

Dear Member's,

Greeting of the day!

As you are kindly aware that UP is partner state in our fourth coming International Engineering Sourcing Show –VIII (IESS), in which there is HUGE subsidy is available for the exporters/Manufacturers of UP. Coinciding with IESS –VIII to be held in Chennai during 14-16 March, 2019 Mr B S Bhalla, Joint Secretary, Department of Commerce, will be meeting engineering Industry representatives to discuss problems and issues being faced by engineering exporters. Further, they are also requested to provide doable suggestions to promote engineering exports from the country in the near future. Accordingly, please highlight specific issues with possible solutions you feel should be addressed by the Government. To formulate a strategy to promote exports in the engineering sector your inputs are of immense importance.

In this connection, an interactive meeting for EEPIC India members has been scheduled for 26th February, 2019 in Ghaziabad at Hotel Fortune Inn Grazia, Sector 23, Sanjay Nagar, Distt. Centre, Near ALT Centre, Ghaziabad at 03.30 Noon to 5.00 which would be followed by High Tea.

In case you are interested to interact and would like to give your inputs to the officials of Department of Commerce in formulating the strategy to boost exports from India, please revert to the undersigned. Once we will get your interest of participation will inform you the agenda and other arrangements.

I look forward to your kind participation and seek a line in confirmation.

Thanks & Regards

RAKESH SURAJ

REGIONAL DIRECTOR

Engineering Export Promotion Council of India

An EPC Under Ministry of Commerce & Industry, Govt of India
