Ease of doing business with DGFT (Niryat Bandhu Scheme) in claiming Export Incentives

In response to questions raised by the exporters on the major initiatives taken by DGFT/ Department of Commerce to promote trade and improve Ease of Doing Business, DGFT briefly summarized the major initiatives relating to policy simplification, reducing cost of capital through interest subvention, document reduction, IT initiatives like online filing of applications, creation of trade portal and training and outreach activities

DGFT has launched a new look website making it more user-friendly and easy to navigate. It has a large dynamic component whereby the trade community can file applications online for IEC and various other schemes of DGFT. The exporters can also see the status of their electronic Bank realization certificates in almost real-time. The website is rich in content with all documents related to Foreign Trade Policy along with a responsive online grievance redressal system. Many more important schemes shall also be discussed during the workshop.

Information on EXPORT PROMOTION MSME schemes of Ministry of MSME and activities of Export Facilitation Center of MSME-DI Indore will also be presented to manufacturers & exporters.

EEPC INDIA (FORMERLY Engineering Export Promotion Council) under the aegis of Ministry of commerce, Govt. of India will also dwell on various export promotion schemes through which MSME companies can boost your exports of Engineering goods & services.
