Dear Sir/Madam,

Awareness Session on Industry 4.0

8 August 2019: 10.30 AM: The Assemblage, EEPC India, Kolkata

Industry 4.0 represents the fourth industrial revolution using cyber-physical systems to produce breakthrough improvement in manufacturing productivity, safety and competitiveness. It is driven by emerging technologies including big data analytics, robotics, augmented reality, internet of things, digitalization, cyber security, machine intelligence and artificial intelligence. It is the heart of technological transformations happening within every enterprises today. Its goal is to create value from connected assets, product lifecycle, manufacturing and supply chain. The session aims to discuss the progress made so far and future roadmap.

Department of Heavy Industries (DHI), Government of India has initiated 'SAMARTH Udyog Bharat 4.0 projects' with the objective to facilitate and create ecosystem for propagation of Industry 4.0 set of technologies in every Indian manufacturing by 2025, be it MNC, large, medium or small scale Indian company. EEPC India, Eastern Region in collaboration with DHI is organizing an '**Awareness Session on Industry 4.0**' on **Thursday, 8th August, 2019 at 10.30 AM** at the Premises of EEPC India, Kolkata, followed by lunch. The registration starts at 10.00 am.

The objective of the session is to develop awareness and demystification of the concept of 'Industry 4.0' by developing network and cooperation between industry and academia. The session will enable you to understand the following key areas:

- What is Industry 4.0?
- What are the benefits of Industry 4.0?
- How to adopt Industry 4.0?
- Success stories in India.
- Need of Industry 4.0 in MSMEs to become Smart Manufacturers
- Organisational Readiness

Premier technology and knowledge institutions of India like IIT Delhi, IIT Mumbai, ISI Kolkata and many others would provide knowledge contributions in the event.

I write to request you to kindly make a special effort to attend the Session and make the deliberation more fruitful. A line in confirmation in the attached Registration Form will enable us to make the necessary arrangements.

For any further query, please feel free to contact my colleague Mr Kousik Bhattacharjee at +91-7064182292, E: kbhattacharjee@eepcindia.net.

Thanking you,

With best regards,

Anima Pandey
