister of the Czech Republic ( to the left of Mr T S Bhasin)

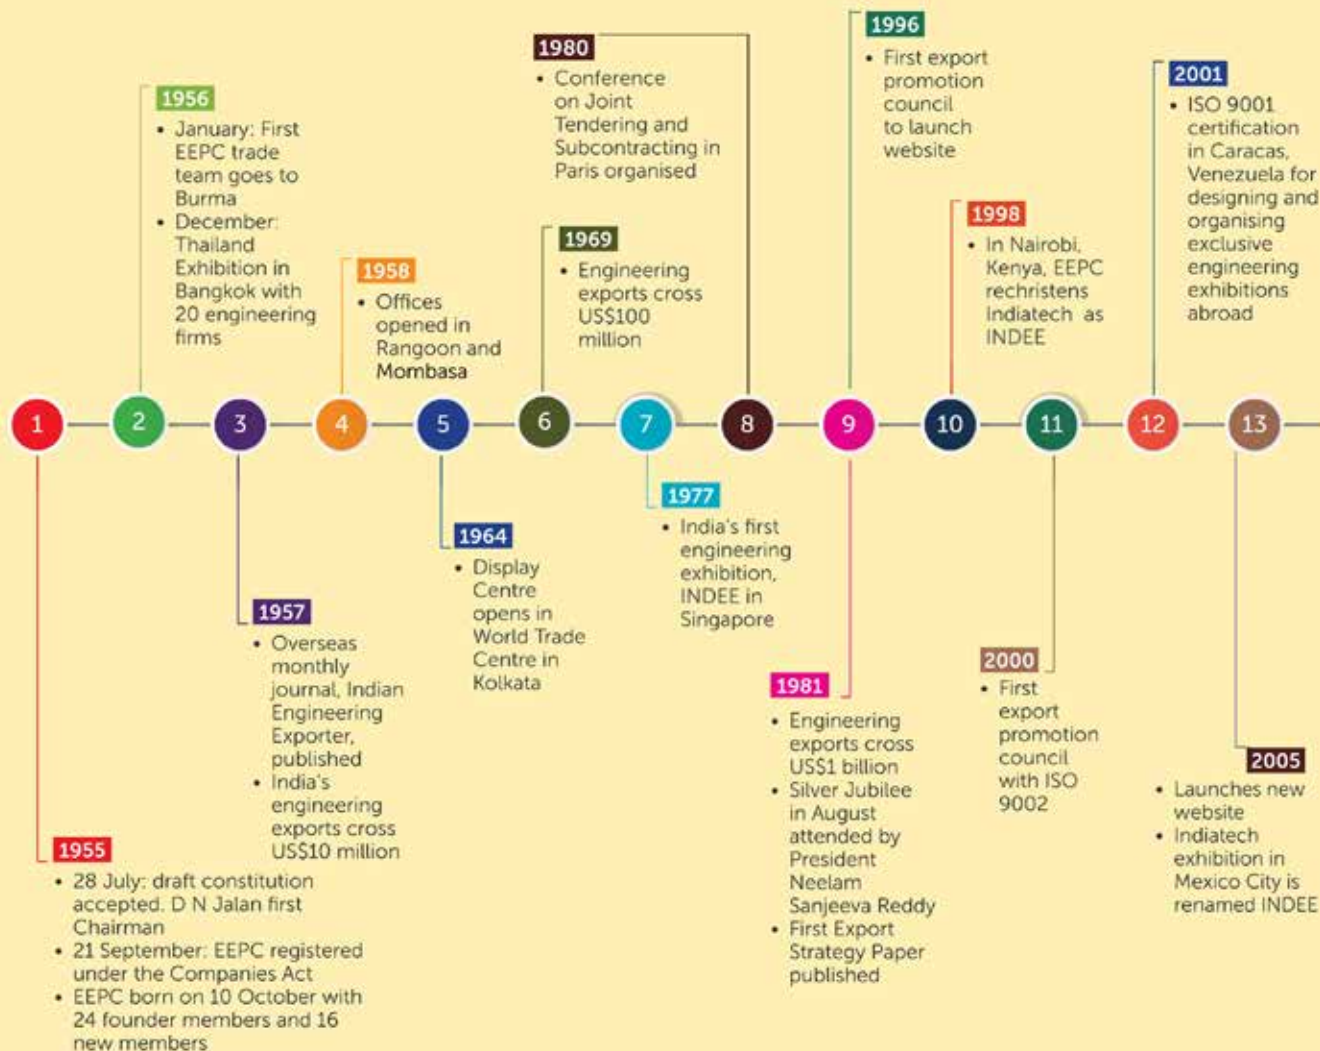

2025

Mr Pankaj Chadha, Chairman EEPC India with Mr Narendra Modi, Hon'ble Prime Minister of India meet at a lunch organised by PMO at Hyderabad House, New Delhi on 25th January 2025

Mr Arun Kumar Garodia with Indian Prime Minister, Mr Narendra Modi; Greek Prime Minister, Kyriakos Mitsotakis (in between Mr Modi and Mr Garodia) on August 25, 2023 in Greece

# INDIA'S 69-YEAR JOURNEY

---

# PRODUCT GROUPS WITH STRONG SUPPLIER BASE

---

1. Renewable Energy Equipment
2. Heavy Industries - Industrial Machinery for Paper, Cement, Chemicals and Textiles
3. Food Processing Machinery
4. Agricultural Machinery
5. Other Industrial Machinery
6. Heavy & Light Motor Vehicles
7. Automobile Parts & Components
8. Bicycle, Parts and Similar Items
9. Internal Combustion Engines
10. Electrical Machinery
11. Two Wheelers and Three Wheelers
12. Electrical and Home Appliances
13. Iron and Steel
14. Machine Tools
15. Hand Tools & Cutting Tools
16. Fabricated Steel Structures including Transmission Line Towers
17. Steel Pipes, Tubes and Fittings
18. Steel Wire, Wire Products and Cables
19. Bright Bars and other Misc. Products
20. Sanitary Castings including Builders Hardware

21. Ferrous Industrial Castings
22. Steel Forgings - all types
23. Aluminium and Products (other than Castings)
24. Other Non-Ferrous Metals & Manufactures thereof  
(other than Aluminium)
25. Super Star/Star/ Trading and Export House
26. All types of Fasteners and Builders Hardware including Hinges, Door  
Fittings, Locks, Pad Locks etc. of Base Metal
27. Pumps - all types
28. Project Exports and Design, Technical and Consultancy Services
29. Construction and Earthmoving Machinery
30. Special Economic Zones and 100% Export Oriented Units
31. Mica and other Mineral Products
32. Office Equipment and similar products
33. Industrial & Scientific Instruments
34. Railway and related Products and Equipment
35. Ferro Alloys.
36. Household and Kitchenware
37. Industrial Equipments and Accessories
38. Pharmaceutical Machinery, Medical & Surgical Equipment

## THE WAY FORWARD

- Help the manufacturing sector reach 25% of GDP
- Create synergy by partnering with similar bodies in India and the world
- Equip SMEs to compete globally
- Provide Indian exporters a single window and new-generation services network
- Use cutting-edge technology to promote trade
