Dear Friend,

In continuation of our email dated March 26, 2020, for the subject “Information about Health Care Items used in COVID-19 (Coronavirus)”, Ministry of Micro, Small and Medium Enterprises, Government of India, would like to reach out to you again and seek your help. If you are in the field of manufacturing or supply of items related to use in COVID-19 (Coronavirus) treatment, please do the following:

1. Go to the portal https://my.msme.gov.in/MyMsme/Healthcare/HealthValidate.aspx
2. Using Udyog Aadhaar and Mobile/Email, login to portal.
3. Fill the items manufactured by you giving Capacity, Production, Measurement unit of Item and remarks.
4. You can delete items if wrongly entered.
   A user manual is for your reference on how to use the portal. Click Here to read.
   This data will help us in better planning in fight against Coronavirus.

Assuring you of our Best Support.

Stay Safe, Stay Healthy
