About the event

Over 26 Years of sustained success in serving the leaders for Electricity, Alternative Energy, Air Conditioning, Lighting and Water Technology!!

Saudi Elenex 2026 is the 27th edition of one of the Middle East's leading trade exhibitions for the electricity, energy, lighting, HVAC-R (Heating, Ventilation, Air Conditioning & Refrigeration), electromechanical systems, alternative energy, and water technologies sectors. Scheduled to take place from 16 – 19 November 2026 at the Riyadh International Convention & Exhibition Center (RICEC) in Riyadh, Saudi Arabia, this event brings together industry professionals, solution providers, manufacturers, investors, and decision-makers from across the globe to explore and showcase the latest innovations, products, and services shaping the future of energy and building technologies.

Saudi Elenex serves as a central platform for technological advancement, business networking, and market growth in sectors critical to Saudi Arabia's development and Vision 2030 objectives. It aligns with the Kingdom's broader agenda to diversify the economy, accelerate sustainable energy adoption, and modernize infrastructure.

TRADE RELATIONS & OPPORTUNITY

SAUDI VISION 2030

Saudi Elenex 2026 stands out as a pivotal exhibition in the MENA region for energy solutions, smart building technologies, and electromechanical systems. By facilitating innovation exchange, business networking, and sector growth, it plays a vital role in supporting both corporate participants and national development objectives, particularly in line with Saudi Arabia's Vision 2030 growth and sustainability goals.
