

NOTICE FOR CA CERTIFICATE OF EXPORT PERFORMANCE FOR 2018-19

Please note that the following three specifications are required for considering the CA certificate as valid.

2. This certificate must disclose the Unique Document Identification Number (UDIN) and Firm Registration Number (FRN) along with the signature and seal of the Chartered Accountant.
3. The certificate must provide the EEPC Panel wise breakup of the export performance in case the members are having one or more additional panel/s other than the Primary panel in which the member is registered with EEPC INDIA. **(We have already sent circulars informing all our members about the Primary Product Panel in which their membership is registered with EEPC INDIA.)**
