(The Session will be followed by Lunch)

INTERACTIVE SESSION WITH DGFT *

The main objective of the program is to promote potential exporters by training them on the nitty-gritty of foreign trade through counseling and motivating sessions. The scheme also acknowledges the importance of the medium and small scale enterprises (MSME) in India’s manufacturing sector in terms of output, employment and exports from India. The program provides you the platform to have direct conversation with Senior Government officials who will deliberate on the most promising market for Indian engineering exports especially MSMEs and the role of DGFT in hand-holding the industry in taking their business across borders. This discussion is of immense significance in light of upcoming review of Foreign Trade Policy in new GST Era and will cover:

- Role of DGFT as Niryat Bandhu
- Various schemes of DGFT for exporters
- Role of DGFT under new GST regime
- Open House with Senior DGFT officials

YES BANK

YES BANK, India's fourth largest private sector Bank, is one of the leaders in providing innovative and structured Trade Finance solutions aimed at streamlining your international trade flows, reduce risks associated with cross border trade, improve cash flows and achieve processing efficiencies.

EEPC INDIA

EEPC India has been the face of Indian engineering exports over a span of 63 years when India grew from a nation exporting just \$10 million of engineering goods in 1955 to \$81.2 billion in 2018-19 and is regarded as the model EPC in India by the Union Ministry of Commerce and Industry.

EEPC India is now a full member of the France-based UFI – the Global Association of the Exhibition Industry – and our Annual Show, IESS received the status of 'UFI-approved International Event' from the VIII th edition held in March 2019. EEPC India also received BMO accreditation of the Quality Council of India (QCI) – NABET (National Accreditation Board for Education and Training is one of the constituent boards of the QCI). The BMO accreditation mechanism by all stakeholders is becoming a game-changer towards nation-building, in promoting and developing strategies for MSMEs to participate in various government schemes including Make in India, Zero Defect Zero Effect (ZED), and Start Up India.

EEPC India is the premier trade and investment promotion organisation in India. It is sponsored by the Ministry of Commerce & Industry, Government of India, and caters to the Indian engineering sector. As an advisory body it actively contributes to the policies of the Government of India and acts as an interface between the engineering industry and the government.
