

India Pavilion at JIMEX 2020

22 - 25 June 2020

Amman, Jordan

EEPC India invites participation

**Participate through EEPC India to enjoy
substantial savings!**

About the Exhibition:

JIMEX 2020, the 17th International Electro - Mechanical Exhibition Covering All Machines of Electricity & Mechanical, Air Conditioning, Water Technology, Solar Energy, HVAC & Industrial Supplies will be inaugurated By His Excellency Prime Minister of Jordan. JIMEX is the biggest Electrical and Mechanical Machinery Exhibition in this region and is considered as most important industrial, engineering & trading platform targeting markets of Near East Countries covering important infrastructure sectors, all industries, energy, electricity, automation, water, contracting and consultancy.

The exhibition is held under the Patronage of His Excellency the Prime Minister of Jordan, with the official support of Jordan Engineers Association (JEA). Since its establishment In 2004, JIMEX has been awarded by Certificates and Awards for Its high quality visitors & exhibitors.

EEPC India regularly participates in this exhibition since 2012. Top-notch Indian 'Electrical Stars' like HPL Electric, RR Kabel, Bajaj Electrical, SkipperSeil Ltd showcased their strength at the Indian Pavilion of JIMEX 2019.

We are pleased to invite you to JIMEX 2020.

Highlights of JIMEX 2019 :

•**Visitors from over 25 countries** - Visitors were mainly from (including 17 Arab countries) Iraq, Syria, Palestine, Lebanon, Oman, Egypt, Turkey, Riyadh, Ethiopia, Sudan, Saudi Arabia, United Arab Emirates and other Gulf Countries.

•**Major sector players participation** - The major & top groups in the international Electro-mechanical industry are regularly participating; e.g. SIEMENS, ROCKWELL, EATON, ATLAS COPCO, CUMMINS, CATERPILLAR, FG WELSON, INFORM, HELMKE, CHINT, OMRON, HITACHI, HOMAG, DMG, JAMCO (KADDB BUUAER, STILL, MID DRIVES, PETRA ENGINEERING, TECHNO GROUP, FECIP, YORK USA, VAILLANT INTERNATIONAL, AL-TAYSEER, DELTA, KARIBA. FLOWPIPE, Pumps manufacturers, compressors manufacturers, Solar Cells Manufacturers, Generators Manufacturers, Panel Builders, Machine Builders, etc.

Economic Scenario

The economy of Jordan is classified as an emerging market economy. Jordan is a member of the Greater Arab Free Trade Agreement, the Euro-Mediterranean free trade area, the Agadir Agreement, and also enjoys advanced status with the EU.

Jordan's economic resource base centers on phosphates, potash, and their fertilizer derivatives; tourism;

overseas remittances; and foreign aid. These are its principal sources of hard currency earnings. Jordan is classified by the World Bank as an "upper middle income country. The Jordanian market is considered one of the most developed Arab market outside the Persian Gulf states.

Bilateral Trade & economy ties – India & Jordan:

India's relationship with Jordan has always been characterized by warmth and good will based on mutual respect. India-Jordan trade is governed by an agreement signed in 1976. A Trade and Economic Joint Committee constituted under the Agreement promote and monitor the progress. Over the years, bilateral trade has grown rapidly despite global economic downturn.

Jordan is one of India's most important trading partners in the Middle East and West African (MEWA) region. The bilateral trade volume between the two countries has registered positive growth in 2018-19 over 2017-18, taking the trade from US\$ 1.53 billion to US\$ 1.70 billion, registering a growth of more than 11 percent. India's total merchandise exports to Jordan also recorded a growth of 7.02 percent in 2018-19 over the last fiscal 2017-18.

India's engineering exports touched US\$ 79.9 million in 2018-19. The main items of export includes products of Iron and Steel , Motor vehicles/cars, Aluminium and products, Industrial machinery for dairy, agriculture, food processing, textiles, paper, chemicals, and electrical machinery and equipment.

Product specific trade, trend & scope:

India's export of Electrical machinery and equipment to Jordan has increased in 2018-19 viz-a-viz 2017-18 and reached US\$ 4.45 million, registering a growth of more than 14 percent. India's export of machine tools to Jordan registered a high growth in 2018-19 viz-a-viz 2017-18. India's engineering exports to Jordan have registered a year-on year growth of 27.3 percent in 2018-19 viz-a-viz 2017-18.

Scope & Opportunity for Indian Engineering products & services:

Jordan has two main challenges regarding its energy situation: the growing energy demand on the one hand and the very limited domestic resources to fulfill this demand on the other hand. More than 96% of energy resources is imported. The overall consumption of electricity have been increasing in Jordan. Jordan imported more than US\$ 650 million worth of electrical machinery and equipments globally in 2018. Jordan has begun to invest heavily in alternative and renewable energy, including wind and solar.

Jordan is poised to emerge as one of the region's leaders in "Green Building" design and construction. Although Jordan's construction sector faces challenges associated with the economic slowdown, this sector has been one of the main pillars of the economy.

Thus India has a vast opportunity as its disposal in playing an important role as a major supplier of electrical machinery, renewable machinery and construction machinery to Jordan

Product Profile:

Machinery

Industrial Machines:

- Industrial Machines
- Food Machinery
- Production Lines
- Wood Working Machines
- Construction Heavy Machines
- Compressors, Fans & Blowers
- Turning Machines (Lathes)
- Sawing and Cutting Machines
- Screwing and Threading Machines
- Packaging Machines
- Welding and Gas Cutting Machines
- Cutting and Forming Tools
- Plain Bearings & Anti-friction Bearings
- Hydraulic and Pneumatic Systems
- Conveyor Belts & Transportation Machine
- Cranes Forklifts and Lifting Machines
- Storage Systems
- Lifts & Escalators
- Stores & Metal Construction Systems
- Tools and Industrial Supplies.

Mining:

- All Drilling Machines Tools for Mining
- Drilling, Boring, Milling and Grinding Machines

HVAC & Refrigeration:

- Air-conditioning systems
- Pumps, Fans, Boilers and Radiators
- Chillers and Central Air- conditioning
- Industrial Refrigeration, Refrigeration Rooms
- Solar Heaters

Water & Gas Technologies:

- Water Treatment Systems
- Valves and Flow meters
- Control systems for pumps
- (BMS) Building Management Systems
- Gas Technology and applications
- Filters, Fans and instrumentation

Fire Fighting & Safety Systems:

- Safety Equipment and Systems
- Fire Fighting Systems
- Pumps and re_protection.
- Tools and safety equipment

Electricity:

Automation and Installation

- Distribution & Control-gear
- Installation Technique and Equipment
- Programmable Logical Controllers (PLC)
- Protection Equipment and Systems
- Control, Motion, Drive and Automation
- Instrumentation & Metering
- Power, Communication & Control Cables
- Lighting and LED Lighting.
- Automation for Storage & Transportation
- Fire Alarm Systems
- Electrical & Mechanical Training Equipment
- Traffic Light Systems

Energy & Electrical Machines:

- High, Medium & Low Voltage Switchgear
- Transformers, Generators & Motors
- UPS Systems
- Computers & Software for Machines and Industries
- Variable Speed Drives
- SCADA & Industrial Software
- Other products related to above sectors.

Security & Monitoring Systems:

- Cameras and Monitoring Systems
- Security Equipment and Systems
- Engineering Software and Books
- Training and Lab Equipment

Solar & Renewable

Energy Show and Forum:

- PV Solar Systems
- Solar Heating & Cooling
- Wind Generation and Smart Grid
- Energy Production Utilizing Renewable & Future Primary Energy Sources
- Rehabilitation of Power Generation Units
- Energy Saving Management
- Energy Efficient HVAC & R

Venue:**Date:**

Halls of Amman International Motors Show Center
(AIMS)
Near Ministry of Foreign Affairs
(on the way to Amman International Airport)
Amman, Jordan

Date: 22 – 25 June, 2020

Participation Charges:**Booth Size:** 6 Sqm.

One side open (built-up booth): Rs. 25,000 per sqm.

* includes 4 nights of hotel stay for one person per exhibiting organization (to be allotted on first-come-first-served basis)

Booth Size: 9 Sqm.

One side open (built-up booth): Rs. 23,000 per sqm.

* includes 4 nights of hotel stay for one person per exhibiting organization (to be allotted on first-come-first-served basis)

Note: EEPC INDIA can only recommend for issuance of VISA to the extent that the concerned person is a participant at the subject exhibition and that the person in question has been certified by the participating organisation to be their employee. The Foreign Embassy / Consulate where the applicant submits the VISA application is expected to follow their usual procedural checks before granting the VISA in question and EEPC INDIA shall not be responsible in any manner whatsoever for non-issuance of VISA by the concerned authorities. This would mean that the prospective participant will be fully liable for the total charges payable to EEPC INDIA even if they do not obtain the VISA for any reason whatsoever.

Mode of payment

- Please pay online through the following Payment Gateway :

CC Avenue

OR

- Pay through RTGS/NEFT in INR as per the following details :

Name of Bank : HDFC BANK LTD.
Branch : CENTRAL PLAZA
Address of Bank : 2/6, SARAT BOSE ROAD, KOLKATA 700 020
Account No. : 00142090000452
Account Name : EEPC INDIA
NEFT Code : HDFC0000014

Demand draft favoring "EEPC INDIA" along with the duly filled-up Application Form

Booth display:

Participation charges for booth includes the following services:

- | | |
|---|---|
| <ul style="list-style-type: none">• Information Counter• Three Chairs• One Round Discussion table• Three Spot Lights | <ul style="list-style-type: none">• One Electric Socket• Carpeted Floor• Waste bin• Fascia |
|---|---|

Submission of application:

Interested firms are requested to fill in the online Application Form latest by **24th April 2020** following link.

https://app.eepcindia.org/ems/exhibitors/exhibitor_application_form/MT12

Please go through the “Mode of Payment” section for payment details.

Selection criteria:

Since limited space is available, selection of participants will be done strictly on first-come, first-served basis.

Benefit to the member-exporters:

The rates mentioned above are subsidized in comparison with the normal rates offered by the Fair Authorities.

Cancellation of participation:

In case any applicant wants to cancel his participation, it may be noted that he remains liable to pay the full amount to EEPC INDIA.

Note: Regarding goods taken out of India for exhibition or on consignment basis for export promotion, participants may refer to Circular No. 108/27/2019-GST dated 18.07.2019 of the Central Board of Indirect Taxes and Customs (CBIC) which is the statute in the matter.
