ENGINEERING THE FUTURE

RUSSIA'S PARTICIPATION AS "PARTNER COUNTRY"

AT

with Video link

RUSSIA AS THE PARTNER COUNTRY

Russia is the first country to have agreed to take the initiative under the “Make in India” umbrella in two key strategic sectors — nuclear and defence. This year in 2017- IESS -the largest Indian Engineering sourcing show which turned VI in 2017, in a new avatar—International Engineering Sourcing Show —for the first time in Chennai, scheduled for 16-18 March, 2017 with Russia as the Partner Country.

India and Russia have always shared a very stable diplomatic and political relationship from the time of the erstwhile USSR. However, the trade between the two countries has not reached its potential. During the fiscal year of 2014-15, India’s total trade with Russia stood at US\$6.3 billion out of which India’s export to Russia was US\$2.09 billion and import from Russia was to the tune of US\$4.24 billion. The overall trade balance remained positive towards Russia.

During the same year engineering exports to Russia remained at US\$0.7 billion accounting for almost 33% of the total export to Russia. Engineering exports between India and Russia grew at 18% between 2013-14 and 2014-15. Though India’s share in Russia’s total engineering import is still not substantial, there is tremendous scope to tap the existing potential.

Among the CIS nations, India has a strong economic relation with Russia and these two nations are now considering an India-Eurasian Economic Union Free Trade Agreement. Bilateral ties between Russia and India is a unique world phenomenon. Right from the dawn of India’s freedom our relations were on a steady uprise gradually evolving into what we now call special and privileged strategic partnership. A record 16 agreements/ Memorandum were signed by the two 2015 underscore the mutual to have a comprehensive Russia ties have acquired a with enhanced levels of of the bilateral relationship trade and economy, defense, culture. The joint Russian-Relations of Trust to New new ambitious goals for our

Russia

PARTNER COUNTRY 2017

of Understandings (MoUs) countries in December urge of both the nations bilateral cooperation. India-qualitatively new character cooperation in almost all areas including political, security, science and technology and Indian statement “Through Cooperation Horizons” set mutual cooperation.

The need of the hour is to involve Russian businesses into India's import replacement programme "Make in India". This as an additional opportunity for joint ventures, technology transfer and production of high-value-added goods. Strengthening of multifaceted cooperation between Russian regions and Indian states is viewed as a priority. Partnerships between Moscow and New Delhi, St.Petersburg and Mumbai, Kazan and Hyderabad, Astrakhan and Gujarat, Samara and Karnataka, just to name a few, constitute a solid basis for expanding economic cooperation.

Geographic distances are no longer a barrier when both partners are driven by mutual interest – the 7,200 km-long North-South International Transport Corridor will connect South and Central Asia, the Persian Gulf and Eastern Europe and help to increase the bilateral volume of trade. The importance of the corridor goes beyond the framework of goods movement as it has huge geo-strategic significance in the context of comprehensive regional connectivity assuring energy and economic security to entire Central Asia.

A big step forward has been made to facilitate B2B contacts via a more friendly visa regime. During the recent summit both the nations signed the protocol on simplifying travel requirements for certain categories of citizens of our two countries. Businessmen can now visit Russia and India on direct invitations from their partners.

Make in India is a major new national programme of the Government of India designed to facilitate investment,

Breakfast Meeting between Mr Denis Manturov, Minister of Industry and Trade of the Russian Federation and Ms Nirmala Sitharaman, Minister of State for Commerce and Industry, Government of India.

foster innovation, enhance skill development, protect intellectual property and build best in class manufacturing infrastructure in the country. India and Russia are working together on a "general agreement" on collaboration in science and technology, which will enable the countries to exchange ideas on technology, scientists and students. It's a general agreement (between Russia and India) related to collaboration in science and technology. It is focused upon several technologies related to energy, green technologies, supercomputing in big data, etc. The two countries have entered into an agreement to set up the Russian-Indian Association of Universities.

The Russian Science Foundation (RSF) and the Indian Ministry of Science and Technology have announced that they would jointly sponsor an international team competition in the field of scientific research.

Participation of India Russia in IESS VI as Partner Country will definitely serve as a milestone in the bilateral relations between the two nations.

*India-Russia Business Forum: New activities in Trade & Economic Cooperation
 Moderator: Mr. Alok Kumar, Group Chairman – Akis Tech Ltd; Present were - Mr. Denis Manturov, Minister of Industry and Trade of the Russian Federation; Mr Denis Manturov, Minister of Industry and Trade of the Russian Federation and Ms Nirmala Sitharaman, Minister of State for Commerce and Industry, Government of India; —also were present Vice-Governor of Sverdlovsk Region; CEO, Moscow Region Development Corporation, Deputy Chairman of the Moscow Region Government, Minister of Investment and Innovation of the Moscow Region, Minister of Industry, Energy & Trade of the Krasnoyarsk Region, Vice Chairman, SUN Group, Vice President, Indo-Russian Chambers of Commerce & Recipient of Honor of “ORDER OF FRIENDSHIP” (By Russia), Trade Commissioner of Russian Federation in India were present.*

Regarding Industry 4.0 – the new industrial revolution – Russian enterprises are on top of the game. India can be part of this process. Industry 4.0, the merger of the real and the virtual world, provides further scope for Russian-Indian collaboration: Russia’s world-class manufacturing and India’s famous IT engineering expertise make a fabulous match. Industry 4.0 offers great potential for a win-win partnership.

IESS is a flagship event of Ministry of Commerce & Industry, which is organized by EEPC India annually. It is recognized as the biggest and truly global sourcing show for Indian engineering products and services. Apart from showcasing latest capabilities of Indian engineering enterprises, it also hosts series of value added seminars and conferences for the global audience.

EEPC India successfully concluded the 6th International Engineering Sourcing Show, with Russia as a "Partner Country" from 16th to 18th March 2017, showcasing leading Indian engineering products and services on a global platform. It invited leading overseas government agencies, leading chamber bodies, industry associations, business delegations and buyers from all over the world. The show was organized at Chennai Trade Centre, Chennai.

IESS has yet again proved that it has become a favored international platform for sourcing engineering goods from India. This year around 325 companies exhibited with their products and samples and more than 400 overseas delegates participated at the show. We have also organized different sector specific seminars (around 15 in number with more than 75 speakers during the three day event).

At IESS VI, Russia put its best foot forward with a large Russian Pavilion of 750 sqm, powered by the Ministry of Industry and Trade of the Russian Federation and the leading companies that have long-standing contacts with industrial companies in India, as well as by small- and medium-sized businesses showcasing innovative products and development. The official Russian delegation, headed by Mr Denis Manturov, Minister of Industry and Trade of the Russian Federation, included the Deputy Governor and Heads of Ministries of the Sverdlovsk Region, Deputy Chairman of the Moscow Region Government, Head of the Investment Promotion Agency, Deputy Minister of Industry and Trade of the Republic of Tatarstan, Minister of Industry of the Krasnoyarsk Region, and heads of regional investment promotion agencies, industry associations and development corporations.

Industrial companies were present at the joint booths of the Russian regions – Moscow, Sverdlovsk, Tambov and Kaluga – and Krasnoyarsk Krai and the Republics of Tatarstan and Sakha (Yakutia). They were joined by the Association of Furniture and Woodworking Enterprises of Russia.

The Russian Pavilion saw an international debut of young engineers and inventors – participants of the International Festival of youth research and technical creativity ‘Otvinta!’ The festival aims to develop engineering talents of the new generation and is supported by the Russian Ministry of Industry and Trade, and the Russian Engineering Union.

Individual expositions were presented by Rosatom State Atomic Energy Corporation; PJSC Power Machines; DOK Ltd, Scientific and Production Company; PLM Ural Group; Aerob Ltd; MIPAKT – Millennium Holding JSC; Nordavind JSC; Poliplast Ltd; Sintezator – NN Ltd; Precision Farming Systems Ltd; HimPromProekt Ltd; Victar Ltd.

EEPC India had signed MOU with Moscow Region Development Corporation (MRDC) in order to promote trade and investment and development of business relations between members of EEPC India and MRDC in the field of Engineering business and investment.

Honoured with Partner country status, Russia had prepared an extensive cultural programme for IESS delegates and visitors. The programme included performances by Russian musical and dance troupes, and culinary shows with national cuisine tasting.

On March 16 all visitors were able to enjoy the spectacular Russian Night; the Russian groups also performed at the award ceremony as well as in the Entertainment Area of the Russian Pavilion throughout 16-17 March. During the day, the Russian Pavilion screened national movies with English subtitles on a big screen in a special Cinema Zone.

Furthermore, exhibition participants were welcomed to learn more about Russia as a travel destination at the Visit Russia booth, where they received colourful information materials about various interesting sites of the biggest country of the world, watched promotional videos, and were given souvenirs to take home.

Russian Troupe Performing at Russian Night

MEA Lounge at 6th IESS, Chennai

On the advice of Ministry of External Affairs (Eurasia division), EEPC India had organized a special business lounge for the visiting delegates from the Eurasia region. The business lounge was dedicated to the 70 years of friendship and establishment of diplomatic relationship between India and Russia. The lounge had very special branding along with the logo of India and Russia specially designed for the 70 years of the diplomatic relations. The lounge highlighted splendid pictorial illustrations of Honorable Prime Minister of India, Shri Narendra Modi with Honorable President of Russia, Mr Vladimir Putin. The lounge was located at a very prominent location adjacent to the Russian Pavilion at the main entrance hall of the exhibition.

The 6th IESS show was jointly Inaugurated (biometric inauguration) by Ms Nirmala Sitharaman, Minister of State for Commerce, GOI along with Mr Denis Manturov, Minister of Industry and Trade of the Russian Federation on 16th March 2017. After the inauguration both the ministers visited the MEA business lounge and also signed the visitors book. A brief introduction about the friendship lounge has been given by Ms T Ageline, Head of branch secretariat, MEA, Chennai.

Enclosed please find some pictures of both the ministers visiting MEA friendship lounge.

Three Day Programme

International Engineering Sourcing Show
16 - 18 March 2017
Chennai Trade Centre, Chennai, India

THREE-DAY PROGRAMME

ORGANISER: Ministry of Commerce & Industry, Department of Heavy Industry, Department of Scientific & Industrial Research, Government of India. EEPCINDIA ENGINEERING THE FUTURE.

HOST STATE: Government of Tamil Nadu. FOCUS REGION: Flanders Investment & Trade. MSME SOLUTIONS PARTNER: SIDBI. KNOWLEDGE PARTNER: ISB. ASSOCIATE SPONSOR: nixi.in.

INAUGURATION OF IESS VI
16 March 2017
Chennai Trade Centre, Chennai, India

DAY 1, 16 March 2017

Inauguration session

Date: 16 March 2017

Venue: Main Convention Centre, Chennai Trade Centre, Chennai

| | |
|----------|---|
| 1030 hrs | Welcome address by Mr T S Bhasin Chairman, EEPC India |
| 1035 hrs | Address by Host State – Government of Tamil Nadu |
| 1045 hrs | Address by Dr. Yaroslav Tarasyuk, Trade Commissioner of Russian Federation in India |
| 1048 hrs | Address by Mr. Girish Shankar, Secretary, Department of Heavy Industry, Govt. of India |
| 1055 hrs | Address by Mr. Denis Manturov, Minister of Industry and Trade of the Russian Federation |
| 1105 hrs | Inaugural address by Ms. Nirmala Sitharaman, Minister of State (Independent Charge) for Commerce & Industry, Govt. of India |
| 1115 hrs | Vote of Thanks by EEPC India |
| 1120 hrs | Inauguration of IESS VI |
| 1125 hrs | Guided tour of IESS VI |
| 1135 hrs | <p>Opening ceremony of Russian Exposition (Partner Country Pavilion, Hall 2)</p> <ul style="list-style-type: none"> • Mr. T. S. Bhasin, Chairman, EEPC India • Mr. Denis Manturov, Minister of Industry and Trade of the Russian Federation • Ms. Nirmala Sitharaman, Minister of State for Commerce & Industry, Govt. of India • Mr. Girish Shankar, Secretary, Dept. of Heavy Industry, Govt. of India • Dr. Yaroslav Tarasyuk, Trade Commissioner of Russian Federation in Chennai • Mr. Sergey Kotov, Consul General of the Russian Federation in Chennai • Mr. B. S. Bhalla, Joint Secretary, Ministry of Commerce & Industry, Govt. of India • Mr. B. Sankar, Executive Director & Secretary, EEPC India <p>- Ribbon cutting and Opening of Russia Partner Country Pavilion - Guided tour of Russian Exposition - Photo session with Guest of Honor</p> <p>Memorandum of Understanding between EEPC India and JSC "Moscow Region Development Corporation" Signing a Contract for Creation of Joint Venture between Russian company "RUSAL" and Indian company "Runaya"</p> |

Press Conference

Date: 16 March 2017

Venue: Conference Area, Russia Pavilion, Chennai Trade Centre, Chennai

| | |
|----------|---|
| 1200 hrs | Welcome address by Mr. T S Bhasin, Chairman, EEPC India |
| 1210 hrs | Joint Press Conference by Mr. Denis Manturov, Minister of Industry and Trade of the Russian Federation & Ms. Nirmala Sitharaman, Minister of State (Independent Charge) for Commerce & Industry, Govt. of India |

Q & A session

Date: 16 March 2017

Time: 1400 hrs

Venue: Conference Room "A", Hall 1, Chennai Convention Centre, Chennai

India-Russia Business Forum: New activities in Trade & Economic Cooperation
Forum participants, including representatives of the authorities, industrial associations and major companies from both countries, will discuss prospects of Russia-India Business Cooperation

Inauguration Session

| | |
|----------|---|
| 1400 hrs | Registration |
| 1430 hrs | <p>Introduction to the Business Forum by Mr. T. S. Bhasin, Chairman, EEPC India</p> <p>Moderator Mr. Vyacheslav Kochkin, Representative of Chamber of Commerce and Industry of the Russian Federation in India</p> <p>Key addresses - Mr. Denis Manturov, Minister of Industry and Trade of the Russian Federation - Ms. Nirmala Sitharaman, Minister of State (Independent Charge) for Commerce & Industry, Govt. of India</p> |
| 1500 hrs | <p>Invited Speakers for Panel Discussion</p> <ul style="list-style-type: none"> • Mr. Alexandre Vysokinsky, Vice-Governor of Sverdlovsk Region; • Mr. Denis Butsaev, Deputy Chairman of the Moscow Region Government, Minister of Investment and Innovation of the Moscow Region; • Mr. Anatolij Tsykalov, Minister of Industry, Energy & Trade of the Krasnoyarsk Region • Mr. Shiv Khenka, Vice Chairman, SUN Group • Dr. A. Sivalthanu Pillai, Vice President, Indo-Russian Chambers of Commerce & Recipient of Honor of "ORDER OF FRIENDSHIP" (by Russia) |
| 1545 hrs | Conclusion of the session by Dr. Yaroslav Tarasyuk, Trade Commissioner of Russian Federation in India |

Vendor Development Seminar by Indian PSU

Date: 16 March 2017

Time: 1400 hrs

Venue: Conference Room "B", Hall-1, Chennai Trade Centre, Chennai

| | |
|---------------|--|
| 1400-1430 hrs | Registration |
| 1430-1435 hrs | Welcome Remarks by Mr. Pankaj Chadha, Vice Chairman, EEPC India |
| 1435-1445 hrs | Key Note address by Mr. N. Sivanand, Joint Secretary, Dept. of Heavy Industry, Govt of India |
| 1445-1505 hrs | Presentation by Southern Railway • Mr. T.S. Ganesh - Dy Chief Materials Manager, Southern Railway • Mr. D. Rajagopal, Sr. Materials Manager, Southern Railway |
| 1505-1535 hrs | Presentation by BEML (Bharat Earth Movers Limited) • Mr. Paritosh Pandey - Deputy General Manager, Vendor Development Cell |
| 1535-1605 hrs | Presentation by Ordnance Factory Board • Mr. Sanjeev Kumar Saxena- Addl. General Manager • Mr. Sathish Kumar - Asst. Works Manager |
| 1605-1635 | Presentation by Bharat Dynamics Limited • Mr. Sudarshan Reddy Dy. General Manager (Corporate Commercial) |
| 1635-1655 hrs | Open House - B2B Meeting with Vendors |
| 1655-1700 hrs | Vote of Thanks by Mr. R. K. Sonthalia, Working Committee Member, EEPC India |

Session on Global Investment Forum

Date: 16 March 2017

Time: 1400 - 1600 hrs

Venue: Conference Room "C", Hall 2, Chennai Convention Centre, Chennai

| | |
|---------------|---|
| 1400-1430 hrs | Registration |
| 1430-1435 hrs | Welcome remarks by Mr. R. P. Jhalani, Former Chairman, EEPC India |
| 1435-1445 hrs | Presentation by JETRO – Investment Opportunities in Japan by Mr. Veera Babu Veerla, Business Development Officer, Japan External Trade Organization (JETRO) |

| | |
|---------------|---|
| 1445-1500 hrs | Presentation by Flanders Investment & Trade – Investment Opportunities in Belgium • Mr. Jayant Nadiger Trade & Investment Commissioner of Flanders Belgium Government of Flanders, Flanders Investment & Trade, Bangalore • Mr. Philippe De Potter Deputy Director Inward Investment Government of Flanders, Flanders Investment & Trade, Brussels • Mr. Babette Desfossez Customs Attaché Embassy of the Kingdom of Belgium, New Delhi |
| 1500-1515 hrs | - Investment Opportunities in Moscow Region by Mr. Timur Andreev, CEO, Moscow Region Development Corporation Ms. Olga Korosteleva, Acting Head, International Affairs Directorate of the Governor, Krasnoyarsk Region Mr. Malik Saifullin, Deputy Head of investment promotion Department, Tatarstan Investment Development Agency. |
| 1515-1525 hrs | - Presentation by Mr. Ivan Kamenik, Head of Trade Mission Bengaluru, CzechTrade |
| 1525-1535 hrs | - Mr. John Kottayil, Executive Director, State of Bavaria India Office - Invest in Bavaria – The Business Promotion Agency of the State of Bavaria |
| 1535-1545 hrs | - Mr. K. Ravi Kumar, Director of Industries, Government of Jharkhand |
| 1545-1555 hrs | - One to one business meetings |
| 1555-1600 hrs | - Vote of Thanks by Mr. Mahesh Desai, Regional Chairman (SR), EEPC India |

Global Sourcing Meet by SCHWING Stetter (INDIA) Pvt. Ltd

Date: 16 March 2017

Time: 14.00 hrs

Venue: Conference Room "D", Hall 2, Chennai Trade Centre, Chennai

| | |
|---------------|--|
| 1400-1430 hrs | Registration |
| 1430-1440 hrs | Welcome address by Mr. Anupam Shah, Former Chairman, EEPC India |
| 1440-1600 | Presentation by Mr. Seenivasan (SGM-Materials Department), Schwing Stetter India Pvt. Ltd. |
| 1600-1650 hrs | Q & A session and B2B meetings with attending vendors |
| 1650-1700 hrs | Vote of thanks by Mr. R. Seshagiri, Dy. Regional Chairman (SR), EEPC India |

Russian Presentation

Culinary break with demonstration cooking dishes of national cuisine.

Accompanied by performance of Russian music bands

Date: 16 March 2017

Time: 1300-1400 hrs

Venue: Hall 2, Russian stand, presentation area, Chennai Trade Centre

Cinema - Russian Classic Movies Demonstration

Date: 16 March 2017

Time: 1300-1400 hrs

Venue: Hall 2, Russian stand, cinema area

"Russian Night"

Partner Country Entertainment Show for visitors and guests of Exhibition

Date: 16 March 2017

Time: 1800-1930 hrs

Venue: Main Convention Centre, Chennai Trade Centre, Chennai

| | |
|---------------|--|
| 1800-1830 hrs | Registration |
| 1830-1900 hrs | Ceremonial Part, Official Greetings |
| 1900-1930 hrs | Performance live: Belly dancers and music band |

DAY 2, 17 March 2017

Global Sourcing meet by SIEMENS Ltd.

Date: 17 March 2017

Time: 1000-1300 hrs

Venue: Conference Room "A", Hall-1, Chennai Trade Centre, Chennai

| | |
|---------------|--|
| 1000-1040 hrs | Registration |
| 1030-1040 hrs | Welcome address by Mr. K. L. Dhingra, Regional Chairman (WR), EEPC India |
| 1040-1200 hrs | Speakers from Siemens Ltd., are: - Mr. Basavraj Biradar – General Manager SCM - Mr. Maheshwaran Dhakshinamoorthy- Chief Manager SCM - Ms. Shilpa Shirgaonkar-Strategic Sourcing Manager |
| 1200-1250 hrs | Q & A session and B2B meetings with attending vendors |
| 1250-1300 hrs | Vote of thanks by Mr. K. S. Maini, Dy. Regional Chairman (SR), EEPC India |

"Global Opportunities for technology collaborations with India"

Date: 17 March 2017

Time: 1000 hrs

Venue: Conference Room "B", Hall-1, Chennai Trade Centre

Session I: Outlining Vision of the Initiative of Technological Upgradation and the way forward

| | |
|---------------|--|
| 1000-1010 hrs | - Welcome Address by Mr. Anupam Shah, Former Chairman EEPC India |
| 1010-1020 hrs | - Address by Mr Mahesh Desai, Committee Chairman, Skill Development, Technology & R&D, EEPC India |
| 1020-1030 hrs | - Mr. B. S. Bhalla, Joint Secretary, Ministry of Commerce & Industry, Govt. of India |
| 1030-1040 hrs | - Address by Dr Vimal Kumar Varun, Scientist 'F', Department of Scientific and Industrial Research, Ministry of Science and Technology, Govt. of India |
| 1040-1050 hrs | - Special address by Dr R Chidambaram, Principal Scientific Advisor to the Govt. of India |
| 1050-1100 hrs | - Open Interactive Session with the audience |

Session II: The Industry Voice for the existing technology gaps and requirements to overcome technological challenges.

Focused deliberations by Leading Technology Experts from Industry, Trade Promotion Associations & R&D Labs.

Key areas of deliberations

- Potential products and their global export markets
- Current technological status and their strengths
- Potential technologies which could enhance competitiveness of the engineering clusters to enhance their exports
- Potential benefits to the economy as a whole
- Other challenges & way forward

- 1100-1115 hrs: Mr Lokesh Siddappa, (Pepper & Fusch) Nominated by Automation Industry Association
- 1115-1130 hrs: Mr D.V. Giri, Secretary General, Indian Turbine Manufacturers Association
- 1130-1145 hrs: Dr Jitendar Kumar Sharma, Director, WHO Collaborating Centre for Priority Medical Devices & Health Technology Policy

Session III: International Opportunities for Innovation and Technology Partnerships - Panel Discussion with "Innovation Birmingham"

Innovation Birmingham is working for international collaborations and partnerships to drive innovation-led regeneration across wide spectrum of engineering sectors.

| | |
|---------------|---|
| 1200-1300 hrs | Mr. Cliff Dennett Head of Business Development, Innovation Birmingham Campus – An experience leader, having previously held senior positions in organizations such as Orange, EDS and AT&T and acted on a consultancy basis for Morgan Stanley, LEGO and Transport for London. |
| | Mr. Harby Garchay Founder, Blackbelt Defence – Harby is running a leading Software company that concentrates on Smart apps to avoid repairs, remote diagnose issues & to boost company's revenues in through their IOT (Internet of things) Technology. Harby would like to share about importance of Technology for delivering efficiencies, value additions, data protection. |

| |
|--|
| Mr. Leigh Purnell Founder, Petalite – a start-up business that has developed the World's Fastest Charging Battery System offering 100% recharge in under 15 minutes. Leigh's background as a project manager, innovator and his keen interest in energy technologies and implementations (both throughout working and academic life) led him to start Petalite Limited in 2014. |
| Mr. Robert Sugar Founder of Urban Hawk is also a founding designer of Nexus, Jupiter Incident and has consulted on a number of visual schemes for VR, gaming and space based satellite projects. Robert founded Crocotta Research and Development in 2013 and captained the company to success in a range of applied science contracts for SMEs and other organizations. His Missions included a revolutionary breakthrough the Pharmaceutical Microscopes and a visualization initiative for the EDRS launch at the European Space Agency (ESA) |
| Mr. Jaz-Somal CEO, Data Umbrella – as an international consultant in areas of policy and design within civil engineering & road safety, Jaz has first-hand experience of starting, growing and exiting businesses across franchising, retail in coffee shops, property investments, hospitality in bars and clubs through to professional services. |

Session IV: Government of India Schemes for National and International Technology Collaborations and Technological Upgradation Session

Innovation Birmingham is working for international collaborations and partnerships to drive innovation-led regeneration across wide spectrum of engineering sectors.

1430-1630 hrs

Focused Deliberations on Schemes for R&D, Technology Development, Transfer, Acquisition etc. Schemes for promoting Industrial R&D & International Collaborations; - Schemes for Enhancing Technological Skills; Opportunities and Challenges under the current Technological upgradation schemes; Opportunities for International Technology Providers in promoting R&D and technological upgradation in Engineering Clusters; Key Technological Requirements of MSME export clusters for exports; Key potential products areas having high export potential.

Promising product or technological areas way forward;

| | | |
|---|--|--|
| 1 | DSIR | The session aims to sensitize industry about various DSIR schemes for technology up gradation. The DSIR is the nodal body under the Ministry of Science and Technology with an objective of promoting industrial oriented R&D and international technological collaborations in the country. |
| 2 | Mr. N Sivanand, Joint Secretary, Department of Heavy Industry, Government of India | Schemes for Global competitiveness of Capital Goods and other schemes for Technology Upgradation of Ministry of Heavy Industries and Public Enterprises |
| 3 | Mr G Shanmuganathan, Director, MSME-DI, Chennai | Schemes for Technology Upgradation, collaborations and technology transfers for MSMEs from the Ministry of MSME, Government of India |
| 4 | Dr. A. K. Tripathi, Scientist 'G', Ministry of New and Renewable Energy | Schemes for Technology upgradation of Ministry of New and Renewable Energy |

1630 hrs Concluding remarks Mr. Mukul Khandelwal, Chairman, Committee on Trade with West Asia other than GCC Countries, EEPIC India

International Equivalence of Accreditation & its Benefits to Industry

Date: 17 March 2017

Time: 1000 hrs

Venue: Conference Room "C", Hall-2, Chennai Trade Centre, Chennai

1000 hrs Registration

Inaugural Session

- 1030 hrs Welcome Address by Mr. Arun Garodia, Regional Chairman (ER), EEPIC India
- 1035 hrs Key Note address by Mr. Anil Jauhari, CEO, NABCB
- 1045 hrs Special address by Mr. N Kumar, Vice Chairman, Sammar Group and Former Chairman, NABCB
- 1055 hrs Inaugural address by Mr. Shyamsunder Bang, Chairman, NABCB and Executive Director, Jubilant Life Sciences

Technical Session

1115 hrs Opening remarks by Mr. Shyamsunder Bang, Chairman, NABCB

- 1120 hrs Challenge of Standards and Conformity Assessment – by Mr. Anil Jauhari, CEO, NABCB
- 1145 hrs International Equivalence of Accreditation & its Benefits to Industry by – Ms. Shobha Hegde, Lead Assessor, NABCB
- 1210 hrs Systems Certification: Guidance on Selection of Certification Bodies – by - Ms. Shobha Hegde, Lead Assessor, NABCB
- 1230 hrs Open House session
- 1255 hrs Vote of thanks & summing up by Mr. Pradeep Aggarwal, Dy. Regional Chairman (NR), EEPIC India
- 1300 hrs Lunch

"Indo - Russia scope of Industrial Manufacturing Cooperation"

Date: 17 March 2017

Time: 1030 hrs

Venue: Conference Room "D", Hall 2, Chennai Trade Centre, Chennai

1030 hrs: Welcome Remarks by Mr. T. S. Bhasin, Chairman, EEPIC India

To be chaired by

- Mr. Girish Shankar, Secretary, Department of Heavy Industry, Government of India
- Deputy Minister of Industry and Trade, Russian Federation

Moderator

Mr. Vyacheslav Kochkin, Representative of Chamber of Commerce & Industry of the Russian Federation in India

*Prospects and plans for cooperation in the field of heavy engineering, automotive, electrical engineering and power engineering

Topics

- Cooperation in the field of heavy engineering
- Automation of production processes
- Creation of Joint Ventures
- Expansion of bilateral trade relations
- Cooperation in the field of innovative industries & technologies

Speakers from Russian side

- Ms. Irina Vyshinskaya, Executive Director of the representative office of OJSC "Power Machines" in the Republic of India
Topic: "Power Machines" as a provider of integrated engineering solutions for thermal power plants, hydroelectric power stations, nuclear power plants and industrial power equipment"
- Mr. Vladimir Zhurakhovsky, CEO «PLM URAL GROUP»
Topic: «Computer engineering basis for innovative products»
- Mr. Alexandr Drozdov, Deputy Director of Division of Special Projects of JC «RUSAL»
Topic: «New technologies, new products of JC «RUSAL.»
- Mr. Alexey Tarasov, Development Director, «VICTAR Company»
Topic: «Application of VICTAR high-speed electric motors and high-productivity electric saws in different fields of industry»
- Ms. Ekaterina Evdokimova, Managing Partner, Special Economic Zone «Stupino Quadrat» Topic: tbc
- Mr. Ivan Afanasiev, Development Director of Design and Construction company «HimPromProekt»
Topic: «Experience in design and process engineering industries multiprofile Design and Construction Company «HimPromProekt»

Invited Speakers from Indian side:

- Col. Ananjai Singh, Director, Eurasia, Ministry of External Affairs
- Dr. Suprotim Ganguly, CEO, Global Innovation & Technology Alliance (GITA)
- Mr. S Satish Kumar, Director I/c, Central Manufacturing Technology Institute
- Prof. Krishnan Balasubramanian, Dean for Industrial Consultancy and Sponsored Research, IIT Madras
- Prof. N Ramesh Babu, Manufacturing Engineering Section, Department of Mechanical Engineering, IIT Madras
- Dr. Jacob Chandapillai, Director, Fluid Control Research Institute
- Mr. S. Girish Kumar, CMD, HMT Machine Tools
- Mr. M.G.Srinivas, Executive Director, -Association Initiatives, INDIAN MACHINE TOOL MANUFACTURERS' ASSOCIATION (ITMA)
- Mr. N B Dhande, Sr. Deputy Director (BDOP), ARAI
- IIT Bombay
- BARC

- National Automotive Testing and R & D Infrastructure Project (NATRIP)
- Scientific and Industrial Testing and Research Centre (SiTarc)
- BHEL,
- PSG College of Technology
- Tools & Gauge Manufacturers Association of India
- Invest India
- JSPL
- OVL
- SAIL
- SCOPE

Indian School of Business – EEPC India Executive Knowledge Series

Date: 17 March 2017

Time: 1000–1645 hrs (Full day)

Venue: ISB Conference Hall, Chennai Trade Centre

SESSION I

"Better Negotiation, Faster Growth" by Prof. Dishan Kamdar, Deputy Dean and Professor of Organizational Behaviour

| | |
|----------|---|
| 1000 hrs | Registration & Networking |
| 1030 hrs | Welcome address by Mr. Aakash Shah, Chairman, Committee on Trade with Western and Northern Africa, EEPC India |
| 1040 hrs | Knowledge Session by Prof. Dishan Kamdar |
| 1245 hrs | End of Session |

SESSION II

"Roles Leaders Play" by Prof. S. Ramnarayan, Professor of Business Organizational Behaviour

| | |
|----------|---|
| 1400 hrs | Registration & Networking |
| 1430 hrs | Welcome address by Mr. Aakash Shah, Chairman, Committee on Trade with Western and Northern Africa, EEPC India |
| 1440 hrs | "Roles Leaders Play" by Prof. S. Ramnarayan |
| 1640 hrs | Vote of thanks by EEPC India |
| 1645 hrs | End of Session |

Global Sourcing Meet by Kubota Corporation

Date: 17 March 2017

Time: 1400 hrs

Venue: Conference Room "A", Hall-1, Chennai Trade Centre, Chennai

| | |
|----------|---|
| 1400 hrs | Registration |

PRESS & MEDIA

During Event Joint Press Meet was held on March 16th

*Mr Denis Manturov, Minister of Industry and Trade of the Russian Federation and Ms Nirmala Sitharaman, Minister of State for Commerce and Industry, Government of India
MEET THE PRESS JOINTLY*

Welcome address at the Press Conference was delivered by Mr. T S Bhasin, Chairman, EEPC India who gave a brief report on IESS VI. He said that 400 international delegates from 45 countries were attending the show, which organized global sourcing meeting, seminars, conferences and B2B meetings, making it the first of its kind in India for MSMEs. He compared the engineering exports during April 2016 - January 2017 at 587 million USD to 460 million USD for the same period last year, showing nearly 28% growth. He concluded by saying, “We are sure IESS VI will be able to reinvigorate our trade and investment relation with Russia and all other countries present here”.

Ms. Nirmala Sitharaman, Minister of State for Commerce & Industry, Government of India thanked the Government of Tamil Nadu for accepting to be the host state for IESS VI. She thanked Mr. Denis Manturov and welcomed the 120 delegates from various parts of Russia. She spoke about her discussion with Mr. Denis Manturov on the enormous potential to enhance bilateral trade which is presently at 6.62 billion USD. She said that the International North South Transport Corridor (INSTC) that would cut the time and cost for transportation was a priority as also was the proposed FTA between India and the Eurasian Economic Union. She also invited Russia to be the partner country in India International Jewellery

Show 2017 and Advantage Healthcare India. She spoke about the need to bridge the gap between leading R&D labs and the industry. She said that for development of cutting edge export oriented technologies, important industrial clusters have been identified following interaction with stakeholders. Technology gaps could then be filled by research labs and academic institutions. “Indian engineering exports are likely to reach 60 billion USD this fiscal year of 2016-2017”, she said, adding that this was contributed by the revivals of demand in the USA and demand for select products like Iron. She said for the April-January of the current fiscal, engineering exports have reached 50.87 billion USD, exceeding that of the entire financial year 2015-2016 which was 49 billion USD. She said the estimate for exports for February 2017 are 24.5 billion USD as compared to 20.8 billion USD in February 2016, registering a positive growth of 17.5%.

Mr. Denis Manturov, Minister of Industry and Trade of the Russian Federation said that Russia is actively pushing for the FTA between India and the Eurasian Economic Union. He spoke of the potential collaboration with Mahindra & Mahindra to work on manufacturing components and interiors for MC21 aircrafts. Ms. Sitharaman spoke of the Russia railways involvement in increasing the train speeds in the Secunderabad to Nagpur route, for which India had signed a MoU with Russia.
