

FACT SHEET

1.	Name of the Event	METALEX'19
2.	Dates	November 20-23, 2019
3.	Venue	BITEC (Bangkok International Trade Exhibition Centre), Bangkok
4.	Product Profile	<ul style="list-style-type: none"> • Metal Machine Tools : boring machine, drilling machine, finishing machine, gear cutting machine, grinding machine, lathe machine, machining center, turning center, drilling center, sawing and cutting off machine, milling machine, physio chemical process machine tool, planning, shaping, slotting & broacing machine, tapping machine, ultra precision machine tool, wire cut edm machine • Sheet Metal- bending machine, Chipless metal forming (hi-tech), cutting machine, metal forming machine, forging machine, hydraulic press, laser cutting machine, mechanical press, plasma cutting machine, press, accessories & tools, for forming machine, punching machine, shearing machine, thread rolling machine, waterjet cutting machine. • Precision measuring and testing – measuring machine & instrument, angle measuring machine & instrument, balancing testing machine, digital position readout system, gauge, length measuring machine, material testing machine, metallurgical microscope, micrometer, projector, roundness straightness & form measuring machine & instrument, spring testing machine, surface roughness measuring machine & instrument, tool maker's microscope, universal measuring microscope, universal testing machine, vernier caliper, vibration testing machine, software for computer aided quality assurance, 3D coordinate measuring machine & instrument. • Machine Tool Accessory – accessories & attachments, auxiliary equipment, machine components, tool holders, work holding devices Tools and tooling – cemented carbide tools, ceramics tools, cermet tools, cutting tools, diamond and cbn tools, high speed steel tools, tool material • Grinding wheel & abrasive – Abrasive, abrasive disc, belt, cloth & paper, grinding wheel & abrasive chips, Honning, lapping and polishing machine, deburring machine • Moulds & dies-CAD, CAM, CAE, Engineering software, laser welding for mould repairs, materials for moulds and dies, moulds and dies making solutions, rapid prototype

		<ul style="list-style-type: none"> • Fluid power-compressors, fluid components, hydraulic, piping and fittings, pneumatic, pumps, sealing technology, valves and actuators • Power transmission-Bearings, belts, gears, gearmotors, linear motion, sensors and transducers • Assembly and handling-Conveyors and rollers, factory automation, identification and inventory equipment, materials handling and loading equipment, packaging equipment, robotics, storage and retrieval system • Wire-Cable manufacturing machinery, spring making machine, wire and cable, wire manufacturing machinery, wire processing machinery • Tube-Tube and accessories, tube and pipe manufacturing machinery, tube processing machinery, laser tube cutting machinery • Fastener-Fastener production machinery, screw and fastener, screwing and threading machine • Controller and Computer System • Welding-arc welding machine, laser welding machine, spot welding machine, welding accessories, welding equipments, welding consumables • Semi products and raw materials-aluminium alloy, carbon steel, stainless wire, precision bar, stainless welding tig & mig, casting brass and bronze, steel & metal, steel bright bars manufacture
5.	Rentals	Rs. 54,000/- per sq. mtr. tentatively Minimum bookable space is 6 sq. mtrs. with standard display aids
6.	Bank details	HDFC Limited G-3/4, Surya Kiran Building 19, Kasturba Gandhi Marg New Delhi-110001 Account No. 00031110005078 Type of Account: SAVING IFSC CODE : HDFC 0000003
7.	Contact Person	Mrs. Seema Khurana Fair Officer +91 9899471654 <u>seemakhurana@itpo.gov.in</u>
