REPORT OF THE WORKING COMMITTEE

To the Members of EEPC India

Your Committee is pleased to present its 65th Annual Report for the financial year ended 31st March 2020 together with the Audited Financial Statement of Accounts and the Auditor's Report for the said period. Your Committee gratefully acknowledges the encouragement, co-operation and support extended by the Members throughout the year. In order to maintain transparency, transactions of major financial impact were discussed in the working committee meetings from time to time.

Membership

The Membership Strength in the Council as on 31.03.2019 was 12053 and as on 31.03.2020 was 11279.

The details are as under:-

	As on 31.03.2020	As on 31.03.2019
Ordinary Members	3537	3791
Associate Members	7694	8202
Nominated & Affiliated Members	48	60
Total:	<u>11279</u>	<u>12053</u>

Financial Status

Summary of Income & Expenditure Account

	2019-2020	2018-2019
Income from Members' & Other Income	395,981,718	449,884,302

Interest	19,921,732	16,849,026
Total Income	<u>659,989,340</u>	<u>654,710,443</u>
Total Expenses	652,573,828	637,051,661
Surplus / (Deficit) for the year	<u>7,415,512</u>	<u>17,658,782</u>

Dividend

The Council is registered under section 8 of the Companies Act, 2013 as not for profit entity. Hence, no dividend can be declared by the Council.

Material Changes and Commitments

No material changes and commitments affecting the financial position of the Council occurred between the end of the financial year to which this financial statement relates and the date of this report.

Conservation of Energy, Technology Absorption, Foreign Exchange Earnings & outgo:

1. Conservation of Energy, Technology Absorption

The particulars as required under the provision of Section 134(3)(m) of the Companies Act, 2013 in respect of conservation of energy and technology absorption have not been furnished considering the nature of activities undertaken by the Council during the year under review.

2. Foreign Exchange Earnings and Outgo

During the financial year 2019-20, the foreign exchange earnings of the Council amounted to **Rs.11749925** as against **Rs.12734443** in the previous year. The expenditure in foreign exchange during the financial year was **Rs. 28311062** as compared to **Rs. 225407223** in the previous year.

Loan, Guarantees or Investments

Particulars of loans given, investment made, guarantees given, if any, and the purpose for which the loan or guarantee and investment is proposed to be utilised are provided in the standalone financial statement in note nos 2.7& 2.11.

Extract of Annual Return

In accordance with Section 134(3)(a) of the Companies Act, 2013 read with Rule 12 of the Companies (Management and Administration) Rules, 2014, an extract of the Annual Return for the financial year ended 31st March, 2020 in Form MGT-9 is appended as **Annexure – 1** to the Working Committee Report.

Internal Financial Control and Its Adequacy:

The Council has a proper and adequate internal control system commensurate with its nature of activities and meets the following objectives:

- providing assurance regarding the effectiveness and efficiency of operations;
- efficient use and safeguarding of resources;
- compliance with policies, procedures and applicable laws and regulations; and
- transactions being accurately recorded and promptly reported.

The members of the Working Committee regularly review the adequacy of internal control system.

Corporate Social Responsibility (CSR)

The Council has voluntarily undertaken CSR activity and has made expenditure/contribution of Rs.21,00,000 for such activity during the financial year 2020-2021 besides organizing camp for free distribution of face mask and sanitizers.

Committee Responsibility Statement

As stipulated in section 134(3)(c) of the Companies Act, 2013, your Committee subscribes to the “Committee Responsibility Statement” and confirms as under:

- 1) That in the preparation of the Annual Accounts for the financial year ended March 31, 2020, the applicable accounting standards have been followed and there are no material departures;
- 2) That the committee has selected such accounting policies and applied consistently and made judgments and estimates that are responsible and prudent so as to give a true and fair view of the state of affairs of the Council at the end of the financial year and of the Surplus of the Council for the year ended on that period;
- 3) That the committee has taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Council and for preventing and detecting fraud and other irregularities;
- 4) That the committee has prepared the Annual Accounts of the Council on a going concern basis.
- 5) That the committee has laid down internal financial controls to be followed by the Council and such internal financial controls are adequate and were operating effectively; and
- 6) That the committee has devised proper systems to ensure proper compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Auditors and Auditors' Report

Statutory auditors

Under Section 139 of the Companies Act, 2013 and the Rules made thereunder, it is mandatory to rotate the statutory auditors on completion of the maximum term permitted under the provisions of Companies Act, 2013. In line with the requirements of the Companies Act, 2013, M/s. Ranjit Jain & Co., Chartered Accountants, as the statutory auditors of the Council for a period five consecutive years from the conclusion of the ensuing 64th AGM till the conclusion of the 69th AGM to be held in the year 2024. The requirement for the annual ratification of auditors' appointment at the AGM has been omitted pursuant to Companies (Amendment) Act, 2017 notified on May 7, 2018.

During the year, the statutory auditors have confirmed that they satisfy the independence criteria required under the Companies Act, 2013 and Code of ethics issued by the Institute of Chartered Accountants of India.

Committee's Comment on the Auditors' Report

The observations of the Statutory Auditors, when read together with the relevant notes to the accounts and accounting policies are self-explanatory. There are no qualification, reservation or adverse remark or disclaimer made by the said auditors in their report.

Cost records and cost audit:

Maintenance of cost records and requirement of cost audit as prescribed under the provisions of Section 148 (1) of the Companies Act, 2013 are not applicable for the activities carried out by the Council.

Number of meetings of the Working Committee

During the year, the Council held four Working Committee Meetings on 12th June 2019, 30th August, 2019, 10th December 2019 and 4th March, 2020 respectively. The necessary quorum was present for all the meetings. The intervening gap between any two meetings was within the period prescribed by the Companies Act, 2013.

Significant and Material Orders, if any

During the year, there were no significant and material orders passed by the regulators or courts or tribunals impacting the going concern status and the Council's operation in future.

Reporting of Frauds by Auditors

During the year under review, the Auditor had not reported to the Working Committee any matter under Section 143 (12) of the Companies Act, 2013, any instances of fraud committed against the Company by its officers or employees, the details of which would need to be mentioned in the Report of Working committee [i.e. the Board].

Prevention of Sexual Harassment at Workplace

As per requirement of The Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013 and Rules made thereunder, your Council has constituted Internal Complaints Committee (ICC). During the year, No complaints were received by the Council.

Compliance with Secretarial Standards:

The Council is in compliance with the applicable Secretarial Standards issued by the Institute of Company Secretaries of India and approved by the Central Government under section 118(10) of the Act.

Particulars of Employees

There was no employee of the council who received remuneration in excess of the limit prescribed under section 197 of the Companies Act, 1956 read with Rule 5 of the Companies (Appointment and Remuneration) Rules, 2014.

Global health pandemic from COVID-19

The World Health Organization declared a global pandemic of the Novel Coronavirus disease (COVID-19) on February 11, 2020. In enforcing social distancing to contain the spread of the disease, our offices all over India have been operating with minimal or no staff for extended periods of time. In keeping with its employee-safety first approach, the Company quickly instituted measures to trace all employees and be assured of their well-being. Our teams reacted with speed and efficiency, and quickly leveraged technology to shift the workforce to an entirely new 'work-from-home' model. Proactive preparations were done in our work locations during this transition to ensure our offices and technology centers were safe. Policy changes related to working from home and IT infrastructure support were rolled out overnight to help our employees shift to this new work paradigm. Continuous communication on the latest updates played a key role in enabling our employees to stay on top of the evolving situation.

There are many unknowns today and hence, the near-term outlook is extremely uncertain. We stand united with the nation in the fight against COVID-19 as we navigate our way through these dynamic uncertain times together. Our focus remains on safety of our people, taking necessary steps to protect and promote exports of engineering products from the country. Despite the near-term ambiguity, we remain confident of the medium to long-term growth prospects of the Engineering sector. We are working closely with Governments to ensure that we overcome this global health crisis together.

As a responsible member of the communities that it operates in, EEPC India has contributed to various COVID-19 relief and monitoring programmes in India. Contributions made here will be channelized through suitable government agencies.

The Company's focus on liquidity, supported by a strong balance sheet and acceleration in cost optimization initiatives, would help in navigating any near-term challenges in the demand environment.

Green Initiatives

Electronic copies of the Annual Report 2019-20 and Notice of the 65th Annual General Meeting are sent to all the members to that email ID registered with EEPC India. The Physical copies of the aforesaid documents will also be available at all the offices of EEPC India for inspection during normal business hours on working days. Also, the printed copies of the same will be made available on specific requisition.

Appreciations and Acknowledgements

We are grateful to the members for their co-operation, fruitful suggestions and guidance from time to time.

We also thank the Government of India, particularly the Ministry of Commerce, the Ministry of Finance, the Ministry of Corporate Affairs, the Income Tax Department, the Reserve Bank of India and other government agencies for their support, and look forward to their continued support in the future.

On behalf of the Working Committee

Sd/-

Mahesh Kantilal Desai

Chairman

The Working Committee of EEPC India has the pleasure in presenting its report on the activities of the Council for the year ended 31st March, 2020.

EXPORT PERFORMANCE

The Working Committee of EEPC INDIA has the pleasure in presenting its report on the activities of EEPC India for the year ended 31st March, 2020.

A. OVERALL EXPORTS DOWN BY 3.69% DURING APRIL-MARCH 2020

Based on the provisional data published by DGCI&S Cumulative value of exports for the period April-March 2019-20 was US\$ 313361.04 Million (Rs.2222356.5 Crore) as against US\$ 330078.09 Million (Rs.2307575.95 Crore) registering a negative growth of 5.06 per cent in Dollar terms and 3.69 per cent in Rupee terms over the same period last year.

B. PERFORMANCE OF ENGINEERING SECTOR IN FY 2019-20

According to the provisional data available from DGCI&S up to March 2020, India's export of engineering goods have registered a negative growth of 5.78 % in US\$ million during the financial year 2019-20 in comparison to the same period in the previous fiscal. The provisional data indicates the exports of engineering goods from India have reached 76275.54 US\$ million up to March 2020 in comparison to 80955.54 US\$ million in the previous fiscal.

In rupee terms India's export of engineering goods are valued at Rs.540946.1 Crores during April-March 2019-20 which is 4.42% lower than Rs.565960.2 Crores during April-March 2018-19.

The engineering sector appears to retain its share around 23.11% in overall export from the country, which is maximum in terms of sectoral contribution.

C. PERFORMANCE: COMMODITY-WISE

What's  : and What's  in March

In Comparison to cumulative export performance in April-March 2018-19

What's up : Nickel and products made of nickel, Office Equipments, Prime Mica & Mica Products, Cranes Lifts & Winches, Accumulator and Battery.

What's down: Motor Vehicle/cars, Auto Components/Part, Aluminium and products made of aluminium, Machine Tools, Copper and products made of copper, Other Construction Machinery, Aircrafts, Spacecrafts and parts, Ships, Boats and Floating structures, Air condition and Refrigeration Machinery and Parts, Industrial Furnaces, Water heaters and Centrifuges and Compressor, Railway Transport and Parts.

Export Performance of Principal Commodities: for March - 2020

(Figures in US\$ Million Prov.)

Principal Commodity	Cumulative Exports 2018-19	Cumulative Exports 2019-20	Growth %
Iron and Steel	9731.16	9260.74	-4.83
Electric Machinery and Equipment	8415.06	8958.81	6.46
Motor Vehicle/cars	8510.5	7810.65	-8.22
Products of Iron and Steel	7259.37	7004.58	-3.51
Industrial Machinery for dairy, agriculture, food processing, textiles, paper, chemicals, etc	5884.8	5674.27	-3.58
Auto components/parts	5784.5	5304.39	-8.30
Aluminium and products made of Aluminium	5730.87	5114.52	-10.75
Ships, Boats and Floating Structures	5699.6	4563.9	-19.93
Other miscellaneous items	2710.39	2817.68	3.96
IC Engines and Parts	2759.32	2555.68	-7.38
Two and Three Wheelers	2126.31	2110.78	-0.73
Medical and Scientific Instruments	1684.87	1768.37	4.96
Machinery for atms, Injecting Moulding machinery, valves, etc	1631.24	1761.4	7.98
Aircrafts, Spacecrafts and Parts	1715.28	1427.19	-16.80
Other construction machinery	1660.78	1406.39	-15.32
Air condition and Refrigeration Machinery and Parts, Industrial Furnaces, Water heaters and Centrifuges and Compressor	1983.63	1383.08	-30.28
Pumps of all types	1002.73	959.07	-4.35
Copper and products made of copper	1067.18	918.11	-13.97
Nuclear Reactors, Industrial Boilers and Parts	824.42	815.68	-1.06
Hand Tools, Cutting Tools and Implements made of Metals	764.48	752.45	-1.57
Zinc and products made of zinc	603.01	569.07	-5.63

Principal Commodity	Cumulative Exports 2017-18	Cumulative Exports 2018-19	% change over 2017-18
Cranes, lifts & winches	503.66	566.34	12.44
Other Non Ferrous Metals and their products	545.67	546.37	0.13
Machine tools	491.84	438.54	-10.84
Accumulator and Battery	375.37	410.83	9.45
Bicycle & parts	396.28	373.15	-5.84
Lead and products made of Lead	402.9	372.06	-7.65
Railway Transport and Parts	377.14	238.95	-36.64
Office equipments	141.27	189.24	33.96
Nickel and products made of Nickel	73.55	98.74	34.25
Electrodes, Accumulators and Batteries	54.2	55.22	1.88
Prime mica & mica products	34.33	39.43	14.86
Tin and products made of Tin	9.83	9.86	0.31

D. TOP DESTINATIONS

Export performance to Top 20 Destinations for March 2020

(Figures in US\$ Million)

Importing Country	Cumulative Exports 2018-19	Cumulative Exports 2019-2020	Growth %
U S A	11905.72	11929.38	0.199
UAE	4303.60	4465.50	3.762
GERMANY	3244.12	2988.93	-7.866
NEPAL	2992.34	2633.93	-11.978
U K	2801.10	2598.18	-7.244
BANGLADESH PR	2864.80	2452.78	-14.382
MEXICO	2505.31	2348.44	-6.262
MALAYSIA	1759.35	2327.67	32.303

E. TOP 5 DESTINATIONS: PRODUCT PERFORMANCE

Destinations	Substantial Growth
U S A	Office Equipments, Accumulator and Battery, Cranes Lifts & Winches, Electric Machinery and equipment, Other Misc. Items, Electrodes Accumulators and Battery
UAE	Aircrafts, Spacecrafts and Parts, Office Equipments, OTHER MISC. ITEMS, Industrial Machinery, Motor Vehicle/cars, Hand Tools, Cutting Tools and Implements made of Metals, Machinery for ATMs, Pumps of all types, Accumulator and Battery
GERMANY	Ships, Boats and Floating Structures, Prime Mica & Mica Products, Office Equipments, Tin and products made of tin
NEPAL	Ships, Boats and Floating Structures , Aircrafts, Spacecrafts and Parts , Nuclear Reactors, Industrial Boilers and Parts, Nickel and products made of nickel, Aluminium and products made of aluminium, Tin and products made of tin, Medical and Scientific Instruments
UK	Ships, Boats and Floating Structures, Two and Three Wheelers, Office Equipments, Cranes Lifts & Winches

PROMOTIONAL ACTIVITIES

2019 – 20 witnessed 25 Overseas events across 20 nations and 2 domestic event including 41st edition of INDEE, 9th edition of IESS and 1 RBSM and 2 BSMs abroad, The 20 countries included Germany, USA, Ethiopia, Guatemala, Honduras, Chile, Peru, UAE, Bangladesh, Vietnam, Czech Republic, Kazakhstan, Nigeria, Malaysia, Australia, Jordan, Egypt, Botswana, Indonesia, Nepal.

An elaboration:

Regular Publications

Monthly:

Indian Engineering Exports - ie²

EEPC INDIA has been publishing a 76 - 96 page coloured monthly magazine *Indian Engineering Exports* which has both domestic and overseas circulation of over 13,000 copies covering our members, Bureaucrats, Diplomats in India, Indian Embassies abroad, Bankers, Trade Associations and overseas events. International and Special Editions on various countries and events are published with deliberations on event specific sectors along with detailed country report wherever and whenever the events are being held so that the focus report acts as a prelude to the event and as a ready reckoner for the participants. A special column on Technological Upgradation in Engineering Sector in India by Experts from different reputed Educational Institutions and R & D Organisations have added a different dimension to the magazine.

There are also specialised economic policy oriented columns by Financial Experts and monthly detailed engineering export analysis by our in house Policy Team.

Covers of Indian Engineering Exports - ie²

This year there were 25 events across 20 countries. During the course of the year, the department had published 11 International Editions with worldviews on Germany, Sri Lanka, Botswana, Nigeria, Ethiopia, Bangladesh, Malaysia, Poland, Russia. Electrical Equipments, Machine Tools, Smart Engineering, Green Technology, Construction Machinery, Subcontracting, Textile Machinery, Engineering Technology, US GSP Withdrawal, Rubber & Plastics Machinery were few of the themes this year. The magazine had also carried wonderful post event reports of mega events like IESS, INDEE and National and Regional Awards.

It has also made significant contribution to the Council's revenue mobilising more than 9-10 advertisements per edition. This year we had Bengali version of this magazine

Generic for EEPC India Branding

EEPC INDIA at Work

This booklet was done synchronising with Smart Engineering theme of IESS IX. The book had pictorial depiction of all

- the key events including our Annual event - IESS - International Engineering Sourcing Show, INDEEs, Important Partner Country events like Hannover 2006 & 2015, INNOPROM 2016 and MSV Brno 2017;
- Silver, Golden and Diamond Jubilee celebrations
- Golden Jubilee of National Awards
- Technolgy Centre opened in Bengaluru and Kolkata and the services that the current and future centres would offer
- 13 Chapters in 13 States which were opened during the year May 2019 onwards.
- Important Publications
- EEPC India Milestones

Indian Engineering Booklet

This hand out was also changed with E-Vehicle as focus. It showcases the top performing sectors including Coal, Steel, Electric Machinery, Two Wheelers, Automotive Market, MSME units, Machine Tools, Casting, Engineering R&D and movement to Automation as Industry 4.0. India's over all Engineering Export Performance is also narrated.

This year we made a Bengali version with the 2019 edition theme of the booklet. The cover of the Bengali version was Redefining Technology 2020 version has the theme – Electrifying Growth

Calendar

Indian Scientists and Philosophers have made significant contributions to the developments of modern scientific thought and praxis the world over. EEPC India pays tribute to some of these brilliant minds whose works form the basis of various innovations in modern technology, engineering and many other fields and continue to do so even today.

It was very well appreciated by all quarters of readers including Bureaucrats, Diplomats, Industry Houses and our Members.

Doing Business Series in India 2019 and 2020

Doing Business in India series is done with the sole purpose to provide a ready reckoner to the probable Investors in India. It provides an overall update on India covering the key areas including, Taxation, FDI rules and Limits, SEZ policy at the backdrop of Macroeconomic changes. The engineering export sector along with the latest achievements and updates are also detailed. This series was updated twice during 2019-20 after Budget, prior to INDEE Bangladesh and IESS IX. A Bengali version is also done.

Doing Business Series in Bangladesh

This handbook was done detailing country specific details enabling the Indian participants get a skeletal view of the country policies and economic and socio political ambience

Product Catalogues

Focus sectors in IESS IX were chosen and Product Booklets were done on these five sectors Auto Components, Casting, Electrical Machinery, Pumps and Valves and Textile Machinery.

Event Specific Publications

Participant's profiles, Exhibitor Directories in Bengali and special publicity material including posters/standees, leaflets, jute bags, canvas bags, non- jute bags mugs, tee shirts, tissue paper holders, bottle, folders, dokra, filigree, branded pens, etc were prepared and distributed during the following events where India Pavilions were set up by EEPC India or EEPC India had partaken at BSMS/ Catalogue Show as part of other events:

Sl. No.	Name of the Event	Date	Location	Products covered in the event
1	India Pavilion in Hannover Fair 2019	01-05 April, 2019	Hannover, Germany	Industrial Supply - Subcontracting and Lightweight Construction; Development Design and Processes; Parts, Components & Systems; Power Generation and Supply; Transmission and Distribution; Conventional Energy: Oil, gas, coal and nuclear energy Renewable Energy: Solar energy/solar heating, biomass, biogas, bio-fuels, geothermal energy and hydroelectric power; Industrial Automation
2	India Pavilion in JIMEX 2019	08-11 April, 2019	Amman, Jordan	Industrial machines, Automation & Installation, Energy & Electrical Machines, Security & Monitoring systems, Solar & Renewable energy, HVAC, Refrigeration, Water & Gas Technology, Fire Figting & Safety Syatems
3	India Pavilion in BAUMA 2019	08-14 April, 2019	Munich, Germany	Construction vehicles, Lifting appliances and conveyors, Construction equipment, Handling & processing concrete, Mortar at construction sites, Formworks and scaffolds, Site installation, concrete products and prefabricated components, asphalt, dry mortar, plaster, screed and hardware store products, lime sandstone and building products using power plant residue, Building material handling and packaging

Sl. No.	Name of the Event	Date	Location	Products covered in the event
4	India Pavilion in International	11-17 May, 2019	Serbia	Agricultural machinery, equipment and parts, Tractor, Agricultural Implements, Combine harvesters - Mowers - Machines for soil preparation, Garden Tools, Machinery and equipment for food processing industry, Commercial structures and facilities for processing, Greenhouse structures, Packaging Machinery, Water Pumps, Irrigation Equipments, Milking Machines / Seeders, Silos, Mills, Conveyors, Breeding Equipment, Machines and equipment for orchards
5	India Pavilion in National Manufacturing Week 2019	14-17 May, 2019	Melbourne, Australia	Metal Cutting, Electronics & Electronic Components, General Manufacturing Engineering Products, Forgings, Refrigeration, Airconditioning & HVAC Products, Safety Equipments, Plant Service & Maintenance, Sustainable Manufacturing Solutions, Pumps , Pipes Valves and Fittings, Automobile Garage and Service Equipments, Mining and Construction Equipments, Agriculture Farm Machinery and Medical Devices and equipments, Surface Finishing
6	India Pavilion in Automechanika Middle East 2019	10-12 June, 2019	Dubai, UAE	Automobile- Parts & Components, Electronics & Systems, Repair & Maintenance, Accessories & Customizing, Tyres & Batteries, Car Wash, Care & Reconditioning
7	India Pavilion in GIFA 2019	25-29 June, 2019	Dusseldorf, Germany	Foundry and Melting Plants, Refractories Technology, Casting Machines, Control Systems and Automation, Environmental Protection and Waste Removal; Casting and Forming Steel, Environmental Protection, Waste Removal and Gas Purification, IT, Rolling Mills and Steel Mills; Ferrous Metal Castings, Non-Ferrous Metal Castings Services,

Sl. No.	Name of the Event	Date	Location	Products covered in the event
8	India Pavilion in Global Expo 2019, Botswana	06 - 09 August 2019	Gaborone, Botswana	Agro-industries, Textiles and garments, IT, Tourism, Power and Renewable Energy, Manufacturing, Machinery, Leather products, Mining, Construction, Automobiles, Electrical goods, Chemicals and cosmetics, Consultancy services
9	India Pavilion in Nigeria Pharma Manufacturers Expo 2019	28-29 Aug, 2019	Lagos Nigeria	Pharma Formulations, Cosmetics, Healthcare Products & Services, Pharma Bulk Actives, Additives, Processing Machineries, Packaging Machineries & Materials, Lab Equipments, Environment Control Equipments & Services, HVAC, Water Filtration, Environment Control Equipment, Filters, Distribution Systems
10	India Pavilion in Asian Utility Week & Power Gen 2019	03-05 Sep, 2019	Kuala Lumpur Malaysia	Power Generation, Transmission & Distribution, CRM & Billing, Customer Engagement, Solar Control Systems, Energy Storage, Renewable Integration, Future Energy Systems, Block chain Trading Systems, Virtual Power Plants, Micro grids, Energy Transition Consultants, Energy Services and Energy Management, Cloud Solutions, Artificial Intelligence, AMI Infrastructure, Big Data Analytics, Digital Enterprise, IOT, Mobility Transformation, Digital Transformation, Predictive Analytics, Field Service Management, Geospatial Information Systems, Drones & Unmanned Aerial Vehicle, Asset Management
11	India Pavilion in Kaz Build & Aquatherm 2019	4-6 Sep, 2019	Kazakhstan	Heating equipment, Water supply equipment, Pipes. Fittings & Valves, Control & Measuring Appliances, Automation Systems, Pools and equipment for pools and saunas, Engineering tools; Ventilation and air conditioning equipment, Heating, water supply and climate control systems design and installation services, HVAC, Landscaping Products & Services, Building Material Handling

Sl. No.	Name of the Event	Date	Location	Products covered in the event
				& Packaging, Construction Equip., Tools & Special Systems, Construction Machinery, Construction Vehicles, Cranes, Earthwork, Exterior Improvements
12	Power Pavilion in WEC 2019	9-12 Sept, 2019	Abu Dhabi, UAE	With over 150 countries represented, it is the world's largest and most influential energy event covering all aspects of the energy agenda. Running since 1924, the triennial World Energy Congress enables dialogue amongst Ministers, CEOs, policy-makers and industry practitioners on critical developments in the energy sector.
13	India Pavilion in International Fastener Expo	17-19 Sep, 2019	Las Vegas, USA	Fasteners, Production Machinery, Tool & Die, Supplies, Inspection / Testing Packaging Equipment, Specialty Fasteners and Tooling, Plant Maintenance & Safety Supplies Fastener Technology and Services
14	Expo in Edifica, Chile and BSM in Peru	02-05 Oct, 2019	Chile & Peru	Tools and machinery for construction, Constructive solutions, Equipments for construction, Product and materials for architects, Hardware and tools, Finishing materials
15.	India Pavilion in MSV Brno 2019	07 -11 Oct, 2019	Czech Republic	Machine tools, foundry, welding, plastics, surface technology, mining & metallurgy, metal working, other engineering products
16.	India Pavilion in Metalex 2019	10 -12 Oct, 2019	Ho Chi Minh City Vietnam	Machine Tools and Machining Centers, EDM Machine, Machine Accessories, Sheet Metalworking, Mold and Die, Cutting Tools, Bearings and parts, Abrasives, Metrology / Control Measurement, Surface Treatment, Material Handling, Fluid Power, Foundry, Pump & Valve, Industrial Robot, Metal Components & parts, Electrical & Electronics equipment, Automotive components, Motors & Vehicles, Ship Building & Marine Engineering, Telecommunication equipment,

Sl. No.	Name of the Event	Date	Location	Products covered in the event
17.	Expo in Ferret Expo Guatemala and BSM in Honduras	07-10 Nov, 2019	Guatemala & Honduras	Building & Construction machinery, Material handling equipment & parts, Agricultural and construction tools, Electric and pneumatic tools, Automotive tools, Ironmongery and Hardware, Materials and Electrical Accessories, Plumbing, Valves and Connections. Faucets & Accessories, Decorative paints and finishes, dyes, waterproofing, Gardening, pumps, hoses, clippers, tools. Accessories and Automotive Parts, Abrasives, Steels and wires, Welding equipment, Lubricants and additives, Parts for motorcycles and cars, Spare parts for brakes, Rubber and silicone gaskets and bushings, Materials and Equipment for Construction, Doors, Windows and Hardware for them, Locks, Equipment for industrial safety, Pumps for water, Vehicles and Transport, Aluminum and magnesium rings, Electric and gasoline pressure washing machines, Furniture for stores, signs, displays and shelves for storage, Builders hardware including Hinges , Door Fittings , Household and Kitchenware, Industrial Equipments and Accessories
18.	India Pavilion at MACTECH	13-16 Nov, 2019	Cairo, Egypt	Sheet Metal Working Machines, Wire and Tube Forming Machines, Milling Machines and Machining Centers, Grinding and Polishing Machines, Drilling and Boring Machines, Laser Machines, CNC Router & Laser Engraving Machines, Robotic Process and Automation, Horizontal and Vertical Lathes, Metrology Equipment, Wood Working Machines, Sheet Metal Working Machines, Industrial Bearings, Industrial Belts, Moulds and Dies, CAD/CAM System and Software, Drive & Transmission, Chains

Sl. No.	Name of the Event	Date	Location	Products covered in the event
				& Sprockets, Seals, Clutches & Couplings, Gearboxes and Lubrication; Industrial Belts, Moulds and Dies, Clutches & Couplings, Gearboxes and Lubrication; Welding Machines, Plasma Cutting Machines, Water jet Cutting Machines, Welding Electrodes and Wires, Plasma Torches and Accessories Spare, Hand Tools, Power Tools, Precision Tools, Pneumatic and Hydro – Pneumatic Tools, Industrial Fasteners, Abrasive and Adhesives, Airless Spray Equipment & Coating Technology, Generators Technology & Accessories
19.	India Pavilion in BIG FIVE 2019 Exhibition	25-28 Nov, 2019	Dubai, UAE	Bathrooms, Kitchens & Sanitary Ware, Building Services, Plumbing/Water Technology, Safety & Security Equipment, HVAC, Landscaping Products & Services, Building Material Handling & Packaging, Construction Equip., Tools & Special Systems, Construction Machinery, Construction Vehicles, Cranes, Earthwork, Exterior Improvements, Lifting Appliances & Conveying Systems, Material Processing & Handling, Site Clearing, Relocation, Site Installation Equipment, Transmission Engineering & Fluid Technology
20.	Catalogue Show at Manufacturing Indonesia	4 - 7 Dec 2019	Jakarta, Indonesia	Machinery Equipment, materials and services
21.	India Pavilion in Healthcare Supply Chain Show / Nepal Medical Show 2019	13-15 Dec, 2019	Nepal	Medical & surgical, clinical diagnostic & analysis, hospital infrastructure, consultancy, medical tourism, analytical & lab technology, biotechnology & life sciences, chemical methods & processing, drug discovery & research, education & training, research & development, environmental science, food & agriculture, testing & measuring, and forensic science. Concurrent event Healthcare Supply Chain Show was organized to link

Sl. No.	Name of the Event	Date	Location	Products covered in the event
				medicines, equipment's, infrastructure, suppliers, vendors and hospitals for efficient and effective utilization of resources at various associated segments
22.	Indian Engineering Exhibition (INDEE)	22-24 Jan, 2020	Dhaka, Bangladesh	Multiple Engineering Products
23.	RBSM at Imtex & Tooltech 2020	24-25 Jan, 2020	Bengaluru, India	Machine Tools
24.	India Pavilion in Arab Health 2020	27-30 Jan, 2020	Dubai, UAE	Medical Technology, Laboratory Equipment, Diagnostics, Physiotherapy and Orthopedic technology, Commodities and consumer goods for hospitals, Information and communication technology in healthcare, Surgical Products and services, Facility management, Medical disposables, Healthcare building technology, Medical services, Radiology, Consulting services in healthcare, Cardiology, Medical Publications.
25	Indian Engineering Pavilion In Ethiopia 2020 coinciding with ITME Africa 2020	14-16 Feb, 2020	Addis Ababa, Ethiopia	Iron and Steel, Auto Components, Pumps & Valves, Electrical Equipment & Tools, Machinery, Vehicles, Aluminium and articles, Food Process Machinery, waste reduction, Pollution prevention and accessories, Other Utility Machinery & Equipments, Spinning Machinery, Winding, Texturising, Machinery Related to Technical Textiles, Weaving Preparatory Machinery, Knitting and Hosiery Machinery and Auxiliary Machinery, Embroidery Machinery, Washing, Bleaching, Finishing Machinery, and Related Auxiliary Machinery, Printing & Digital Printing Machinery, Garment Making Machinery and Related Auxiliary Machinery, Laboratory Testing and Measuring Equipment, Logistic Transportation, Material Handling, Storage and Packing Equipment, Data Monitoring and Processing, Integrated

Sl. No.	Name of the Event	Date	Location	Products covered in the event
				Production, ERP Package & Web Base Solution Textile Industry
26.	India Pavilion in Asia Pharma 2020	28 Feb -1 March 2020	Dhaka, Bangladesh	Pharma Processing Plants & Eqpts, Pharma Packaging Machinery & Materials Clean-room & Environment Control Equipment & Services, Water Purification Plants & Services, Utility Eqpts, Services & Maintenance, Turnkey Contractors & Consultants, API, Bulk Drugs, Additives, Intermediates, API Manufacturing Plants & Machineries, Analytical & Biotech Lab Instruments, Glassware, Lab. Reagents & Consumables, Formulations & Contract Manufacturing, R&D, Biotechnology, CROs, Trade Associations & Trade Publications
27.	India Pavilion in Middle East Energy	03-05 March, 2020	Dubai, UAE	Automation & Control Systems, Cable Installation, Switch Cables & Cable Management Systems, Communication Equipment, Energy Management Systems, Energy Storage Devices, Electrical Distribution Equipment, Insulating Materials, Lighting - Lamps, Luminaries, LED, New & Renewable Energy, Nuclear Energy, Power Distribution Systems, Electronics, Electric / Power Generators, Power Transmission, Transformers, Utilities & Service providers
28	International Engineering Sourcing Show (IESS - IX)	4 - 6 March, 2020	Coimbatore, India	Industrial Supply and sourcing

Yearly Publications

EEPC INDIA published its 64th Annual Report for the year 2018-19 in English along with a Hindi version.

Event specific Publications :

Two Post Event reports were published INDEE Bangladesh 2020 and IESS IX.

Post Show Reports

INDEE Bangladesh

IESS IX

Mega Events where Publicity and Promotional Department had to make elaborate arrangements

1. INDEE Bangladesh 2020

22-24 January 2020, Dhaka, Bangladesh

EEPC INDIA organized its 41st Indian Engineering Exhibition (INDEE) Bangladesh successfully during 22-24 January, ICCB (International Conventional City Bashundhara), Bangladesh EEPC India's largest engineering exhibition INDEE in its 43rd year made a successful revisit to Bangladesh. The 41st edition was held over 22-24 January, 2020 in Dhaka, Bangladesh and saw overwhelming response from around 120 Indian Participants, more than 3000 focus trade visitors. Indian Oil Corporation and Bharat Earth Movers Ltd were the key Indian Participants at the event from among PSUs in India.

The event was organised with the support of Union Ministry of Commerce and Industry, Government of India; Indian High Commission in Bangladesh; Bangladesh High Commission in India, and leading local associations in Bangladesh - FBCCI (The Federation of Bangladesh Chambers of Commerce and Industry), BEMMA (Bangladesh Electrical Merchandise Manufacturers' Association), BEIOA (The Bangladesh Engineering Industry Owners Association) and IBCCI (India Bangladesh Chamber of Commerce and Industry) among other supporters.

The three day event was inaugurated by H.E. Nurul Majid Mahmud Humayun; Hon'ble Minister of Industries, Government of Bangladesh, in the august presence of H.E. Ms Riva Ganguly Das, Indian High Commissioner to Bangladesh and Md. Muntakin Ashraf, Sr Vice President, FBCCI. Mr Ravi Sehgal, Chairman EEPC India; Mr Mahesh K Desai, Senior Vice Chairman and Mr Suranjan Gupta, Executive Director of EEPC India also addressed the inaugural ceremony.

Mr Ravi Sehgal, Chairman, EEPC India delivering the welcome address and on the dais from left Mr. Suranjan Gupta, Executive Director, EEPC India; Md. Muntakin Ashraf, Sr. Vice President, FBCCI (The Federation of Bangladesh Chambers of Commerce and Industry); The Chief Guest, H. E. Mr Nurul Majid Mahmud Humayun, Hon'ble Minister of Industries, Government of Bangladesh; H. E. Ms Riva Ganguly Das, High Commissioner of India at Dhaka, Bangladesh

Welcoming the audience to the second edition of INDEE in Bangladesh, Mr Ravi Sehgal Chairman, EEPC India, said, the trade show aimed to seek Bangladesh as partner in global supply chain and also to increase awareness on India's rapid progress in the engineering sector across the globe. Bangladesh has emerged as India's major trading partner with bilateral trade exceeding USD 10 Billion along with Bangladesh exports crossing the one billion USD mark in the year 2019. Statistics speak for the success of our previous INDEE in Bangladesh. India and Bangladesh set a merchandise trade target of USD 10 billion to be met by 2018. Our maiden INDEE in Bangladesh was organized in November 2017 and India's engineering exports, constituting 30 percent of India's total merchandise exports to Bangladesh, grew by 30 percent between 2016-17 and 2018-19 to take total merchandise trade to USD 10.2 billion. Clearly INDEE was one of the key drivers that helped India to meet the said target. He added that Bangladesh is our most embraced neighbour with 4096.7 km. of shared border and as much as 60 bilateral institutional mechanism between us. It is one of the largest trading partners of India across the globe and the largest in South Asian region with ever strengthening trade volume.

H.E. Nurul Majid Mahmud Humayun, Hon'ble Minister of Industries, Government of Bangladesh while inaugurating the event said 'we had been pursuing a liberal investment and industrial policy for both the local and foreign investors. Our Government is setting up 100 economic zones with huge fascinating incentive package. Bangladesh achieved 8.15 % GDP growth in the fiscal 2018-19, exceeding all the previous records. Per capita income has risen to USD 1,909. As a result Bangladesh is now globally recognized as a 'role model' for development. Our Government is giving more thrust on the establishment of knowledge based high-tech green industries. Indian investment which reached USD 3.11 billion as of now, would help increase export of multipurpose products from Bangladesh to India apart from reducing the trade gap between the two countries'.

Mr Ravi Sehgal, Chairman, EEPC India presenting a memento to the Chief Guest, H. E. Mr Nurul Majid Mahmud Humayun, Hon'ble Minister of Industries, Government of Bangladesh, H. E. Ms Riva Ganguly Das, High Commissioner of India at Dhaka, Bangladesh is to the left of Hon'ble Minister and Md. Muntakin Ashraf, Sr. Vice President, FBCCI (The Federation of Bangladesh Chambers of Commerce and Industry) is on the far left

The Hon'ble Minister called upon the Indian entrepreneurs to invest in the country's special economic zones (SEZs) as Bangladesh is providing all sorts of policy support to the both local and foreign investors. Bangladesh's economy is growing fast in line with other rising economies of Emerging Asia under the visionary leadership of Hon'ble Prime Minister Sheikh Hasina. After recent graduation to lower middle income country status, Bangladesh is now on right track to become middle income, digital Bangladesh by the year 2021 and a developed nation by the year 2041.

He mentioned that 'Hon'ble Prime Minister Sheikh Hasina announced the 'Light Engineering Goods' as the 'Product of the Year' for 2020. So government is giving special emphasis on sustainable growth and development of light engineering sector'.

H.E. Ms Riva Ganguly Das, Indian High Commissioner to Bangladesh said Bangladesh and India will work jointly on the formation and integration of global supply chains in various fields. Besides, she said, there is an opportunity for India to supply machinery to the country's leading export sector- readymade garment. She also added that INDEE Bangladesh 2020 is giving an excellent platform to get connected with the engineering equipment and machinery providers of India and Bangladesh. She also pointed out that India and Bangladesh can jointly build a global supply chain and integration in a host of sectors. For instance, since Bangladesh has emerged as a leading exporter of apparels, India could be a partner in supply of textile machinery.

At the EEPC India Theme Pavilion - Post Inauguration the Chief Guest H. E. Mr Nurul Majid Mahmud Humayun, Hon'ble Minister of Industries, Government of Bangladesh (5th from left). To his right - H. E. Ms Riva Ganguly Das, High Commissioner of India at Dhaka, Bangladesh. Mr Ravi Sehgal, Chairman, EEPC India, Mr Mahesh K Desai, Sr Vice Chairman, EEPC India and Mr Suranjan Gupta, Executive Director, EEPC India. From Right - Mr Debasis Chakraborty, Sr Assistant Director, EEPC India (2nd), Mr Gurvinder Singh, Director (Exhibitions), EEPC India (3rd) and Ms Pallavi Saha, Sr Deputy Director, EEPC India (4th) also seen along with Indian exhibitors

Mr. Abdul Matlub Ahmed, President IBCCI organized a close interaction with the exhibitors of INDEE Bangladesh on 24th Jan 2020 where he discussed the policies and procedures on Doing Business in Bangladesh, the duty regime, investment policy, taxes etc.

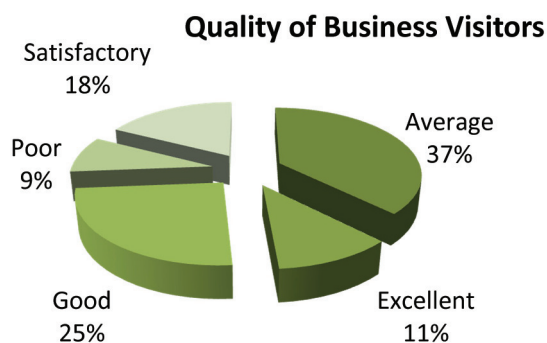

The match making of the Indian and Bangladeshi businessmen were very effective generating 54 enquiries valued at US 96,993. The event was well attended and saw the footfall of over 3000 trade visitors from Bangladesh. A few business contracts were also signed during the exhibitions and many of the exhibitors have appointed their agents and distributors during the show. Many of the Indian companies which have participated at the show are planning JVs and investments in Bangladesh. In view of the overwhelming response, EEPC India will organise the 3rd edition of INDEE Bangladesh from 11-13 February 2021 at ICCB, Dhaka.

Feedback Analysis

- 80 participants submitted their feedback form during the event.
- Information dissemination for INDEE Bangladesh 2020 was very much satisfactory as 61% of the participants were new comers.
- 61 participants provided information about the contacts made by them during the show and the total number of contacts were 1558 with an average of around 26 contacts per participants. Out of the total contacts made, over 80% were new contacts.
- Only a handful of respondents readily disclosed information on orders booked or enquiries generated by them during the event. The total number of enquiries generated by the respondent participants were 54 while the amount of enquiry generated was USD 96,993.
- This is really impressive that nearly 54% of the respondents were able to identify/appoint their agent/distributor during the show.

Key Takeaways from INDEE Bangladesh 2020

1. Quality of business visitors in INDEE Bangladesh 2020 was up to the mark as 54% found it far higher than average (either good or excellent or satisfactory).
2. 82% of the respondents were satisfied with buyer/delegates turnout during the show.

3. Design and Planning for the entire exhibition was extremely impressive as 84% of the respondents found it either good or excellent.

Pre – Event Publicity in India

A focussed publicity drive was carried out by EEPC India all over the country in order to create awareness about Council's such effort in Colombia. In order to mobilise participation, many seminars and road shows were organised all over the country. Besides these, other forums, conferences and exhibitions were also used as a channel to promote the exhibition and distribute the promotional literature on INDEE Bangladesh. A dedicated website was created to facilitate online registration.

Indian engineering trade show begins in Dhaka

Industries minister urges Indian entrepreneurs to invest in SEZs

Niaz Mahmud

A three-day Indian engineering trade show, styled 'INDEE Bangladesh 2020' began yesterday in the capital, seeking to forge global supply chain with partners from Bangladesh.

Industries Minister Nurul Majid Mahmud Humayun inaugurated the show at the International Convention City Bashundhara (ICCB).

Over 120 leading Indian companies including public sector undertakings (PSUs) like Indian Oil Corporation and Bharat Earth Movers, among others, are taking part in the event.

2. IESS IX

4-6 March 2020 in Coimbatore

IESS's 9th take

India's leading and EEPC India's annual engineering sourcing show – IESS outshined the Corona challenge and has opened the gateway for a 15 to 40% shift of world's Industrial sourcing to India.

The three day Engineering display and deliberation spread over 4-5-6- March, 2020 was held in Coimbatore with over 410 exhibitors, around 400 delegates from over 40 countries, over 50 speakers covering 10 Thematic Sessions comprising Vendor Development Meets with India's top PSUs, Global Sourcing Meets with top MNCs – Cameron – a Schlumberger (USA Company) and SAGE Group (Australia). Value added sessions on current areas of interest to the industry like Industry 4.0, Green Manufacturing, E-mobility and technology upgradation.

Around 50 companies from Malaysia, 125 from Tamil Nadu, 41 Companies from Partner State Pavilion (U.P.), 25 from Haryana, 3 from Jharkhand, 10- Uttarakhand, 7-West Bengal, 6- Karnataka, 12 Himachal Pradesh, 15 from Madhya Pradesh had booked their spaces along with a separate display pavilion from the respective State Governments.

This year - Malaysia as the Partner Country for the second time, Tamil Nadu as the Host State, Flanders from Belgium as Focus Region and UP as Partner State – each having their 4th presence and Haryana, Jharkhand, Uttarakhand, West Bengal, Madhya Pradesh, Karnataka, Himachal Pradesh, Gujarat and Jammu Kashmir are the Focus States /UTs and the over all support of the Department of Commerce, Union Ministry of Commerce and Industry underscore the internationalisation of this domestic event. Besides Commerce, Department of Heavy Industry, Ministry of MSME and Department of Atomic Energy

Lamp lighting from left Thiru K Rajamani, I.A.S. District Collector and District Magistrate in Coimbatore District, Government of Tamil Nadu; Mr. Mahesh K Desai, Sr. Vice Chairman, EEPC India, Thiru P. Benjamin, Hon'ble Minister for Rural Industries and MSME, Government of Tamil Nadu, Thiru M. C. Sampath, Hon'ble Minister for Industries, Government of Tamil Nadu, Dr. Rajendra Kumar, Principal Secretary, MSME Department, Government of Tamil Nadu; Dr. Anup Wadhawan, Commerce Secretary, Department of Commerce, Government of India, Mr. Ravi Sehgal, Chairman, EEPC India, Mr Azhar Taib, Deputy CEO, MARii (Malaysia Automotive, Robotics & IoT Institute), Mr. Arun Kumar Garodia, Vice Chairman, EEPC India and Mr. Rakesh Shah, Former Chairman and Chairman - Publicity Exhibition & Delegation Committee, EEPC India

supported the event. Office of Principal Adviser to the Government of India was also associated with the show.

The broad theme of this IESS was Smart Engineering with four pillars: “Subcontracting”; “Industrial & Electrical Machinery”; “Metal & Shop Floor” and “Innovation and Technology”. While Smart Engineering was the theme, IESS IX advocated the 4th Industrial Revolution in Indian engineering with its technology-centric events. Technology and Manufacturing are the two prime areas of IESS IX, Manufacturing included Metals and Tools this time. A dedicated Technology & Innovation Pavilion is one of the major highlights of the event. Spread in an area of over 400 sqm, the technology & innovation pavilion saw the participation from major IIT, institutes, Institutions in the area of R & D, Colleges and Universities etc. to name a few. The major participation at the Technology & Innovation Pavilion was from AIA-IIT D, ARAI, ARCI, Bhabha Atomic Research Centre, Board of Radiation & Isotope Technology, C4i4 Lab, CMTI, CSIR CEERI, CSIR NEERI, ECIL, ERDA, FIIT, FCRI. Heavy Water Board, IIT Bombay, IISc, NRDC, Nuclear Fuel Complex, Panacea Biotech, PSG College of Technology, Raja Ramana Centre for Advanced Technology, BEE, MSME Tool Room and Sharda University.

Front row from left Thiru K Rajamani, I.A.S. District Collector and District Magistrate in Coimbatore District, Government of Tamil Nadu; Dr. Rajendra Kumar, Principal Secretary, MSME Department, Government of Tamil Nadu; Mr. Ravi Sehgal, Chairman, EEPC India; Thiru P. Benjamin, Hon'ble Minister for Rural Industries and MSME, Government of Tamil Nadu; Thiru M. C. Sampath, Hon'ble Minister for Industries, Government of Tamil Nadu, Dr. Anup Wadhawan, Commerce Secretary, Department of Commerce, Government of India; Mr Azhar Taib, Deputy CEO, MARii (Malaysia Automotive, Robotics & IoT Institute), (on the second row,) Former Chairmen, EEPC India- Mr P. K. Shah (3rd from left), to his left- Mr Aman Chadha & Mr T S Bhasin and Mr Suranjan Gupta, Executive Director, EEPC India (far right)

Thiru M. C. Sampath, Hon'ble Minister for Industries, Government of Tamil Nadu receiving memento from EEPC India, Chairman, Mr. Ravi Sehgal. On the Dais from left - Mr. Rakesh Shah, Former Chairman and Chairman, Publicity-Exhibition & Delegation Committee, EEPC India; Thiru K Rajamani, I.A.S. District Collector and District Magistrate in Coimbatore District, Government of Tamil Nadu; Mr. Mahesh K Desai, Sr. Vice Chairman, EEPC India; Dr. Rajendra Kumar, Principal Secretary, MSME Department, Government of Tamil Nadu; Thiru P. Benjamin, Hon'ble Minister for Rural Industries and MSME, Government of Tamil Nadu; Dr. Anup Wadhawan, Commerce Secretary, Department of Commerce, Government of India; Mr Azhar Taib, Deputy CEO, MARii (Malaysia Automotive, Robotics & IoT Institute); Mr. Arun Kumar Garodia, Vice Chairman, EEPC India and Mr Suranjan Gupta, Executive Director, EEPC India.

The three day show was inaugurated by Thiru M. C. Sampath, Hon'ble Minister for Industries, Government of Tamil Nadu & Thiru P. Benjamin, Hon'ble Minister for Rural Industries and MSME, Government of Tamil Nadu and Dr. Anup Wadhawan, Commerce Secretary, Government of India, in the presence of; Dr. Rajendra Kumar, Principal Secretary to Government, MSME Department, Government of Tamil Nadu, Mr Azhar Taib, Deputy CEO, Malaysia Automotive Robotics & IoT Institute (MARii); Mr. Ravi Sehgal, Chairman, EEPC India; Mr. Mahesh K. Desai, Sr. Vice Chairman, EEPC India; Mr. Arun Kumar Garodia, Vice Chairman, EEPC India, Mr. Rakesh Shah, Former Chairman and Chairman Publicity, Exhibition and Delegation Committee, EEPC India and Mr. Suranjan Gupta, Executive Director, EEPC India.

Economic slowdown is not affecting Tamil Nadu. Tamil Nadu continues to be the best state to start an Industry said Thiru M. C. Sampath, Hon'ble Minister for Industries, Government of Tamil Nadu. He added-'On behalf of the State Government we thank the industrialists for conducting industrial exhibitions. Coimbatore continues to witness rapid growth in various manufacturing sectors, such as automobile components, motor pump sets, castings etc. Industrialists have started showing more interest in aerospace components, electric vehicle components manufacturing etc. which is highly appreciable. The Government is also helping the industrialists in every way. Next to Chennai, we give more priority to Coimbatore in industry related initiatives. More than INR 8,000 Crores (USD 1.08 billion) worth of investments have been approved to our State following our Chief Minister's visit to foreign countries, which will provide employment opportunities to more than 25,000 people. The Government is planning to develop an industrial estate at Perundurai through the State Industries Promotion Corporation of Tamil Nadu (SIPCOT). Thiru P. Benjamin, Hon'ble Minister for Rural Industries and MSME, Government of Tamil Nadu on establishing industrial estates exclusively for micro industries said, 'Tamil Nadu Government was planning to set up industrial parks in Chennai, Kancheepuram

and Tiruvallur for micro enterprises. The State Government has taken several steps to benefit MSMEs. The two Global investors' summits that were held in the State have attracted INR 15,710 Crores (USD 210 million) investments from 11,058 MSMEs. Since May 2018, when the MSME single window portal was launched, 54 approvals have been provided online'.

Union Commerce Secretary, Dr Anup Wadhawan said that 'IESS has moved to one of the fastest growing Tier II cities with respect to engineering. He added- 'for the country to achieve the USD 1 trillion export target, collective efforts were needed. The country should have an investor and manufacturing sector friendly environment. The Central government had taken steps to improve the ease of doing business. Special Economic Zones had been a success for some sectors. Similar state-of-the-art facilities were needed for manufacturing as well, he said. The Centre had recently engaged with export promotion councils to discuss the impact of COVID-19. If there were any threats to the supply chain, the Councils should address them, work jointly and source the required materials for their members', he said.

Dr. Rajendra Kumar, Principal Secretary to Government, MSME Department, Government of Tamil Nadu, said "We have seen a significant jump in the new MSMEs in the State this year. Tamil Nadu is the prime destination for investments".

Welcoming all, EEPC India Chairman Mr. Ravi Sehgal said – 'In the Southern Region, this would be the fourth in a row. The companies who are participating as exhibitors would not only be showcasing their technological strength, but also sharing the best contemporary manufacturing trends. The event has four main themes : "Subcontracting"; "Industrial & Electrical Machinery", "Future Factory" and "Innovation and Technology" which are critical components of the engineering value chain. This year's IESS is taking place in the background of challenging global economic environment. However, it would provide an opportunity for the participants to brainstorm and come up with out of the box solutions to meet headwinds like impact of Coronavirus on trade, economic slowdown and protectionist measures being resorted by several leading economies of the world.

The key takeaways of the session were the 4 MOUs signed between MARii & PSG College of Technology, MARii and SSEM (Society for Smart E-mobility) ; MARii and TiE and Forge and the fourth between EEPC India and IIW (Indian Institute of Welding).

11 Thematic sessions were held were over 50 Speakers addressed

• Global Investment Forum–

The session on Global Investment Forum – Seminar on Inbound and Outbound Investment Opportunities and included Presentation on the specific investment opportunities. These included presentation from partner Country Malaysia, Focus Region Flanders, Partner State- Uttar Pradesh and Host State- Tamil Nadu.

• Two Vendor Development Meet with Indian PSUs were held

The participating six Indian PSUs: Konkan Railway (Indian Railways), Southern Railways (Indian Railways), Ordnance Factory Tiruchirapalli (OFT) (Functioning under the Ordnance Factory Board of the Ministry of Defence, Government of India); Garden Reach Ship Builders & Engineers Ltd –GRSE (owned by Government of India), Vizag Steel, (Under Ministry of Steel), BHEL –Bharat Heavy Electricals Ltd (India's largest power generation equipment manufacturer under Government of India) and Goa Shipyard Ltd (Public Sector under Ministry of Defence) made presentations on aspects like listing of MSMEs as Vendors, their empanelment etc.

Special Address by Partner Country - Mr Roswaidin Mohd Zain, Director, MIDA (Malaysian Investment Development Authority), Chennai, delivering the Special Address by Partner Country at the Global Investment Forum

- **3 Global Sourcing Meets were held by Australian, Malaysia and Schlumberger (U.S.A.) Companies**

Australia

South Australian Leaders is an association that represents the business leaders, helping them to build knowledge, network, find funding and resources. Sage Group Holdings Ltd., was the 1st of the business leaders from Australia who spoke on the needs of Australian businesses and how India could supply those needs, creating a win win situation. Derby Rubber introduced the over 50 years old company which manufactures advanced industrial rubber products for diverse markets. Arieria spoke on the need to have a strong, appealing website.

Electrical Techniques reiterated the need for quality, competitive pricing and preliminary research before investing in Australia.

The time difference was an added advantage.

Malaysia

Delloyd Ventures Sdn Bhd is a manufacturing company with Joint ventures in Thailand, Indonesia and with companies in Malaysia.

Betamek has the vision of becoming a world class vendor in Automotive Electronics and Infotainment Systems. EXIM Bank is wholly owned by the Malaysian Govt. and Miti, which is the Stakeholder Ministry and is headquartered in KL.

Mr BD Agarwal, Regional Chairman (ER), EEPC India, delivering the welcome address. On his left, Ms Anima Pandey, Regional Director (ER) & Director (Membership), EEPC India; Ms. Natasha Malani, CEO, South Australian Leaders, Australia, Mr Andrew Downs, Founder and Executive Director, Sage Group Holdings Ltd, Australia; and Mr GK Madhogaria, Dy Regional Chairman (ER), EEPC India

- **USA**

Cameron – Schlumberger Company deals with oil and gas business for a period of more than 9 decades. Their suppliers in India are mainly concentrated in Southern and Western parts of India. The company is looking for expansion in India for which they need more suppliers and that they can get through IESS IX.

Sessions on latest trends in the Industry- A series of seminars and conferences were held to highlight the latest trends in the industry which can also help the manufacturing sector to move up the value chain and increase their productivity. These include:

- **Session on Industry 4.0**

EEPC India in association of Department of Heavy industry (DHI) is raising awareness on the 4th Industrial Revolution to drive the Indian manufacturing to a 'Smart and intelligent Manufacturing' Hub, by series of awareness raising sessions across various engineering clusters in India.

- **Session on e Mobility**

The interest that e-vehicles and e-mobility is attracting from the industry and common people was evident at IESS Show IX, Coimbatore as the session on e-mobility and a panel discussion on India as a key player in global e-mobility attracted a full house.

- **Roundtable on Green and Sustainable Manufacturing Technologies – the way forward**

The IXth edition adopted 'Green & Sustainable Manufacturing- Way Forward' as one of its key theme of a session, to highlight the emerging significance of such technologies in the Indian engineering manufacturing landscape.

- **Technology Forum**

The technology forum was organised with the support from Office of PSA to Government of India to handhold the Indian MSMEs for upgradating their technology and move up the value chain with technology intervention.

- **Open Industrial Innovation- Unleashing Technology and Talent for transformation –TiE Coimbatore + Forge (Partner Incubator)**

EEPC India in association with TiE Coimbatore and Forge organised a session on Open Industrial Innovation- Unleashing Technology and Talent for transformation. The session also saw the signing of Letter of Understanding by TiE Coimbatore and Forge Accelerator.

USD 743.2 million of prospective business were generated from over 300 B2B meetings were held with delegates representing from over 40 nations.

The closing ceremony announced the Best Pavilion Awards to Indian Exhibitors including Roots Industries India Limited under Large Enterprise Category;Geco Special Machiners under Small Enterprise Category, MSME Tools Room under Public Sector Unit, Uttar Pradesh and Haryana under State Category and Garudan Unmaned Services Pvt Ltd under Start Up category. Malaysia Pavilion won the award among Overseas Exhibitors.

87% rated the seminars and workshops at IEISS IX were excellent or good, 86% found the information dissemination of the event was excellent or good,83% found B2B sessions was excellent or good. The analysis reveals 10,203 new contacts were made averaging 45 contacts per exhibitor. 61% of the contacts were new and USD 0.51 million worth of spot orders were booked.

The panellists at the TiE & Forge Session: Ms Anima Pandey, Regional Director (ER) & Director (Membership), and Mr K Manickam, Working Committee Member, EEPC India; Ms Deepika Ramesh, Programme Chair & Charter Member, TiE, Coimbatore; Dr N Manickam, CMD, Sakthi Auto Components, Charter Member, TiE Coimbatore; Mr Vish Sahasranamam, Co-founder & CEO, Forge; Ms Hema Annamalai, Founder, Ampere Vehicles, Chair, TiE Woman, President, TiE Coimbatore; Mr Ilango, MD, RSM Autokast; Mr Rajesh Doraiswamy, JMD, Salzer Electronics; among others

Pre – Event Publicity in India and abroad

A focussed publicity drive was carried out by EEPC India all over the country and abroad in order to create awareness about the Council. To mobilise participation, many seminars, meetings and road shows were organised all over the country. Besides these, other forums, conferences and exhibitions were also used as a channel to promote the exhibition and distribute the promotional literature on IESS IX. A dedicated website was created to facilitate online registration (www.iesshow.in).

Promotional Literature for mobilisation of the Exhibition in India was done

IESS IX INTERNATIONAL ENGINEERING SOURCING SHOW

4-6 MARCH 2020
Codissia Trade Fair Complex, Coimbatore, India

The ninth edition of India's truly global engineering sourcing exhibition

OVERSEAS PARTICIPATION IN THE PAST 8 YEARS

Partner Countries - 6 partner countries like Canada (2012), Czech Republic (2013), COMESA Region (2014), Poland (2014), Russia (2017), Czech Republic (2018) and Malaysia (2019) from 4 continents (North America, Europe, Africa & Asia).

Delegates - On an average, around 500 delegates from across 60 nations.

Speakers - Speakers represent overseas Government and private organisations like JETRO (Japan), MARI (Malaysia), SIEMENS (Germany), DOVER CORPORATION (USA), BOSCH (Germany) among others.

Exhibitors - Since 2012, the number of exhibitors have kept increasing. From 220 exhibitors in 2012 to 346 in 2019, we expect to have a higher number this year.

IESS 2020 Would See

- Subcontracting Shows with Buyer's Village, Global Sourcing Meets, Sessions on Manufacturing Start Ups + Venture Capitals and Subcontracting Expositions
- Technology Sessions with Bureaucrats, Technopreneurs, Experts from world class institutes and presence of DRDO, ISRO, BARC besides R&D Institutions under DRI, Ministry of MSME and Ministry of Science and Technology
- Technology Pavilion, State Pavilion and Country and Industry Pavilions
- Over 400 Delegates from over 60 Nations
- 100 Indian Delegates, over 300 Indian and Overseas Exhibitors
- Four sub-themes with special emphasis on Casting, Forging Auto Components, Industrial fasteners and Pumps and Valves

Who will participate

Manufacturers, Merchants
Techpreneurs, Academicians, Start Ups
Scholars, Diplomats, Service Providers
Bureaucrats and Media

A Glimpse of past IESS Stakeholders

Russia, MARI, Czech Republic, Canada, SIEMENS, DOVER CORPORATION, BOSCH, ENGINEERING INVESTMENT & TRADE, FLANDERS INVESTMENT & TRADE, INDEXIT, COINDIA, The Indian Chamber of Commerce and Industry, ROOPS.

Post Event Report of IESS IX

Press Release / Press Conferences

- A number of press releases were issued before and after all the major events organised during the fiscal year.
- EEPC India organized a number of press meets during the year to highlight achievements on the overall engineering exports front and its efforts to promote engineering exports through its exclusive exhibitions, INDEE and IESS.
- Facts about EEPC India's strategy to increase India's share in the global trade were also disseminated through a press conference.
- In most of press conferences, the National Chairman of EEPC INDIA briefed the press and electronic media through pictorial and DVD presentations.
- All Mega events INDEE Bangladesh and IESS IX received very wide publicity and media coverages

EEPC, India to host engineering expo at Kovai

EXPRESS NEWS SERVICE
@ Coimbatore

ENGINEERING Exports Promotion Council of India (EEPC) would conducting an engineering expo for the first time in the city in March 2020.

EEPC India Executive Director Suranjan Gupta, Director (publicity and exhibitions) Shah, Coimbatore chapter president S Chandrasekar, while addressing media persons on Tuesday said, "So far we have successfully conducted five engineering shows at Mumbai and three at Chennai. Now, for the first time we have decided to conduct our expo in a non metro city. The expo will be held at Codissia Trade fair complex between March 4 and March 6."

Apart from the Ministry of Commerce and Industry, the expo would be jointly conducted by Department of Scientific and Industrial Research (DSIR), Department of Heavy Industry and Department of MSME, CSIR labs, Indian Institute of Technologies(IIT) in Delhi, Mumbai, Chennai and Ropar, they said.

EEPC India briefs Piyush Goyal on issues faced by exporters

Mr Goyal chaired the joint meeting of the Board of Trade and the Council for Trade Development and Promotion interacting with a large community of exporters and stakeholders.

By Sutanuka Ghosal, ET Bureau | Jun 06, 2019, 05:05 PM IST

PHOTO

Commerce and Industry Minister Mr Piyush Goyal.

Mr Goyal chaired the joint meeting of the Board of Trade and the Council for Trade Development and Promotion interacting with a large community of exporters and stakeholders.

In his presentation, EEPC India vice chairman Mr Arun Garodia said the US decision on stopping OSP would hit Indian exporters hard particularly in sectors such as engineering goods, chemical products and other labor intensive sectors. The removal of these duty concessions would make the majority of products relatively uncompetitive in terms of prices in the US market compared to exports from other developing countries.

Raising the issue of high prices of domestic steel as compared to international market, Mr Garodia said high cost of the crucial raw material has resulted into non-competitiveness of Indian downstream engineering exports. He said as recently as May 15 a meeting was held in ministry of steel where it was decided to form a committee under DGFT to look at this issue, which deserve the utmost priority.

In the backdrop of the US preferential treatment being withdrawn, "It is critical that our exporters get steel at international prices and we request the government to address this issue at the earliest. If we get steel at global prices, our exports will have tremendous buoyancy and we will be able to weather the protectionism with full force."

The EEPC India also briefed the new minister about the protectionist measures being faced by the engineering exporters in the European Union market. "The protectionism in the European Union resulting in quotas on exports of both carbon steel and stainless steel products has impacted the growth of our exports to EU. This is despite the fact that there is considerable demand for these products in these markets."

The other big obstacles for exporters include uncertainties arising out of WTO compatibility for incentive schemes like MEIS and interest equalization scheme. "There is an uncertainty in the minds of engineering exporters getting into long term contracts. We suggest that the un-rebated tax scheme be introduced at the earliest so that the phasing out of the existing incentives creates less disruption to our exports." Besides, small exporters to OFAC countries like Iran, Syria, Saudi Arabia face major problem due to caution caution listed by the RBI. "This issue needs to be addressed and exporters should not harassed if banks are not accepting payments from OFAC countries."

Mr Garodia also referred to the issues of customs procedures and facilitation. He said the Gujarat Court has struck down the pre-import condition under the Advance Authorisation scheme to avail IGST exemption. A large number of DRI cases were filed against exporters and demands for IGST payments were made. "Our member exporters want to know what the Government view is on this judgement. We feel that this judgement should be accepted and clarifications and notifications be issued so that DRI cases are dropped suo moto."

He said there are still past problems with regard to GST refunds pertaining to July- Sep 2017. Issues like the problem of higher or identical duty drawback taken during the transition period need to be resolved. The other issues brought in the review meeting by EEPC India related to lack of clarity with regard to IGST on supplies from the Special Economic Zones to the Domestic Tariff Areas. Exporters also wanted adequate credit and finance at lower interest rates even as the collateral requirements for small exporters make them un-competitive.

The investment in plant and machinery limits should be raised to Rs 50 crore or the turnover based definition of MSME should be introduced as soon as possible.

Exports contract for fourth month in a row

Imports see steeper decline at 12.7%

PRESS TRUST OF INDIA
NEW DELHI

India's exports contracted for the fourth month in a row in November, dipping 0.34% to \$25.98 billion, mainly on account of poor shipments of petroleum, gems & jewellery and leather products.

Imports too declined by 12.7% to \$38.11 billion in November, narrowing the trade deficit to \$12.12 billion, according to government data released on Friday.

Gold imports increased by 6.59% to \$2.94 billion in the month. Trade deficit stood at \$17.58 billion in November 2018. Out of the 30 key sectors, as many as 17 segments showed contraction in exports during the month under review.

Shipments of petroleum products, gems and jewellery, fruits and vegetables,

leather and leather products and readymade garments of all textiles contracted by 13.12%, 8.14%, 15.10%, 5.29% and 6.52%, respectively. In November, oil imports declined 18.17% to \$11.06 billion, while non-oil imports contracted 10.26% to \$27.04 billion.

Cumulatively, during April-November 2019, exports declined 1.99% to \$211.93 billion while imports contracted 8.91% to \$318.78 billion.

Trade deficit for the period narrowed to \$54.06 billion as against \$82.47 billion in April-November 2018-19.

EEPC India Chairman Ravi Sehgal said though engineering exports had put up a reasonably good show with 6.32% growth in November 2019, the external trade environment remains challenging and subdued.

Govt-industry delegation reaches out to Czech firms for scaling up investments in India

The delegation is led by secretary in the department of heavy industry, A R Sihag.

By Sutanuka Ghosal, ET Bureau | Oct 09, 2019, 02:15 PM IST

AGENCY

India's Ambassador to Czech Republic said, "India is seeking foreign investment particularly in the high tech areas and further strengthening its manufacturing under the flagship 'Make in India' programme."

With India having ushered in one of the biggest reforms by way of slashing corporate tax, a high level government-industry delegation led by secretary in the department of heavy industry, A R Sihag is reaching out to top Czech companies, including Volkswagen and Skoda Transportation to scale up their investment in India, leveraging the country as their global supply chain hub.

Mr Sihag, India's Ambassador to Czech Republic Mrs. Narinder Chauhan and the EEPC chairman Mr Ravi Sehgal along with other senior government officials organised

'India Investment Meet' at the International Engineering Fair (MSV) at Brno, in central Europe, on October 8. An Indian pavilion with a strong presence of engineering and technology firms, is showcasing the country's capability to the global businesses at the prestigious fair, between October 7- 11, 2019.

Addressing global companies and technology heads, Mr Sihag briefed them how India figures prominently on the investment radar of the top Czech companies. "Volkswagen Group is investing one billion Euros in the implementation of its project in India for developing new models, including a mid-size SUVs to be showcased in 2020. Importantly, the technical development of new products will take place in India," he said, citing the high profile and prestigious investment.

Likewise, the group Skoda Transportation has also developed hybrid vehicles and electric buses with the announcement of e-vehicles policy of Department of Heavy Industry. It holds specific interest for India in technology transfer and product development in the e-vehicle market. Dr Sihag said, underscoring how the country is placing a lot of focus on green fuel-driven automobile.

Along with EEPC India senior leadership, the DHI Secretary would be visiting plants and facilities of several Czech companies and universities for appraising on R&D and technology development.

In his presentation at the India Investment Meet, he said, India has set a target of raising the size of the capital goods sector from Rs. 2.30 lakh crores in 2014-15 to Rs 7.50 lakh crore in 2025, raising direct and indirect employment to 30 million from 8.4 million at present. Exports must also account for 40 per cent of engineering goods production from 27 per cent at present.

Addressing the gathering, India's Ambassador to Czech Republic said, "India is seeking foreign investment particularly in the high tech areas and further strengthening its manufacturing under the flagship 'Make in India' programme."

EEPC India chairman said that with the Indian government making the corporate tax rates competitive, foreign investors should find it a compelling case to seek green pastures in Indian manufacturing, especially when the two major economies of the world are locked in a trade war. The Indian government has slashed corporate tax to 22 per cent and even after surcharges and cesses, the effective rate is about 25 per cent. For new investment for plants going into stream before March 2023, the effective corporate tax rate is a shade above 17 per cent, which is very competitive for attractive investment into the 'Make in India' programme.

The International Engineering Fair (MSV) is the leading and prestigious industrial trade fair in Central Europe. More than 1600 exhibitors and 80,000 visitors participate each year. Over 50 per cent of exhibitors and 10 per cent of visitors come from abroad.

There are several Indian companies operating in the Czech Republic. They include Infosys, Ashok Leyland, Tata Tea, Alok Industries, Spentex Industries, Motherson Sumi, System Limited, Glenmark Pharmaceuticals, Lloyd Group, Lloyd Electric and Engineering Ltd.

TRADE INFORMATION DIVISION

During the year, Trade Information Division continued its efforts to provide information to the exporting community, Government and in-house in the areas of marketing intelligence, export potential of Indian engineering products and services. This included-

- **Mailing of EEPC India Territorial Newsletters** - EEPC India preparing various Newsletters on territory wise such as Africa, Latin America, North America, Europe, ASEAN+5 CIS, South Asia, Middle East and West Asia on monthly basis and mailing to all members of EEPC India and also hosted on website.
- **Bulk Mailing Campaigns** : The Bulk Mailing Campaigns were carried out to all members for Government Circulars, Notifications, Public Notices, Invitation Mailer for INDEE, The India Shows and also for EEPC India's various promotional activities.
- **Video Conferencing** : Implemented in EEPC India's offices in Kolkata, Mumbai, Chennai, New Delhi, Hyderabad, Bangalore, Ahmedabad and Jalandhar. A live session on Union Budget 2020 was organized and also other meetings such as Panel meetings, various Committee meetings, where the Chairman of EEPC India along with Working Committee members, Regional Committee members from different regions participated.
- **Country Profile/Market Surveys Reports** : Prepared reports of various countries. Those were published in the Weekly Newsletter (EEIB) and hosted in our website.
- **Trade Enquiry** : Trade enquiries received through Indian Embassies/Missions abroad, direct from the party had been provided to all members of EEPC India from time to time. In this regard, this division developed a format for verification purpose before publishing/disseminating the same to the members.
- **Marketing of EEPC India's Information Portal** : EEPC India's website updated regularly by the TID Department by hosting the day to day information and various activities. The department also provides hyper-linking service to its member by which members can get worldwide coverage of Indian Engineering Sector through EEPC India's website by hosting/hyper-linking their website.
- **Database of Foreign Buyers/Distributors/Importers** : Database of foreign buyers, distributors, importers of various countries relating to EEPC India's promotional events as well as members requirement were prepared and provided for mailing campaigns.

EEPC India developed a "Technology Portal Microsite" on EEPC India homepage. The objective of the dedicated microsite is to provide a simple & comprehensive online platform to the industry and access to global technologies in engineering sector.

- With an objective to promote the concept of automation and digitization among the Indian industry, EEPC India with the support of Department of Heavy Industry, Government of India initiated a series of awareness programmes on "Industry 4.0". The first such programme was organized in Chennai on 15 March 2019 to coincide with IESS.
- EEPC India is working consistently to promote the cause of technology upgradation among the Indian industry. In this context, EEPC India is working closely with the Office of Principal Scientific Advisor to Government of India to build a connect between the engineering manufacturing clusters with relevant CSIR Labs.

POLICY MATTERS

1. RCEP Negotiation

- The Regional Comprehensive Economic Partnership Agreement (RCEP) is a proposed free trade agreement (FTA) between the ten member states of the Association of Southeast Asian Nations (ASEAN) (Brunei, Cambodia, Indonesia, Laos, Malaysia, Myanmar, the Philippines, Singapore, Thailand, Vietnam) and its six FTA partners (China, Japan, India, South Korea, Australia and New Zealand). RCEP negotiations were formally launched in November 2012 at the ASEAN Summit in Cambodia.
- The 8th Inter-sessional Ministerial Meeting was held in Beijing during 2nd and 3rd August 2019 and prior to that the Commerce and Industry Minister, Mr. Piyush Goyal carried out a series of consultations with different stakeholders to understand their respective concerns. EEPC India was present in three of such meetings in Mumbai and Delhi respectively. While many issues were discussed, our main contention with respect to RCEP could be summed up as follows:
 - RCEP is essentially becoming a Free Trade Agreement between India and China. We believe the RCEP will be used by China to have such an agreement as otherwise India would never agree to a bilateral trade agreement. We already have a FTA with ASEAN and comprehensive economic arrangements with Japan, Korea, Singapore, and Malaysia in the RCEP region. Australia and New Zealand, we are already in discussion on some form of trade agreement but from the perspective of Industry, these are not make or break agreements;
 - We have a huge trade deficit in the RCEP region, particularly, with China and the ASEAN countries. Industry fears that dropping of tariffs will exacerbate the trade deficit from China, in particular, and thereby put water into Prime Minister's call for Make in India. We have, therefore, suggested a cautious approach of back loading tariff drops, if at all the Government signs RCEP. A differential tariff schedule for China is a must and the number of lines under tariff lines should be much lower than the rest of the countries;
 - We need clarity on liberalization of tariffs chapter wise. Our suggestion is that raw materials should be opened first, then intermediate products and thereafter final goods to promote Make in India and prevent inverted duties being exacerbated further. Moreover, all tariff line wise import substitution measures taken since 2014 should be in the exclusion list; and
 - Last but not the least, the Rules of Origin should be the same as that of ASEAN FTA to prevent spaghetti bowl effects for exporters.

2. State Specific Issues:

The Department of Commerce asked for state specific issues on exports where some action was required to eliminate any bottleneck to exports. EEPC India submitted a state-wise compilation of such issues faced by our member exporters on exporting from the states as per the feedback received from members from different states.

3. Pending IGST refunds for the months of May & June 2019

EEPC India has received representations from our member exporters particularly, from Kolkata, Gujarat and Delhi, stating that they are not receiving their IGST refunds for the months of May and June 2019 respectively, despite the Shipping Bills being processed and there is no "Error" in the entire filing process. EEPC India has forwarded few such cases to Chairman, Central Board of Indirect Taxes & Customs (CBIC) requested his intervention in this regard.

4. NTBs faced by Indian exporters in the Oceania region

Oceania region consists of 12 countries including Australia, Fiji, Kiribati, Nauru, New Zealand, Papua New Guinea, Samoa, Timor Leste, Tonga, Tuvalu and Vanuatu Republic. Of all the 12 countries, Australia and New Zealand play key roles in steering the economy of the region. EEPC India requested its members regarding NTBs faced by them in the Oceania region. Following issues were received and forwarded to the Department of Commerce.

- Competition with China: According to one of EEPC members who export Trailer parts (HS code 87169010) and leaf springs (HS code 73201011) to Australia, while Indian imports are charged at 5% import duty, Chinese imports are zero-rated under China-Australia bilateral FTA. This has affected competition of Indian exporters in the Australian market for the past 3 years. The industry requests the government to consider this issue while negotiating the bilateral FTA with Australia or in the RCEP forum;
- Another of our members exporting pressure cookers to Australia mentioned that every time they export, the Australian importer asks for fumigation certificate and also packaging declaration. Fumigating the consignments increases the transaction cost and giving packaging declaration along with the fumigation certificate increases the documentation work and causes delay. The industry also requests the government to consider this issue in future negotiations;
- Steel testing standards: In December 2013, Australia brought in steel testing standards for iron, steel and non-ferrous metal products.

5. Boosting of exports to China and US

- The MoCI felt that there are potential opportunity for India in Chinese and US markets arising out of US-China trade standoff requested EEPC India to provide inputs. For US, the council has recommended following sectors as potential:
 - Ferrous Castings, Industrial Fasteners, Flanges, Seamless Pipes and Tubes (excluding O & G application), Fabricated Steel Products, Pumps , Industrial Valves, Fabricated Steel Products, Machine Tools, Electric Rotating Machines, Electrical products like Transformers, Switchgears, Cables, Auto components, Renewable Equipments and Medical Devices.
- Following sectors were recommended as potential for China:
 - Steel Forgings, Machine Tools, Non-Ferrous Products, Bearing housings for machinery, Transmission elements: shafts and cranks.

6. Review of EPCG Scheme

- The Department of Commerce sought views of EEPC India regarding Review of EPCG Scheme. According to DGFT, engineering Goods account for nearly 50% of the EPCG licenses issued. Thus, EEPC India felt withdrawing of the EPCG scheme, if at all contemplated by the Government, should not be carried through. This is because the EPCG Scheme has played a pivotal role in upgrading technology in Indian industry irrespective of the scale of operation. Further, there are a lot of Capital Goods which are not manufactured in India and EPCG Scheme is a good way of importing these technologies by actual exporters. While it is true that there were some aberrations in the scheme, these have been addressed by the

DGFT from time to time to ensure that misuse of the said scheme is substantially reduced. The council also felt that EPCG Scheme should be modified to ensure that greater flexibility be provided so that at a time of global volatility in trade, member exporters are able to adjust their export obligation by ratifying the adjustment with their respective Registration Authorities. EEPC India urged the government to not to do away with EPCG Scheme given the need to boost our exports and upgrade our technology. This would also help in promoting technology intensive exports.

Alternatively, a lower customs duty on capital goods may be applied based on the quantum of investments made in any project without attaching any export obligation. Another possibility could be to permit duty-free imports of capital goods for manufacturing units located in the Towns of Export Excellence. This also need to be extended to this be also extended to MSME units especially for critical engineering capital goods such as Machine Tools, Environmental and Energy related capital goods.

7. Study of value Chain for inverted duty analysis

- EEPC has undertaken a product-wise study of value chain to find out the presence of inverted duty in engineering products across sectors. The study has been done for ASEAN, Japan, Korea, China and Latin American Countries in response to queries from the concerned FT division of the ministry. EEPC has found several such products where presence of inverted duty is causing damage to domestic manufacturers.

8. Action points on GST and Customs related issues

- EEPC prepared a set of action points for resolving GST and customs related issues as per the feedback of our exporters and submitted before DoC, Government of India. Along with this, a set of action points has also been prepared and submitted before DoC on other issue related to boosting exports.

9. Foreign Trade Policy Statement (FTP) 2020-24

In response to the requirement from the DoC, EEPC prepared its inputs for the FTP Statement 2020-24 for engineering sectors and submitted to the department. To provide continuity in the policy regime, the current FTP valid till 31st March 2020, has been extended till 31st March 2021 by DGFT*.

10. Compliance report on the directions given by Hon'ble CIM

In response to a requirement from FT Asian Division, EEPC prepared a detailed note on export potential by analyzing product wise export, import and tariff for the selected products in the Proforma provided by the Commodity Division.

11. Union Budget 2020-21

Hon'ble Finance Minister had announced two important policy aspects for exporters: Nirvik Scheme for lowering the cost of export credit and the RODTEP scheme for un-refunded taxes in electricity duty and VAT on POL products. EEPC India had compiled the following issues after the budget:

A. Remission of Duties and Taxes on Exported Products (RoDTEP)

This scheme should be introduced at the earliest. There was no allocation of fund for RODTEP in the Expenditure Budget though the Hon'ble FM had in September 2019 announced that it would be capped at Rs. 50000 crore. The Government have authorised all the export bodies and councils to seek information with respect to un-rebated taxes/ duties/levies used in the manufacture of export product(s) in prescribed formats. EEPC India have already initiated the process. Once again all the exporters also requested that information regarding RODTEP Scheme need to be circulated widely and the scheme be initiated at the earliest.

* Vide DGFT notification no. 57 dated 31st March, 2020.

B. Nirvik Scheme

On behalf of EEPC India we welcome the announcement of the Nirvik Scheme for lowering the cost of export credit. What will be the future of the Interest Equalization Scheme?

C. Tax collected at source (TCS): SEC 206C (1H)

The issue is with regard to insertion of sub-section 1H of section 206C of the Income Tax Act which require any seller of goods, who is receiving payment exceeding Rs.50 lacs, to deduct 0.1% as TCS from the buyer and in case, the buyer fails to provide PAN/Aadhar number, the TCS amount should be 1% by which the amount exceeds Rs.50 lacs. While few categories have been excluded, the exporters receiving remittance from a buyer abroad have not been included in the excluded categories.

The foreign buyer will neither have PAN or Aadhar and deducting of 1% TCS by Indian exporters would be a cost loaded to such exporters only. Therefore, EEPC India, requested the Government to issue necessary clarification or to add exporter's receiving money from buyers abroad in the exempted categories.

12. Availability of Steel to MSMEs at 'Export Parity Price'

EEPC India has been for some time demanding that steel be provided to MSME engineering exporters at the export parity price.

13. Merchant Exporters

With respect to Merchant Exporters, like exports under AA, EPCG or LUT, are allowed to export under LUT only and not under IGST paid shipping bill. It was felt that they should also be provided the facility to export under IGST paid Shipping Bill for faster refund. EEPC India had already sent representations to CBIC for taking necessary action to resolve the issue.

14. Input Credit for Tools and Dies

An exporter mentioned that often exporters import tools and dies which are used for production but not exported out and do not get Input Tax Credit. It was suggested that this issue be highlighted before the GST Council.

15. Risky Exporter

According to members' feedback, no proper procedure is being followed with respect to risky exporters' categorization. There is no kind of information being communicated to the affected exporters, such as Show Causes and only when the exporters go to check as to why their drawback and GST refund are not being received, they are informed to check the 'risky exporters list'. However, this has reduced considerably.

16. Problem of GSTR

Members mentioned that they were facing considerable problems in matching GSTR 1 and GSTR 2A, as often their suppliers would delete their invoices as a result of which reconciliation was becoming difficult. Members suggested that the filing of GST return should be quarterly or half-yearly, rather than every month. According to him, this change in procedure would save a lot of time and cost of the exporting community.

17. Bank charges for e-BRCs

Enormous amount for supplying EBRC's even though that a Govt. requirement and mandatory for filing MEIS Scheme, these charges must be lowered considerably.

18. E-Wallet

GST Council in October 2017 has agreed on E wallet. Implementation of the same it has been deferred Twice for 6 months. We request for the implementation of the same which shall solve the problem of Exporters. They shall neither pay tax in cash nor seek the refund, hence the issue of liquidity blockade and transaction cost will be resolved. At the same time department will also not require to make any refunds and this shall also take care of misuse of the refund (Revenue has reported a few cases of export frauds)

19. Customs Examination

Container examination on pan India basis has once again on peak. Even the e-sealed containers are put for examination. Exporter whose containers has been examined for more than 10 times and not reported any adverse remarks by customs are even subject to examination. This is not restricted to certain product or exporter.

This examination is not yielding much to department but exporter is subject to

- additional cost for examination which varied from 7000/15000 per container
- risk of cargo getting damaged in respect of quality or packing based on its nature
- risk of missing the vessel

Liberal approach should be there for export under LUT as no IGST Refund is involved.

We request this should be bare minimum and software should be designed to have bare minimum or no examination where no adverse comments or remarks are mentioned by customs in the last 3 or 4 examinations.

20. Technology Upgradation Fund

EEPC India had welcomed the announcement of Technology Upgradation Fund for Auto components and requested that the same could be extended to other engineering sectors too.

21. Export Credit

With respect to the suggestion made by the Hon'ble Minister to dispense with Interest Equalization and make available Pre Shipment and Post-Shipment Credit in foreign exchange to all exporters at LIBOR+ 200 basis point, EEPC, as per the views of its member exporters, suggested to keep both the option of PCFC Libor plus 2% or better still the RBI Gold Card Scheme of LIBOR + 0.75 per cent as also perhaps the provision of Rupee Export Credit at the Repo rate for all MSMEs at least, if we have to move from a regime of Interest Subvention/Equalization Regime, so that issues of access to Foreign Currency Credit do not become a problem in different parts of the country. A choice may be given to exporters to decide.

22. Import of Second Hand Capital Goods

EEPC India had requested the Government that a holistic view be taken before deciding on a policy on second hand capital goods. It needs to be noted that MSME sector depends on second hand capital goods and this should continue to be imported at the MFN or FTA rates.

23. Enhancing MSME Limits

The EEPC suggestion in this context included that the investment in Plant and machinery limits should be raised to Rs 50 crore or the Turnover based definition of MSME should be introduced as soon as possible. The Union Government in its 'Atmanirbhar Package' redefined MSMEs.

24. Extension of Sabka Vishwas (Legacy Dispute Resolution) Scheme, 2019 to EPCG and Advance Authorisation Holders

It is suggested that the EPCG and AA Schemes too should be brought under the Sabka Vishwas (Legacy Dispute Resolution) Scheme, 2019 as this will give immense relief to the licence holders of these schemes. In line with the Viwad se Vishwas Scheme, amnesty should also be granted for non-fulfilment of EO under EPCG and AA scheme due to the downturn in global trade cycle.

25. Extending Duty Drawback Benefits for supplies from DTA to SEZ against payment in INR

At present, the benefit of duty drawback can be availed by a DTA unit supplies to an SEZ Unit only if exports are made in freely convertible currency. In case the payment is INR, the DBK benefit is not given, though duty drawback is available in case of supply to an SEZ developer or co-developer even if the payment is realised in rupees.

Many of our member exporters, who are in the DTA Units and supply to SEZ units do so against payment in Rupees, have requested for extending the duty drawback benefits in Special Economic Zones (SEZs) against payment in rupees for encouraging SEZ units to procure from domestic suppliers and ensure that they are able to maintain export competitiveness. Several manufacturers in SEZs also prefer to source some of their inputs from the domestic tariff area (DTA) when suppliers are competitive and can adhere to stringent global standards, instead of going in for duty-free imports. When inputs are sourced domestically, they are not affected by movements in foreign currency. The realisations for the DTA units also become volatile if sales are denominated in foreign currency due to fluctuating exchange rates. Further, inputs sourced domestically saves foreign exchange involved in import of goods which the SEZ would have resorted to in the absence of appropriate domestic supplies.

26. Digital Signature

For every on line activity be it in DGFT, GST, Ports, Ministry of Company Affairs etc., separate Digital signatures are required and there is only one issuing authority. EEPC India had suggested that once a Digital signature was taken by an exporter should be made applicable for all registration and verification purposes.

27. Concessional tax for manufacturing domestic companies under section 115ba and 115ab

The Taxation Laws (Amendment) Act, 2019, inserted section 115 BAA and section 115 BAB in the Income Tax Act, 1961, to provide certain domestic manufacturing companies to be taxed at a concessional tax rates. The newly inserted section 115 BAB provides that only a company registered on or after 01.10.2019 will be qualified for this section to be taxed at a concessional rate of 15%. EEPC India had requested the Government to extend this benefit to all the companies under the MSME sector.

SIGNING OF MoUs

1. Memorandum of Understanding was signed between EEPC India and CSIR-NML, June 24, 2019

MOU being signed between EEPC India and CSIR- NML, Jamshedpur. Mr Adhip Mitra, Additional Executive Director & Secretary, EEPC India (left seated) and Dr Amitava Mitra, Chief Scientist & Head, CSIR-NML, Jamshedpur (seated on the right). Standing behind from left - Mr B D Agarwal, Regional Chairman (ER), EEPC India, Mr Mahesh K Desai, Sr Vice Chairman, EEPC India, Mr Ravi Sehgal, Chairman, EEPC India, Mr Arun Kumar Garodia, Vice Chairman, EEPC India, Dr Indranil Chatteraj, Director, CSIR -NML, Jamshedpur and Mr Bhaskar Sarkar, Advisor, EEPC India Technology Centre

2. Memorandum of Understanding was signed between Windsor Essex Economic Development Corporation and Canadian Association of Mold Makers and EEPC India for Promoting Technology Development, Trade and Investment between Canada and India

3. Memorandum of Understanding (MoU) for CSIR-AMPRI and EEPC India, July 19, 2019

EEPC India inks MOU with CSIR-AMPRI - Mr AdhipMitra , Additional Executive Director & Secretary, EEPC India (6th from right) and Dr S K S Rathore, Senior Principal Scientist, CSIR- AMPRI (third from left). The rest from L to R- Mr Mahesh K Desai, Sr Vice Chairman, EEPC India; Dr Avanish Kumar Srivastava, Director, CSIR-AMPRI,Bhopal, Mr Bhaskar Sarkar, Advisor, EEPC India Technology Centre, Mr Ravi Sehgal, Chairman, EEPC India, Mr Arun Kumar Garodia, Vice Chairman, EEPC India, Mr B D Agarwal, Regional Chairman (ER), EEPC India and Mr G K Madhogaria, Dy Regional Chairman (ER), EEPC India

4. Memorandum of Understanding (MoU) between World Trade Centre Bhubaneshwar (WTC Bhubaneshwar) and EEPC India.

5. Memorandum of Understanding signed between Global Manufacturing Organisation Limited and EEPC India, 13 November, 2019

Mr Suranjan Gupta, Executive Director, EEPC India (left) is shaking hands with Mr NamirHourani, MD of GMIS after signing an MoU between Global Manufacturing Organisation Limited (GMOL) to partake in GMIS 2020 & Hannover Messe and other events.

6. Memorandum of Understanding was signed between Council of Scientific & Industrial Research (CSIR-NIIST) and EEPC India., 27 november, 2019, The Assemblage, Kolkata

Mr. Adhip Mitra, Addl. Executive Director & Secretary inked MoU on behalf of EEPC India with Dr S Savithri, Chief Scientist, CSIR-NIIST on future collaboration between EEPC India Technology Centre and CSIR-NIIST. From right Mr. Bhaskar Sarkar, Advisor, EEPC India Technology Centre, Mr. Suranjan Gupta, Executive Director, EEPC India; Mr. Ravi Sehgal, Chairman, EEPC India ; Mr. D.J. Basu, Sr. Jt. Director (Personnel & Administration), EEPC India, Mr. Maksudur Rahaman Molla, Design Engineer, EEPC India Technology Centre

AWARD FUNCTIONS

National Awards - 50th National Awards for the year 2017-18-held on December 10, 2019 at Hyatt Regency, New Delhi

2019 marked the Golden Jubilee year of EEPC India's National Awards for Export Excellence where we toasted to celebrate with 111 National Award winners across 8 categories and over 32 products along with 7 Winners from EEPC India – QCI Quality Awards assessing the Quality control compliance of the recipients. Mr Hardeep Singh Puri, Hon'ble Minister of State of Commerce and Industry, Government of India was the Chief Guest Mr B S Bhalla, Additional Secretary, Ministry of Commerce and Industry, Government of India, Mr Ravi Sehgal, Chairman, EEPC India; Mr Mahesh K Desai, Sr Vice Chairman, EEPC India, Mr Arun K Garodia, Vice Chairman, EEPC India and Ms Kamna Raj Aggarwalla, Regional Chairperson (NR), EEPC India were present.

From Left Mr. Mahesh K Desai, Sr. Vice Chairman, EEPC India, Mr. B.S. Bhalla, Additional Secretary, Ministry of Commerce and Industry, Government of India, Mr. Ravi Sehgal, Chairman, EEPC India, Mr. Hardeep Singh Puri, Hon'ble Minister of State of Commerce and Industry, Government of India, Ms Kamna Raj Aggarwalla, Regional Chairperson (NR), EEPC India, Mr. Suranjan Gupta, Executive Director, EEPC India, Mr. Arun K Garodia, Vice Chairman, EEPC India

Eastern Regional 35th Export Excellence Award Function in Kolkata

The Regional Office organized the 35th Eastern Regional Export Excellence Award Function 2016-17 on August 31, 2019 at Grand Hotel, Kolkata. H.E. Mr. Jagdeep Dhankhar, Hon'ble Governor of West Bengal had graced the occasion as the Chief Guest and presented the Trophies to the outstanding members for their meritorious performance in export for Engineering Goods and Services during the year 2016-17. Mr. Ravi Sehgal, Chairman, EEPC India; Mr. Arun K. Garodia, National Vice Chairman, EEPC India; Mr. B. D. Agarwal, Regional Chairman (ER), EEPC India; Mr. G. D. Shah, Former Chairman, EEPC India; Mr. Suranjan Gupta, Executive Director, EEPC India and Mrs Anima Pandey, Regional Director (ER) & Director (Membership), EEPC India were also present during the function. 49 Members from Eastern Region received the Awards. Mr. L. P. Gupta, Dy. Regional Chairman, EEPC India (ER) proposed the Vote of Thanks.

Mr Ravi Sehgal, Chairman, EEPC India addressing the house and on the dais H.E. Mr Jagdeep Dhankhar, Hon'ble Governor of West Bengal H.E. (5th from left), from Left - Ms Anima Pandey, Regional Director (ER) & Director, Membership, Mr L P Gupta, Dy Regional Chairman (ER), EEPC India; Mr B D Agarwal, Regional Chairman (ER), EEPC India; Mr G D Shah, Former Chairman, EEPC India, Mr Arun Kumar Garodia, Vice Chairman, EEPC India and Mr Suranjan Gupta, Executive Director, EEPC India

Southern Regional 42nd Export Excellence Award Function in Hyderabad

The Regional Office organized the 42nd Southern Regional Export Excellence Award Function 2017-18 on February 12, 2020 at Hotel Park Hyatt, Hyderabad. Shri K. S. Mani, Regional Chairman of EEPC India (SR) delivered Welcome Address. Shri Mahesh Desai, Sr. Vice Chairman of EEPC India delivered Key-note Address. H.E. Dr. Tamilsai Soundararajan, Hon'ble Governor of Telangana was the Chief Guest and honoured the Award Winners by presenting Trophies to 85 Award Winners under different categories. Vote of Thanks was given by Shri D. N. Rao, Deputy Regional Chairman, EEPC India (SR). There were large gathering during the Award Presentation Function.

H.E. Ms Tamilsai Soundararajan, Hon'ble Governor of Telangana , the Chief Guest at the event delivering the keynote address and the on the dais from L- Mr D N Rao, Deputy Regional Chairman (SR), EEPC India; Mr K S Mani, Regional Chairman (SR), EEPC India; Mr Mahesh Bhatt, Chairman, EEPC India and Mr C H Nadiger, Regional Director (SR), EEPC India

Western Regional Export Excellence Award Function 2016-17 in Mumbai

EEPC INDIA, Western Region felicitated meritorious exporters for their excellent export performance at the 35th Western Region Award Function for the year 2016-17 on 03rd February 2019 at Taj Mahal Palace, Mumbai. EEPC India has played a significant role in promoting in export of engineering goods, projects and services from India. EEPC India Western Region contributed around 41% of the total exports of Engineering Goods and Services during the year 2016-17. The engineering sector is one of the largest contributors to exports accounting for 24% of the total exports during 2016 – 17. India's engineering exports in 2016 – 17 was US \$58.78 Billion. Indian Engineering Industry has made rapid strides in development and modernization of manufacturing facilities, thus offering world class engineering products and contribution towards "Brand India" and "Make in India". Around 100 winners were proud recipients of the award. Recognition is the greatest motivator and wards instil a spirit of healthy competition.

Chief Guest, Shri Sudhir Mungantiwar, Hon'ble Minister of Finance & Planning and Forests, Government of Maharashtra with the memento from EEPC India. On his right : Mr. Ravi Sehgal, Chairman (EEPC India); Mr. Anoop Marwaha, Dy. Regional Chairman (WR), EEPC India and Dr. Rajat Srivastava, Regional Director (WR) & Director (Marketing & Sales), EEPC India. On his left: Mr. Sarabhjit Singh Bhasin, Dy. Regional Chairman (WR), EEPC India; Mr. K. L. Dhingra, Regional Chairman (WR), EEPC India

Northern Regional Export Excellence Award Function 2016-17 in Shimla

The Regional Office organized the 49th Northern Regional Export Excellence Award Function 2016-17 on 20th July, 2019 at The Peterhof Hotel, Shimla, Himachal Pradesh. Mr. Jai Ram Thakur, Hon'ble Chief Minister of Himachal Pradesh, had graced the occasion as the Chief Guest and presented the Trophies to the outstanding members for their meritorious performance in export for Engineering Goods and Services during the year 2015-16. Mr. Ravi Sehgal, Chairman, EEPC India. Mrs. Kamna Raj Aggarwalla, Regional Chairperson (NR), EEPC India; Mr. Pradeep Kumar Aggarwal, Dy. Regional Chairman (NR), EEPC India; Mr. Suranjan Gupta, Executive Director and Mr. Rakesh Suraj, Regional Director (NR), EEPC India were also present during the function. 85 Members from Northern Region received the Awards. Mr. Pradeep Kumar Aggarwal proposed the Vote of Thanks.

Hon'ble Chief Minister of Himachal Pradesh, Mr Jai Ram Thakur presenting the awards. Also on the dais- EEPC India Chairman- Mr Ravi Sehgal, (on his right), Ms Kamna Raj Aggarwalla, Regional Chairperson (NR), EEPC India, (on his left). From left - Mr Pradeep Kumar Aggarwal, Dy Regional Chairman (NR), EEPC India Mr Gunit Rana, Dy Regional Chairman (NR), EEPC India; Mr Suranjan Gupta, Executive Director, EEPC India.

SEMINARS/CONFERENCES/MEETINGS IN INDIA

EXPORT AWARENESS PROGRAMME & OTHER SEMINARS

During the year under review, EEPC India Regional Offices organized seminars and meetings for the benefit of the members at various locations under their jurisdiction. The seminars and workshop were well attended by the member firms. Representatives of various services sectors and Government departments participated and briefed about their services for the growth of exports. The office-wise and date-wise details of the same are furnished chronologically in **Annexure-I**.

MEETING WITH GOVERNMENT OFFICIALS/AGENCIES/OPEN HOUSE MEETINGS

The officials of various EEPC India Offices attend a number of meetings and seminars and gave presentations/lectures about the Council and its promotional activities during the reporting year. They also organized Open House Meets on specific areas of interest. Such activities region-wise and furnished in **Annexure - II**.

TRAINING PROGRAMME

In the reporting year, EEPC India organized various Training Programmes for the benefit of the senior executives of the member firms on various topic. The details of the same are given in **Annexure - III**.

ACTIVITIES OF PANELS AND COMMITTEES

During the reporting year, Commodity Panels, Territorial and other Committees, comprising member-exporters and representatives from services organizations, ably assisted the Council on various trade related aspects. These Panels and Committees met regularly, identified constraints faced by exporters, suggested suitable remedial measures and resolved local issues. The details of the Panel meeting held during the year are furnished in **Annexure - IV**.

LIST OF ANNEXURES

ANNEXURE – I

Details of Seminars / Meetings / Conferences /Technology Meet / Capacity Building for Upgradation of Quality – during the year 2019-20

Name of the Office	Event Details	Date	Venue
Ahmedabad	Seminar on Foreign Trade Policy – Manual v/s. Digitization – Facilities and Benefits	26.04.2019	Ahmedabad
Ahmedabad	Organized New Members Meet	28.05.2019	Ahmedabad
Ahmedabad	Organized New Members Meet	14.06.2019	Ahmedabad
Ahmedabad	Internal Audit by AQL Systems & Consultants	14.06.2019	Ahmedabad
Ahmedabad	Organized New Members Meet	28.06.2019	Ahmedabad
Ahmedabad	Organized meeting with Uganda delegation team visited at EEPC India Sub-Regional Office, Ahmedabad along with the Indian distributor for interacting with EEPC India and looking for exporters of Food Processing Machineries from India	17.07.2019	Ahmedabad
Ahmedabad	Organized New Members Meet	30.07.2019	Ahmedabad
Ahmedabad	Visited to Kathwada and Naroda GIDC for meeting companies for new membership and mobilization of international events	14.08.2019	Ahmedabad
Ahmedabad	Visited PharmaTech Expo and LabTech Expo 2019 at Gujarat University Convention Centre, Ahmedabad for meeting exhibitors to promote EEPC India's activities and events	21.08.2019	Ahmedabad
Ahmedabad	Organized New Members Meet	22.08.2019	Ahmedabad
Ahmedabad	Workshop on Strategic Leadership Masterclass for CEOs – Recipe for sustainable Growth	13.09.2019	Ahmedabad
Ahmedabad	Organized New Members Meet	30.09.2019	Ahmedabad
Ahmedabad	Awareness Workshop on Factoring as an excellent and an appropriate finance product / finance option for the exporters in the engineering industry	10.10.2019	Ahmedabad
Ahmedabad	Celebration and pledge ceremony on the occasion of National Unity Day at various places in Ahmedabad	31.10.2019	Ahmedabad
Ahmedabad	Seminar on 'The Invoice Finance Advantage: Collateral-Free Trade Finance made Easy by Drop Capital' and Business Opportunities at International Engineering Sourcing Show 2020	07.11.2019	Ahmedabad

Name of the Office	Event Details	Date	Venue
Ahmedabad	Swachhta Pakhwada Campaign organized at Ahmedabad	08.11.2019	Ahmedabad
Ahmedabad	Organized New Members Meet	15.11.2019	Ahmedabad
Ahmedabad	Observation of Communal Harmony Week by spreading the word through standees and distribution of stamps, circulation of information across the members during the Communal Harmony Week	19.11.2019 to 25.11.2019	Ahmedabad
Ahmedabad	Industrial plant visit of Air Control & Chemical Engineering Co. Ltd., Barejadi, Ahmedabad to interact with the members to inform about various benefits / incentives / subsidies provided by EEPC India from time to time and brief on the forthcoming International events and IESS 2020	21.11.2019	Barejadi
Ahmedabad	Industrial plant visit of Rhino Machines Pvt. Ltd. Vitthal Udyog Nagar to interact with the member to inform about various benefits / incentives / subsidies provided by EEPC India from time to time and brief on the forthcoming International events and IESS 2020	26.11.2019	Vitthal Udyog Nagar
Ahmedabad	Interactive meeting with Engineering Industries and Association at Vitthal Udyog Nagar to brief on the activities of EEPC India and various benefits/ incentives / subsidies provided by EEPC India	26.11.2019	Vitthal Udyog Nagar
Ahmedabad	Reading of Preamble ceremony on the occasion of 'Constitution Day'	26.11.2019	Ahmedabad
Ahmedabad	Seminar on Building a World Class Organization and Export Opportunities at International Engineering Sourcing Show 2020 at ENGIMACH Exhibition at Gandhinagar	05.12.2019	Gandhinagar
Ahmedabad	Participation at ENGIMACH Exhibition for mobilization of IESS 2020	04.12.2019 to 08.12.2019	Gandhinagar
Ahmedabad	Organized New Members Meet	23.12.2019	Ahmedabad
Ahmedabad	Attended programme organized by EDI and presentation given on EEPC India activities and IESS-IX 2020 by EEPC India officials	06.01.2020	Gandhinagar
Ahmedabad	Visited Industrial plant of Rollepaa Engineering India Pvt. Ltd. Ashwamegh Industrial Estate, Changodar and Ashutosh Power TransBelts Ltd., Dholeshwar Industrial Estate, Changodar to interact with the members to inform about various benefits/ incentives/ subsidies provided by EEPC India from time to time and promote IESS 2020	10.01.2020	Ahmedabad
Ahmedabad	Organized New Members Meet	17.01.2020	Ahmedabad
Ahmedabad	EEPC India in association with Ankleshwar Industries Association organized a seminar on 'How to Increase Engineering Export Worldwide' and Business Opportunities at International Engineering Sourcing Show 2020 at Ankleshwar Industries Association, Ankleshwar	24.01.2020	Ankleshwar
Ahmedabad	Organized an Interactive meeting with members for participation at IESS 2020	05.02.2020	Ahmedabad

Name of the Office	Event Details	Date	Venue
Ahmedabad	Visited industrial plant of Chicago Blower (India) Pvt. Ltd. Village Aklacha, Mahemdabad and Draftair (India) Pvt. Ltd., GIDC, Vatva, Ahmedabad to interact with the members to inform about various benefits/ incentives/ subsidies provided by EEPC India from time to time and promote the forthcoming IESS 2020	13.02.2020	Aklacha & Vatva
Ahmedabad	Organized New Members Meet	14.02.2020	Ahmedabad
Ahmedabad	Attended seminar organized by MSME- DI, Ahmedabad on Export Promotion for Foundry Cluster in association with the Institute of India Foundrymen (IIF)	03.03.2020	Ahmedabad
Bengaluru	Roundtable discussion on IPR and challenges faced by MSMEs with O/o. Principal Scientific Advisor to brief on draft patent amendment rules 2018 and to understand challenges faced by MSMEs.	16.04.2019	Bengaluru
Bengaluru	New Members Meet and awareness programme on Export Incentives and Services of EEPC India	10.05.2019	Bengaluru
Bengaluru	Attended meeting at KASSIA and delivered speech on role of EEPC and the FTP incentives provided to exporters	30.05.2019	Bengaluru
Bengaluru	Organized Internal Quality Audit with special focus on Tech Centre, Bengaluru	02.07.2019	Bengaluru
Bengaluru	Inauguration of EEPC India Belagavi Chapter	23.07.2019	Belagavi
Bengaluru	Organized a Tech Meet for Electrical, Industrial, Electronics, Automotive and Aero Clusters in association with O/o. PSA	02.08.2019	Bengaluru
Bengaluru	Seminar on using Internet and Digital Media for Global Market Search and penetration	18.10.2019	Bengaluru
Bengaluru	Outreach programme for Belagavi District Export Hut	20.11.2019	Belagavi
Bengaluru	Organized Internal Quality Audit with special focus on Tech Centre, Bengaluru	06.12.2019	Bengaluru
Bengaluru	Interactive session on 'GST in Exports'	17.12.2019	Bengaluru
Bengaluru	Participated SME Outreach programme organized by JD, DIC Government of Karnataka along with the Office of the DGFT at Doddaballapur Textile Integrated Park	21.01.2020	Doddaballapur
Bengaluru	Organized RBSM at IMTEX Forming 2020	24.01.2020 to 25.01.2020	Bengaluru
Bengaluru	Organized an interactive session on exports, IESS 2020 and SME listing. The key speaker was Mr. Himanshu Srivastava, National Stock Exchange, Mr. Thejas, NSDL, Ms. Prachi Mittal, FedSec and EEPC India officials	28.01.2020	Mangalore
Bengaluru	Inauguration of EEPC India Chapter in Kerala	19.02.2020	Kerala
Chennai	Organized New Members Meet	26.04.2019	Chennai
Chennai	Organized inauguration of EEPC India Coimbatore Chapter	11.05.2019	Coimbatore

Name of the Office	Event Details	Date	Venue
Chennai	Discussion Session on Logistics Performance Index and export opportunities in Vietnam	19.06.2019	Coimbatore
Chennai	Awareness seminar on opportunities and procedure for exports	26.06.2019	Chennai
Chennai	Organized seminar on International Trade – opportunities and challenges exports and exports opportunities for engineering products through worldwide events with focus on doing business with Vietnam	16.07.2019	Chennai
Chennai	Organized Workshop on Exports and Imports Procedures at SIEMA	24.07.2019	Coimbatore
Chennai	Awareness seminar on export market and interaction with various stakeholders relating to exports at SIEMA	21.08.2019	Coimbatore
Chennai	Workshop on using Internet and Digital Media for global market search and penetration	29.08.2019	Chennai
Chennai	MSME Membership Drive	07.09.2019	Chennai
Chennai	Internet & Digital Media for global market search and penetration	19.09.2019	Chennai
Chennai	Internet & Digital Media for global market search and penetration at SIEMA	27.09.2019	Coimbatore
Chennai	Organized seminar on Business and Export Opportunities	27.09.2019	Chennai
Chennai	Organized Half-day workshop on Customs Process and Procedures for exports and imports	31.10.2019	Chennai
Chennai	Organized session on exports opportunities for engineering products in Europe through Flanders Region	26.11.2019	Chennai
Chennai	Industry visit with Delegates from Flanders	26.11.2019	Chennai
Chennai	Organized session on exports opportunities for engineering products in Europe through Flanders Region. Mr. K. S. Mani, Regional Chairman (SR), EEPC India, Mr. Mark Van Den Vreken, Consul General of Belgium and other officials of EEPC India were present.	27.11.2019	Coimbatore
Chennai	Export opportunities for engineering products at IESS IX	28.11.2019	Chennai
Chennai	Organized session on Latest Amendments in GST for EXIM Trade	28.11.2019	Chennai
Chennai	EEPC India Membership Drive at Kanjikode Industries Forum	27.12.2019	Palakkad, Kerala
Chennai	Organized IESS IX Advisory Committee meeting	09.01.2020	Coimbatore
Chennai	Session on Export and opportunities at IESS IX and SME Listing – Hedging & Risk Management at Exchange Platform	28.01.2020	Mangalore
Chennai	Attended Export Awareness programme organized by MSME DI	31.01.2020	Chennai
Chennai	Organized session on export opportunities for engineering products at IESS IX at SIEMA	05.02.2020	Coimbatore
Chennai	Curtain Raiser and Press Conference in Connection with IESS IX	28.02.2020	Coimbatore
Hyderabad	Organized New Members Meet	15.05.2019	Hyderabad
Hyderabad	Organized session on GST – Goods & Services Tax – Issues, Challenges and opportunities for exports	12.06.2019	Secunderabad

Name of the Office	Event Details	Date	Venue
Hyderabad	Seminar on Business Export Opportunities at overseas market with focus on doing business with Vietnam	28.06.2019	Secunderabad
Hyderabad	Organized Internal Quality Audit	01.07.2019	Secunderabad
Hyderabad	Seminar on Export opportunities for MSMEs. EEPC India as Technical Partner	10.07.2019	Secunderabad
Hyderabad	Organized session on Letters of Credit & Discrepancy Management in International Trade	11.09.2019	Secunderabad
Hyderabad	Inauguration of EEPC India Visakhapatnam, Andhra Pradesh Chapter	19.09.2019	Visakhapatnam
Hyderabad	Organized session on Advance Incoterms	15.10.2019	Secunderabad
Hyderabad	Organized seminar on International Trade Opportunities & Challenges for MSMEs	14.11.2019	Hyderabad
Hyderabad	Seminar on using internet and digital media for global market search and penetration	04.12.2019	Secunderabad
Hyderabad	Attended ICC MSME Linkages 2019 2nd Edition, Sector – Aerospace, Defence and Railways	12.12.2019	Hyderabad
Hyderabad	New Members Meet	27.02.2020	Hyderabad
Hyderabad	Industrial Motivational Campaign	28.02.2020	Hyderabad
Jalandhar	Organized awareness programme on International Business Opportunities	05.04.2019	Jalandhar
Jalandhar	Participated Pharma Tech and Lab Expo 2019	19.04.2019	Chandigarh
Jalandhar	Participated India Medical Show (IMS 2019)	26.04.2019	Chandigarh
Jalandhar	Interactive session on GST issues, Steel price, ICE Gate, Export market and Government support. Mr. Ravi Sehgal, Chairman, Ms. Kamna Raj Aggarwalla, Regional Chairperson (NR), Mr. Ajay Goswami W.C. Member, Mr. Gunit Rana, Dy. Regional Chairman (NR), Mr. S. Gupta, Executive Director, EEPC India were present.	04.05.2019	Jalandhar
Jalandhar	Seminar on Life after GSP and opportunities in new markets like Vietnam and Kazakhstan and EEPC India's events	07.06.2019	Jalandhar
Jalandhar	Export awareness programme on Finance and FTP for MSME in association with Bhiwadi Chamber of Commerce & Industry	15.07.2019	Bhiwadi
Jalandhar	Attended meeting on CQCTD and addressed quality and trade issues of the exporters at DGFT Ludhiana	12.09.2019	Jalandhar
Jalandhar	Export Awareness programme on International Business Opportunities through EEPC and investment / business opportunities in Greece and Cyprus. Dr. Param Preet Rai, DC Customs, Mr. Rajiv Soni, Dy. DGFT Ludhiana, and Mr. Naveen Kalhotra, Supdt. Customs AEO attended the programme	13.09.2019	Ludhiana
Jalandhar	Organized seminar on Industry 4.0 in association with DHI and different Industry Associations and Institutions	28.11.2019	Jalandhar

Name of the Office	Event Details	Date	Venue
Jalandhar	Organized Trade Meet with exporters and Banking and Finance Association in association with PHD Chamber of Commerce & Industry Chandigarh	04.12.2019	Jalandhar
Jalandhar	Participated at Industrial Motivation Campaign on export promotion and awareness in association with DIC Nahan an Pharma Machinery Manufacturer Association Cluster.	06.12.2019	Sirmour
Jalandhar	Meeting with Mr. Gurpal Singh ZGM of NSIC Ludhiana on IESS 2020 participation	10.12.2019	Ludhiana
Jalandhar	Attended meeting of MSME Export Promotion Committee in Ludhiana where DGFT was also present	10.12.2019	Ludhiana
Jalandhar	Meeting with Dr. Parampreet Rai, Customs DC, Mr. Baljeet Singh, Supdt. Customs at Sahnewal Customs to solve IGST related issues of the members	10.12.2019	Ludhiana
Jalandhar	Organized Export Awareness programme with ECGC and DGFT on export related issues	26.12.2019	Phagwara
Jalandhar	Interactive session in association with DIC Ghaziabad, Government of U.P. on Global Opportunities at IESS 2020, Coimbatore	09.01.2020	Ghaziabad
Jalandhar	Export awareness programme with DGFT and MSME. Mrs. Kamna Raj Aggarwalla, Regional Chairperson (NR) was chaired the programme. Mr. Ajay Goswami, Convener, Hand Tools Panel & W. C. Member, Mr. Tushar Jain, Convener, Agricultural Machinery Panel & W.C. Member and other EEPC India officials were present and presented global opportunities through IESS 2020.	10.01.2020	Jalandhar
Jalandhar	Export Awareness programme in association with Karnal Agricultural Implements Manufacturers Association on export benefits and how to product competitive for export market, raw materials for MSME. MAI scheme also discussed in this programme.	21.01.2020	Karnal
Jalandhar	Organized Bicycle Technology Seminar. Mr. Pradeep Aggarwal, Panel Convener chaired the seminar and discuss on policy, technology, standards branding etc. of bicycle industry and launched 'Lets Resolve' moto.	17.02.2020	Ludhiana
Kolkata	Organized discussion meeting of Senior Office Bearers on submission of proposals to the Government on State Level Taxes	02.04.2019	Kolkata
Kolkata	Organized Regional Award Committee Meeting 2016-17	02.04.2019	Kolkata
Kolkata	Organized seminar on Intellectual Property Rights	26.04.2019	Kolkata
Kolkata	Organized meeting of Senior Office Bearers for discussion on Chapter Office under EEPC India (ER)	03.05.2019	Kolkata
Kolkata	Awareness session on Importance of Packaging in Engineering Industry and Financing Options for MSMEs	17.05.2019	Kolkata

Name of the Office	Event Details	Date	Venue

INDEPENDENT AUDITOR'S REPORT & ACCOUNTS

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of EEPC INDIA (Company Limited by Guarantee) ("the Council") which comprise the Balance Sheet as at March 31, 2020, the Statement of Income & Expenditure and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Council as at March 31, 2020, its surplus and Cash Flows for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Council in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Council as it is an unlisted company.

Information other than the financial statements and auditors' report thereon

The Council's Working Committee is responsible for the preparation of the other information. The other information comprises the information included in the Report of the Working Committee including Annexures to Report of the Working Committee's Report but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially mis-stated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged With Governance for the Financial Statements

The Council's Working Committee is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Council in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Council and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Council's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Council or to cease operations, or has no realistic alternative but to do so.

The Council's Working Committee is also responsible for overseeing the Council's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Council has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Council's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Council to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. This report does not include a statement on the matters specified in paragraph 3 and 4 of the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, since in our opinion and according to the information and explanation given to us, the said order is not applicable to the Council, which is a Company licensed to operate under Section 25 of the Companies Act, 1956.
2. As required by section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Council so far as appears from our examination of those books;
 - c) The Balance Sheet, the Statement of Income and Expenditure and the cash flow statement dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014
 - e) As reported to us, we report that none of the members of the Working Committee is disqualified as on 31st March, 2020 from being appointed as a member of the Working Committee in terms of Section 164(2) of the Companies Act, 2013;
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Council and the operating effectiveness of such controls, refer to our separate report in Annexure - A; and
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit & Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Council does not have any pending litigations which would impact its financial position.
 - ii) The Council did not have any such long-term contracts including derivatives contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which required to be transferred to the Investor Education and Protection Fund by the Council.

ANNEXURE-A TO THE AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of EEPC INDIA (Company Limited by Guarantee) ("the Council") as of 31st March, 2020 in conjunction with our audit of the financial statements of the Council for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Council's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Council considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Council's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Council's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Council's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Council's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Council's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Council;

- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Council are being made only in accordance with authorisations of management and working committee of the Council; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Council's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Council has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2020, based on the internal control over financial reporting criteria established by the Council considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES ANNEXED TO AND FORMING PART OF THE BALANCE SHEET AS AT 31ST MARCH, 2020 AND STATEMENT OF INCOME & EXPENDITURE FOR THE YEAR ENDED ON THAT DATE.

NOTE-1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

- 1.1. Expenses/Income, especially those relating to specific projects, are accounted for in the year for which budget approval has been granted and not necessarily in the year of incurrence of expenditure. Any payment/receipt on that account is kept under advances/liabilities till the year of budget approval.
- 1.2. Expenditure related to various Code and other specific activities are booked under those functional heads to conform to the budgets approved by the Government of India. As such, expenses shown under various natural heads are not necessarily the total expenditure incurred under these particular heads.
- 1.3. The subscription income from members is not taken into account unless received except in cases where the GST invoice was raised for such subscription.
- 1.4. Items of printing and stationery are charged to Statement of Income & Expenditure of the year in which the same are purchased.
- 1.5. Pursuant to the policy adopted by the management in 1982-83, the expenditure on Publication is directly charged to Income & Expenditure account and no stock of publications at the end of the year is accounted for, as these are considered purely export promotional literature.
- 1.6. The interest received/accrued on the earmarked fixed deposits of Export Development Fund with banks has been directly credited to the Export Development Fund.
- 1.7. Provision for Gratuity & Leave Encashment is based on actuarial valuation on the present value of future liability which includes Rs.67,55,035/- being interest on earmarked investments of Gratuity & Leave Encashment fund directly credited to the Provision for Gratuity & Leave Encashment Account.
- 1.8. Till 31.03.2014, the depreciation was being provided under the W.D.V. method at the rates prescribed under schedule XIV of the Companies Act, 1956. From the financial year 2014-15 the depreciation is being provided on the basis of the useful lives of the fixed assets prescribed under Schedule II of the Companies Act, 2013.
- 1.9. Foreign Currency Transaction:

Transactions through the foreign currency bank accounts maintained by the Council have been transacted at the standard fixed rates adopted for the year and not at the actual rate prevailing on the date of transaction. The other transactions in foreign currency have been accounted for at the actual rates prevailing on the date of transaction.

NOTE-3: OTHER EXPLANATORY INFORMATION

- 3.1. Every member of the Council other than the Officials of Government undertakes to contribute to the assets of the Council in the event of the same being wound up during the time that he was a member or within one year afterwards, for payment of the debts and liabilities of the Council contracted prior to the date on which he ceases to be a member and the costs, charges and expenses of winding up the same and the adjustment of the right of the contributories among themselves, such amount as may be required not exceeding Rs.1,000/- in the case of Ordinary Members and Rs.50/- in the case of Associate Members.
- 3.2. Secured Loans to employees for house building and purchase of vehicles include cases where mortgage/lien could not be created on the year end.
- 3.3. The Council is separately maintaining bank accounts (including deposit accounts) in connection with EEPC Pension Fund, International Price Reimbursement Scheme etc. as a custodian only, which are not forming part of the Council's accounts.
- 3.4. a) The Council is maintaining a Joint Bank Account for making joint payments on behalf of itself and other occupants in relation to the office space acquired in the International Trade Facilitation Centre at Kolkata. As the Council is only acting as a custodian of this bank account, the same does not form part of its accounts.
b) The said bank account was opened for the convenience of these occupants in making those payments which are common in nature, such as, premises maintenance expenses, security services, electricity, water supply, lift maintenance etc. The funds required for such expenses are contributed by all these occupants on a mutually agreed basis.
- 3.5. No provision for Income Tax has been made in the accounts as the Council does not expect any liability on this account
- 3.6. Contribution from participating members as shown in Note 2.12 includes amounts towards exhibitions, publicity, conferences etc.
- 3.7. In the absence of confirmation from the parties, various accounts like Loans & Advances, Deposits, Sundry Creditors etc. remain unconfirmed.
- 3.8. The novel coronavirus (COVID-19) outbreak which was declared as global pandemic by the World Health Organization (WHO) on 11th February'2020 continues to spread across the globe including India resulting in significant impact on global and India Economic Environment.

As the nature of activities performed by the Council majorly fell under non-essential category, these restrictions had substantially reduced its activities. The Council has since, not commenced its activities which involves performance of or participation in exhibitions in India and abroad for promotion of export of its members.

Considering the current situation, the activities of Council will be significantly impacted for FY 2020-21 and it is in the process of evaluating the impact and measures to be adopted for the same. There is, however, no material impact on the financial statements of FY 2019- 20 on account of COVID-19.

The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements. Considering the continuing uncertainties, the Council will however continue to closely monitor any material changes to future economic conditions that may have any significant impact on its business and financial position.

- 3.9. Previous year's figures have been regrouped/rearranged and nomenclature changed to make them comparable, as far as practicable, with those of current year.

NOTE-3: OTHER EXPLANATORY INFORMATION (Contd.)
